Ms. Ascroft

I am honored to write a letter of endorsement for Dawn Buckingham, MD FACS to serve as the chair of the American Medical Association Young Physician Section. I know Dawn to be a tireless leader with fierce dedication in serving any organization to which she commits herself. Known for her staunch representation of ophthalmologists in the Texas Ophthalmology Association and unwavering position to protect patient's rights and awareness of their ophthalmic care, she is a cherished member of our community; and, I believe in her abilities to be an equally integral member of the American Medical Association.

Dawn is an asset to any organization she serves, and it is with up most confidence that Austin Ophthalmology Society endorses her pursuit of Young Physician Section, Chair.

Respectfully,

Blythe E. Monheit, MD

President, Austin Ophthalmology Society 2008
