

# Seniors, military families and taxpayers are penalized by the Medicare Fairness Gap.

## It's up to the Senate to close this gap.

If the Senate fails to act, it will be difficult for Medicare patients and military families covered by Tricare to get doctor appointments. Physicians now face a 10 percent cut in Medicare payments effective Jan 1. In contrast, Medicare Advantage plan overpayments cost taxpayers about \$1,000 more per patient.

**It's time for the Senate to fix the Medicare Fairness Gap. Redirect funds to level the playing field between traditional Medicare and Medicare Advantage and preserve access to care for seniors and military families.**
