Feedback from previous CPT Changes Workshop attendees

Linda Schoenwetter, Holly Hill, FL

I have been waiting for years for this to come to my area. Thank you! What a wealth of information from a fantastic speaker and this will definitely help with new codes. I have purchased the CPT Changes for several years and it has been an asset to my department.

Gail Radtke, Marshfield, WI

I loved this conference. It is well organized and presented. The information obtained here will be of great benefit when setting up new codes and educating providers. Please consider offering this in a Midwest location.
