

Resident Outreach Program

We hope to see you this summer...

Look for the AMA at your institution during the Resident Outreach Program. Kick off the year on the right foot and visit with AMA staff and local AMA members during your residency orientations. It is a great time to learn about the AMA and the resources available to you during and after your training. For more information about the program or if your institution is interested in having the AMA at their orientation, contact harry.bauer@ama-assn.org or 312-464-5347.
