

## 2009 PQRI Participation Tools for Measures Groups Version 1.1 Release Notes

---

April 6, 2009

Professional organizations and other PQRI stakeholders have provided comments, clarification, and technical corrections. The list below details the revisions since previously posted versions of the 2009 PQRI Participation Tools for Measures Groups.

Corrected documents include an effective date noting the date the document was updated.

---

### **Back Pain Measures Group:**

- *Measures Group Description (Updated 03/30/09)*
  - Added clarifying language the intent of the measure and define what constitutes a new episode of back pain
- *Data Collection Sheet (Updated 03/30/09)*
  - Revised the selections in Step 2 to more clearly identify how to determine a patient's eligibility for the measures group

### **Chronic Kidney Disease (CKD) Measures Group:**

- *Data Collection Sheet (Updated 01/14/09)*
  - Removed all references to A1c from Measure #123
