- Kmetik – Chicago

Future History

- Chartered Value Exchanges
- The Quality Supply Chain
- More HITEP
- CMS EHR Demo
- CCHIT
- ?????

Where are we now?

- You've come a long way, baby
 - Lots of great work
 - Some great knowledge coming
 - Right people are on the bus
- You've got a long way to go, baby
 - All of the components need improvement
 - We can't go to scale yet
- You're on the right road, baby –
