Subject: Official Notification of Delegate Allocation for 2008

---

Under §2.17 of the Bylaws, the federal services, the Minority Affairs Consortium, American Medical Women's Association, American Osteopathic Association, National Medical Association, and professional interest medical associations are each allotted one delegate (and one alternate) as are AMA sections.

In addition, in 2008 19 regional medical student delegates will be seated in the House as will 10 resident and fellow representatives. These additional delegates are elected by their respective sections and are endorsed by a sponsoring society. Lists of the individuals and their sponsoring societies follow this memo. The regional student delegates will be seated in the House with the state within which each delegate's educational program is located (Bylaw 2.37), and resident representatives will be seated with their sponsoring society (§2.38).

The current roster of delegates and alternate delegates for your society is included with this memo. Please review this information, and send or fax changes and corrections to:

Office of House of Delegates Affairs  
American Medical Association  
515 North State Street  
Chicago, Illinois 60610  
Fax: 312 464-4505

Updates may be made directly on the pages and returned by fax if you wish. Changes should be received by Friday, February 29.

You may also wish to visit [www.ama-assn.org/go/pictorial](http://www.ama-assn.org/go/pictorial) to review your delegation's listing.
