

INDEX

- Abbreviations, See Nomenclature
- Abnormalities: neural tube defects, 414; uniform minimum newborn screening recommendations, 418
- Access to Care, See Health Care Accessibility
- Accident Prevention, See also Patient Safety: ATV safety, 406; backover injuries and deaths, 407; designated drivers, 407
- ACCME, See Accreditation Council for Continuing Medical Education
- Accreditation Council for Continuing Medical Education: standards for commercial support, 49-51
- Accreditation Council for Graduate Medical Education: IMG nomination to, 233-235
- ACIP (Advisory Committee on Immunization Practices), See US Centers for Disease Control and Prevention
- Acquired Immunodeficiency Syndrome: rapid HIV test, 413
- Acts of War, See War
- Adolescence, See also Children: antidepressant use by youth, 412; breastfeeding rates, 306-311; drug education in schools, 403; Guam's legal drinking age, 400; school-based and school-linked health centers, 402; selective serotonin reuptake inhibitor safety, 351-369; sex education for disabled youth, 401; soft drink alternatives in schools, 402; teen and young adult suicide, 404; teen smoking and the movies, 400; underage alcohol consumption, 409; video game content labeling, 403; youth tobacco issues, 42
- Advance Directives: awareness and lessons from the Terry Schiavo case, 390; legislation prescribing artificial hydration and nutrition, 387; universal out-of-hospital DNR systems, 180-185
- Advertising: costs of direct-to-consumer drug ads, 418; drugs, direct-to-consumers, 412, 415, 416, 418, 419; herbal supplements, 411; Justice Department lawsuit against tobacco industry, 410-411; media campaign on preserving self-governing medical staffs, 427; new FDA direct-to-consumer ad standards, 419; opposition to direct-to-consumer ads for medical devices, 419; quality criteria for "best hospitals" lists, 420; return to 1985 FDA prescription drug regulations, 419
- Advisory Committee on Immunization Practices, See US Centers for Disease Control and Prevention
- Advocacy - AMA: AMPAC, 81; ethics standards, 84; Interim Meeting location, Washington, D.C., every three years, 422; international activities, 109-114; international health, 86-87; key initiatives, 80-82; liability reform, 80; Litigation Center, 82; managed care reform, 81; media campaign on preserving self-governing medical staffs, 427; medical education, professional standards, 83; Medicare payment reform and regulatory relief, 80-81; online advocacy calendar; coordination of medical society presence on Capitol Hill, 391; physician owned-specialty hospitals, 88-95; professional standards, 82-84; public health area, 82-83; public health improvement, 81; quality improvement and patient safety, 81; stronger health care advocacy agenda, 424; uninsured coverage and increased access to care, 81; visits to congressional representatives ("Lobby Day"), 420; Women Physicians Congress, 117
- Advocacy Resource Center: 65
- Africa: WHO measles initiative, 402
- Age and Aging, See also Medicare: AMA delegate, leader demographic characteristics, 209, 211-212; Medicare program division, 264-267
- Aid - Financial, See Education - Medical - Support
- AIDS, See Acquired Immunodeficiency Syndrome
- Alcohol: beverage taxes, 408; comprehensive AMA policy, 405; designated drivers, 407; Guam's legal drinking age, blood alcohol level, 400; underage consumption, 409
- Alcoholism: comprehensive AMA policy, 405
- All-Terrain Vehicles, See Automobiles
- Alliance - AMA, See AMA Alliance
- Allocation of Health Resources, See Health Care Delivery
- Alternative Medicine: FDA mission expansion, 415
- AMA Alliance: tort reform coalition building, 66
- AMA Foundation: scholarship programs, 153-154
- AMA Insurance Agency: health insurance for medical students, 424; status report, 85
- AMA-EVP, See Executive Vice President - AMA
- Ambulatory Care: economic impact of shifts in site of service, 273-277; innovative patient safety initiatives, 428; patient discharge information, 37-38; school-based and school-linked health centers, 402
- American Academy of Disability Evaluating Physicians: House of Delegates representation, 20-21
- American Academy of Otolaryngic Allergy: House of Delegates representation, five-year review, 143-145
- American Board of Medical Specialties: maintenance of certification, 251-254
- American College of Nuclear Physicians: House of Delegates representation, five-year review, 143-145
- American College of Obstetricians and Gynecologists: House of Delegates representation, five-year review, 143-145
- American College of Physicians: House of Delegates representation, five-year review, 143-145

- American College of Preventive Medicine: House of Delegates representation, five-year review, 143-145
- American College of Radiology: House of Delegates representation, five-year review, 143-145
- American College of Surgeons: House of Delegates representation, five-year review, 143-145
- American Hospital Association: locked medication cabinets (standard MM.2.20; regulation 42 CFR 482.25(b)(2)), 429-430; national standards for physician quality and cost data, 433; physician-owned specialty hospitals, 93
- American Medical Association, See also Advocacy - AMA; Awards and Grants - AMA; Board of Trustees - AMA; Communications - AMA; Constitution and Bylaws - AMA; Councils and Committees - AMA; Dues - AMA; Executive Vice President - AMA; Finances - AMA; House of Delegates; Meetings - AMA; Membership - AMA; Officers - AMA; President - AMA; names of specific councils, committees and sections: AMA delegate, leader demographic characteristics, 206-216; business operations, 84-86; corporate relationships, review, 24-32; database operations, 85-86; history, evolution and operation of the Relative Value Update Committee, 423; international activities, 109-114; leadership, management, governance, 87-88; Litigation Center, 82; membership marketing, 77-78; National Advocacy Conference, 67; National House Call, 67; performance, activities and status in 2004, 77-88; Physician Consortium for Performance Improvement, 74-77; use of physician Social Security numbers in databases, 426; Washington office, advocacy conference ("Lobby Day"), 420; Women Physicians Congress, 114-117
- American Medical Association Alliance, See AMA Alliance
- American Medical Political Action Committee: AMA advocacy efforts, 81; report, 12-13
- American Society of Anesthesiologists: national closed claims database, 424
- American Society of Retina Specialists: House of Delegates representation, five-year review, 143-145
- American Surgical Hospital Association: physician-owned specialty hospitals, 93-94
- American Tort Reform Association: 65
- AMPAC, See American Medical Political Action Committee
- Anesthesiology: preoperative evaluations within seven days of surgery, 427
- Animals: chronic wasting disease, transmission to humans, 306-311
- Anthrax Attacks (2001): health care coverage, 45-46
- Antidepressants, See Drugs
- Antitrust: insurance exemptions from, 392; protections for physician contract negotiations, 391-392
- Arkansas: state options to improve coverage for the poor, 258
- Artificial Hydration and Nutrition, See Terminal Care
- Attorneys: parity between legal and medical professions, 385; professional liability insurance, 385
- Auditor's Report, See Finances - AMA
- Autism: early intervention, 403
- Automobiles: ATV safety, 406; backover injuries and deaths, 407; designated drivers, 407; Guam's legal blood alcohol level, 400
- Awards and Grants - AMA: Distinguished Service Award, 13-14; grants and donations received by AMA in 2004, 23-24
- Barzansky, Barbara: AMA affiliate member recognition, 200
- Benzodiazepines, See Drugs
- Billing, See Fees and Reimbursement
- Biomedical Research, See Research
- Bioterrorism, See Terrorism
- Birth Control, See Contraceptives
- Bisexuals' Health Issues, See Discrimination
- Board of Trustees - AMA: AMA delegate, leader demographic characteristics, 206-216; compensation levels, 370-374; election results, 436; former members (ex officio members of House of Delegates), listed, 452; House of Delegates Speaker, Vice Speaker as members of, 158-161; officials of the Association listed, 437; reports, 20-157; status report for 2004, 88
- Body Mass Index, See Obesity
- Bone Health: bone and joint decade, 417
- Bovine Spongiform Encephalopathy: 319
- Brand - AMA: integrated management and strategy for, 78-79
- Breastfeeding, See Maternal Health
- Brockmeier, Louis B: memorial resolution, 375
- Budget - AMA, See Finances - AMA
