

**E.D.S. Education Day
For The Cape & Islands**

Be Prepared!

**Saturday, January 21, 2006
Cape Cod Community College**

- *Learn to prepare* and serve in your town's emergency readiness efforts.
- *Understand* how to protect the health and safety of yourself, your family & your community.
- *Volunteer* with your fellow residents of **ALL** skills and backgrounds in an emergency!

Emergency Dispensing Sites (E.D.S.) are being implemented on the Cape & Islands to prepare the region for any incident that requires mass vaccination or treatment of our citizens. Be a proud, prepared volunteer!
