

INDEX

- Academic Health Centers, see Hospitals
- Access to Care, see Health Care Access
- Accident Prevention, see Patient Safety
- Accreditation, see Joint Commission on Accreditation of Healthcare Organizations
- Acquired Immunodeficiency Syndrome: HIV, STD prevention, safer sex and condoms, 277; postexposure HIV testing, presumed consent in federal facilities, 282
- Advertising: direct-to-consumer prescription drug ads, 284
- Advocacy: AMA ethics advocacy, 269
- Advocacy Resource Center, see American Medical Association
- Age and Aging, see also Medicare: prescription drug costs for senior citizens, 271
- Agency for Healthcare Research and Quality, see US Agency for Healthcare Research and Quality
- AHRQ, see US Agency for Healthcare Research and Quality
- AIDS, see Acquired Immunodeficiency Syndrome
- Allied Health Professions, see also Nurses and Nursing: nonphysician scope of practice, 280
- AMA, see American Medical Association
- AMA Alliance: president's remarks, 9-11
- Ambulance Services: 284
- Ambulatory Care: national database of Medicaid programs, 100-103; office-based surgery regulation (sedation, analgesia), 271; physician grants for nurse-managed clinics, 270; surgery center covered procedures update, 271
- American Association of Electrodiagnostic Medicine: House of Delegates representation, five-year review, 126-128
- American College of Rheumatology: House of Delegates representation, five-year review, 126-128
- American Medical Association, see also Awards and Grants - AMA; Board of Trustees - AMA; Constitution and Bylaws - Amendments; Councils and Committees - AMA; Executive Vice President - AMA; Finances - AMA; House of Delegates; Membership - AMA; Officers - AMA; President - AMA; names of specific councils, committees and sections: Advocacy Resource Center, 66; budget for 2003, 123; CIGNA settlement and, 282; committee on organization of organizations, 123-124; ConsultingLink, 79-80; corporate relationships update, 91-100; future core subsections, 270; governance committee report, 247-261; governance recommendations, status and assessment, 251-261; HIPAALink, 270; hospital medical staff consultation service, 79-80; increasing AMA presence in Washington, DC, 123-124; legislation database, 66; Litigation Center, 86; officials of the Association listed, 288; Physician Masterfile "no contact" option, 69-70; representation program, 249; task force on medical liability reform, 129; Web site, resolution repository, 66
- American Medical Association Alliance, see AMA Alliance
- American Medical Political Action Committee: members listed, 289; report, 57-59
- American Osteopathic Association: clinical skills assessment, 281
- American Society for Dermatologic Surgery: House of Delegates representation, five-year review, 126-128
- American Society of Clinical Oncology: House of Delegates representation, five-year review, 126-128
- American Society of Maxillofacial Surgeons: House of Delegates representation, five-year review, 126-128
- American Tort Reform Association: 135, 137
- Americans With Disabilities Act: 71-74
- AMPAC, see American Medical Political Action Committee
- Analgesia: office-based surgery regulation, 271
- Andersen, James H.: memorial resolution, 265
- Anderson, E. Ratcliffe Jr.: EVP compensation, 112
- Atopic Dermatitis: 224-225
- Audit Committee, see Finances - AMA
- Awards and Grants - AMA: Distinguished Service Award, 2; Doctor William Beaumont Award in Medicine, 2; Medical Executive Achievement Award, 2; Scientific Achievement Award, 2
- Baltimore, David: Scientific Achievement Award, 2
- Beaumont Award in Medicine: Eric J. Topol, 2
- Billing, see Fees and Reimbursement
- Bioterrorism, see Terrorism
- Board of Trustees - AMA: audit committee report, 124-125; chair, and AMA president's speaking engagements, official visits, 149-151; governance committee report, 247-261; listing of, 288; reports, 61-145
- Breast Implants: 276
- Brindley, George Valter Jr.: memorial resolution, 265-266
- Budget - AMA, see Finances - AMA
- Business Arrangements (Corporate Relationships), see Commerce
- Bylaws - AMA, see Constitution and Bylaws - Amendments
- Cadaveric Organ Donation, see Transplantation
- Capitation: risk arrangement incentives and limiting appropriate care, 284-285

- Centers for Medicare and Medicaid Services, see Medicaid; Medicare; US Centers for Medicare and Medicaid Services
- Charity Care, see Indigent Care
- Chickenpox: 218
- Children: drug safety, efficacy for (pediatric rule), 275; medical savings accounts and coverage of dependents, 182-189; multivalent vaccine administration fees, 276; state expansion of SCHIP, 121
- Chronic Diseases: Medicaid spend-down eligibility criteria, 173-176
- Cigarettes, see Tobacco
- CIGNA Settlement: 282
- Claims Denials, see Fees and Reimbursement; Insurance - Health - Benefits and Coverage
- Clinical Practice Guidelines, see Practice Parameters
- Clinical Skills Assessment Exam: 277
- CMS, see US Centers for Medicare and Medicaid Services
- Coble, Yank D. Jr.: address of AMA president, 5-9
- Commerce: AMA corporate relationships update, 91-100
- Committees - AMA, see Councils and Committees - AMA; names of specific committees
- Communications: e-mail guidelines, patients and physicians, 161-165; governance committee report, 249-250
- Computers, see Internet
- Condoms, see Contraceptives
- Confidentiality: e-mail guidelines, patients and physicians, 161-165; HIPAA implementation assistance, 270; HIPAA problems, repeal, 282; HIPAA's impossible provisions, 282; interpreters and the physician-patient relationship, 75-78
- Conrad-20 Program, see Emigration and Immigration
- Consent, see Informed Consent
- Constitution and Bylaws - Amendments: AMA president's speaking engagements, official visits, 149-151; AMA-MSS alternate delegate's direct election, 147-149; Young Physicians Section delegate retention, 146-147
- Constitution and Bylaws, Council on: reports, 146-151
- Consultation and Referral: third-party referral systems, 285
- Consumers, see also Patients: appropriate, cost-effective care and health resource use, 278; contracting for exclusive personalized services, 153-156; direct prescription drug advertising, 284; discrimination against individual purchasers of health insurance, 275; health reimbursement arrangements, 278; Public Citizen lawsuit, Medicare beneficiary complaint, 197-198
- Contraceptives: HIV, STD prevention, safer sex and condoms, 277
- Contracts: AMA model, for managed care, 84-85; exclusive personalized services, 153-156; Medicare participation options, 145; retainer practices, 153-156; risk arrangement incentives and limiting appropriate care, 284-285
- Convention Committee on Rules and Credentials, see Rules and Credentials, Convention Committee on Corporate Relationships, see Commerce
- Cost Control: appropriate, cost-effective care and health resource use, 278;
- Control: prescription drugs for senior citizens, 271
- Councils and Committees - AMA, see also names of specific councils and committees, e.g., Medical Education, Council on: members listed, 288-289
- County Medical Societies, see Societies - Medical - State and County
- Courtesy - Professional: 269
- CPT, see Current Procedural Terminology
- Credentialing: OIG ruling on exclusivity in, 273; physician reimbursement before completing process, 278; physicians' medical information privacy, 71-74; uniform health plan application, 277
- Credentials Committee, see Rules and Credentials, Convention Committee on
- Critical Care: Medicare payment for, 189-192
- Crossing the Quality Chasm*: 103-111
- Cultural Competence, see Language
- Current Procedural Terminology: clinical examples of E&M services, 281; inappropriate bundling, 80-87; modifier process, 84
- Curry, John J.: Medical Executive Achievement Award, 2
- Data - Identity, see Privacy
- Databases, see Internet
- Death, see Terminal Care
- Delegates, see House of Delegates
- Delivery of Health Care, see Health Care Delivery
- Denials of Claims, see Fees and Reimbursement; Insurance - Health - Benefits and Coverage
- Dermatitis - Atopic: 224-225
- Dermatology: fair payment for separate services, 80-87
- DeSonier, Keith: welcoming remarks, 1
- Devices - Medical, see Equipment - Medical
- DHHS, see US Health and Human Services Department
- Disabilities: Medicaid spend-down eligibility criteria, 173-176; physicians' medical information privacy, 71-74; standardization of forms for, 66-68
- Disasters: hospital bed availability for mass casualties, 64-65; liability immunity, volunteers during state/national emergencies, 283
- Discrimination: eliminating minority health care disparities, 274; individual purchasers of health insurance, 275; sexual orientation and STD prevention, 277
- Disparities in Health Care, see Discrimination; Minority Groups

- Distinguished Service Award: David W. Furnas, 2
 Doctor William Beaumont Award in Medicine: Eric J. Topol, 2
- Drugs, see also Immunization: direct-to-consumer prescription advertising, 284; FDA fast track for incurable disease treatments, 271; federal regulation and educational or research opportunities, 286; generic, prescription costs for senior citizens, 271; Medicare prescription benefit, 287; pharmaceutical shortage reporting, 275; planned cessation of manufacture, 275; preferred medications in drug formularies, 285; prescription costs for senior citizens, 271; safety and efficacy for children (pediatric rule), 275; veterans' prescription benefits, 271-272
- E&M (Evaluation and Management) Codes, see Current Procedural Terminology
- E-Mail, see Electronic Mail
- Economic Credentialing: pressure on Inspector General, 61
- Economics - Medical, see also Cost Control; Fees and Reimbursement; Medicaid; Medicare: academic health center funding, 202-207; administrative costs in insurance, 273; anti-competitive health insurance market behavior, 275; appropriate, cost-effective care and health resource use, 278; cadaveric organ donation, studying motivations, 162; care for economically disadvantaged, 119-123; health plan disclosures on reimbursement policies, 285-286; health reimbursement arrangements, 278; language interpreter services, 75-78; Medicare payment for critical care, 189-192; Medicare reimbursement for liability costs, 272; national health insurance market regulation, 275; prescription drug costs for senior citizens, 271; review of health system financing, 208-211; risk arrangement incentives and limiting appropriate care, 284-285; uncompensated care, teaching and research funding, 202-207
- Education - Medical: clinical skills assessment, 281; Clinical Skills Assessment Exam, 277; medical school tuition increases, 169-172; quality improvement goals, 106
- Education - Medical - Graduate: federal pharmaceutical regulation and educational or research opportunities, 286; funding uncompensated care, teaching and research, 202-207; J-1 visas and waivers, 87-90; Medicaid funding, 166-168
- Education - Medical - Support: Medicaid funding of GME, 166-168; medical school tuition increases, 169-172
- Elderly, see Age and Aging; Medicare
- Elections - AMA: AMA-MSS alternate delegate's direct election, 147-149
- Electronic Mail: guidelines, patients and physicians, 161-165
- E-Mail, see Electronic Mail
- Emergency Medical Services: ambulance services, 284; diversions due to hospital bed shortages, 63-65; EMTALA, regulatory and legislative developments, 114-118; liability immunity, volunteers during state/national emergencies, 283
- Emergency Medical Treatment and Active Labor Act: regulatory and legislative developments, 114-118
- Emigration and Immigration: Conrad-20, Conrad-30 program, 89; J-1 visas and waivers, 87-90
- Employee Retirement Income Security Act: care for economically disadvantaged, 122; ERISA preemption and state prompt-pay laws, 112-114
- Employer Health Insurance Plans: health reimbursement arrangements, 278
- Employment: Medicaid spend-down eligibility criteria, 173-176
- EMTALA, see Emergency Medical Treatment and Active Labor Act
- End-Stage Renal Disease Networks: 236-237, 242
- English Language Proficiency, see Language
- Equipment - Medical: FDA fast track for incurable disease treatments, 271; shortage reporting, 275
- ERISA, see Employee Retirement Income Security Act
- Error Prevention, see Patient Safety; Quality Improvement; Risk Management
- Ethical and Judicial Affairs, Council on: AMA ethics advocacy, 269; opinions, 152; reports, 153-165
