

## INDEX

- Accessibility of Health Services: advocacy for care of economically disadvantaged 382; children and HIFA demonstration waivers 378-379; closing safety-net hospitals 294-299; economically disadvantaged Americans 377; increasing 380; MSAs and coverage for dependents 377; underserved areas and scholarships, loans 377
- Accident Prevention, see also Patient Safety: seatbelt use, young drivers and passengers 388
- ACCME, see Accreditation Council for Continuing Medical Education
- Accreditation, see also Accreditation Council for Continuing Medical Education; Accreditation Council for Graduate Medical Education; Certification; Credentialing; Education - Medical - Accreditation; Joint Commission on Accreditation of Healthcare Organizations; Licensure: cost, impact of JCAHO standards 400; organization update 94-99
- Accreditation Council for Continuing Medical Education: documentation burdens of CME programs 385; enduring materials for CME 385
- Accreditation Council for Graduate Medical Education: intern and resident working hours 261-266; resident work hours and conditions 386
- Acquired Immunodeficiency Syndrome: HIV and informed consent 389; universal routine screening in pregnancy 324-339
- Adolescence, see also Children: alcohol and youth 388, 391; protection through handguns control 388; seatbelt use, young drivers and passengers 388; youth violence prevention 392
- Advance Directives: surrogate decision making 162-163
- Advertising, see also Marketing: alcohol and youth 388, 391; business practices of aestheticians 90-91; commercial screening tests without physician orders 393; direct, prescription drugs for non-professionals 381; pharmaceutical cost-benefit statements, outcomes 374
- Advocacy, see Private Sector Advocacy
- Aestheticians: 90-91
- Aetna (Insurance Company): 75
- Age and Aging, see also Medicare: pneumococcal vaccination, long-term care residents 394; senior physician AMA life membership 51
- AHRQ, see US Agency for Healthcare Research and Quality
- AIDS, see Acquired Immunodeficiency Syndrome
- Alcohol: youth and 388, 391
- Allied Health Professions, see also Nurses and Nursing; Pharmacy: histories, physicals by nonphysicians 401
- Altruism: 168
- AMA, see American Medical Association
- AMA Alliance: remarks of the president 44-46; sexual assault legislation 384
- AMA Masterfile: physicians' identity data 85-89
- AMA/Specialty Society RVS Update Committee (RUC): 133-137
- Ambulatory Care: Ambulatory Payment Classification, Outpatient Prospective Payment System 308; E&M service aggregation 60-64; histories, physicals by nonphysicians 401; limiting certified registered nurse anesthetist scope of practice 384; Medicare coding and valuation, emergency and inpatient services 59-64; outpatient prospective payment reduction 378
- AMCAS (American Medical College Application Service), see Schools - Medical
- American Academy of Family Physicians: universal routine HIV screening in pregnancy 332-333
- American Academy of Pediatrics: Health Insurance Flexibility and Accountability (HIFA) demonstration waivers 378-379; universal routine HIV screening in pregnancy 332-333
- American Accreditation HealthCare Commission: 95-96
- American College of Obstetricians and Gynecologists: universal routine HIV screening in pregnancy 332-333
- American Medical Association, see also Awards and Grants - AMA; Board of Trustees - AMA; Constitution and Bylaws - AMA; Constitution and Bylaws - Amendments; Councils and Committees - AMA; Dues - AMA; Executive Vice President - AMA; Finances - AMA; House of Delegates; Meetings - AMA; Membership - AMA; Officers - AMA; President - AMA; names of specific councils, committees and sections: administration and programs, policy consolidation 227-235; corporate relationships 228-231; corporate relationships update 143-151; governance policy consolidation 199-247; Masterfile physician information 85-89; medical response to terrorism, disasters 122-133; memorials for deceased nonphysicians 395; officials listed 405; policy consolidation on staff role 227-228; private sector advocacy 74-78; public health activities 102-103; purpose of 396; strategic planning, policy consolidation 226-227; video documentary of House of Delegates 396; World Medical Association participation 54-57
- American Medical College Application Service (AMCAS), see Schools - Medical
- American Medical Political Action Committee: members listed 406; report of board of directors 46-48

- American Psychiatric Association: mental health carveouts 101-102
- AMPAC, see American Medical Political Action Committee
- Anderson v. AMA*: 367
- Anesthesiology: conscious sedation reimbursement 401; limiting certified registered nurse anesthetist scope of practice 384
- Annual Meeting - AMA, see Meetings - AMA
- Anthrax: 141-142
- Anticoagulants: Coumadin compensation 379
- Applications Service Providers: 78
- Armed Forces: military pharmacies honoring prescription 392; peacetime military exercises, populated areas 57-59; TRICARE contract and billing 276-285
- Aspen Systems Corp.: E&M documentation, clinical examples 153-156
- Association of American Medical Colleges: mid-year, retroactive tuition increases 387; web-based application, back-up application system 387
- Athletes, see Sports
- Automobiles: seatbelt use, young drivers and passengers 388
- Autopsy: postmortem confidentiality of information 164-165; procedures on newly deceased, training purposes 163-164
- Awards and Grants - AMA: 1-2
- Ballot Mechanism, see Elections - AMA
- Beauty Spas: 90-91
- Bioethics, see Ethics - Medical
- Biological Weapons: World Medical Association policy 56
- Biotechnology: genetic-based 320-323
- Bioterrorism, see Terrorism; Violence
- Birth Control: oral contraceptives, post-fertilization effects 389
- Blasingame, Francis James Levi: memorial presentations 48, 370
- Blood: anticoagulants, Coumadin compensation 379; leukoreduction, red blood cells, platelets 394; stem cells 355
- Board of Trustees - AMA: AMA governance, policy consolidation 211-214; compensation information 109-111; election process 258-259; executive, closed and limited sessions 367; executive committee members 366; former trustees (ex officio, nonvoting delegates) 419; members listed 405; public member, proposed compensation 369; public member selection 255; reports 51-156; votes available to constituent organizations 396
- Boards of Health, see Public Health
- Bone Allograft Transplants: 354-355
- Budget - AMA, see Finances - AMA
- Bundling, see Fees and Reimbursement
- Bylaws - AMA, see Constitution and Bylaws - AMA; Constitution and Bylaws - Amendments
- Bylaws - Staff, see Hospitals - Medical Staff
- Cadavers, see Death

- Coding - Pharmaceutical, see Drugs
- COLA: 97
- Collins, Francis S.: Scientific Achievement Award 1

- Commerce: corporate relationships, policy consolidation 228-231; corporate relationships update 143-151; insurer, managed care market power 75-76; private sector advocacy 74-78; screening test use without physician orders 393
- Commission on Office Laboratory Accreditation, see COLA
- Committees - AMA, see Councils and Committees - AMA
- Communication Between Physicians, see Consultation and Referral
- Community Service: combatting underage drinking 388, 391; hand awareness, sanitary practices, "adopt a school" 389
- Computers, see also Internet: AMA Internet ID service 80-82, 85; applications service providers 78; digital identification ownership, control 78-82; electronic communications in medical records 397, 398; health plan complaint form 76; health web site standards 95; paperwork reduction by downloading from AMA web site 395; physicians' identity data 85-89; private sector advocacy web site 76-77; public key infrastructure: 81-82; uniform, machine readable pharmaceutical coding 392
- Confidentiality: AMA Masterfile physician information 85-89; assuring access to data 104-109; Declaration of Professional Responsibility 180-182; DNA databanks in genomic research 176-180; familial nature of genetic information 172-176; filming patients 161-162; HIPAA privacy regulation implementation 383; HIV and informed consent 389; peer review 399; peer review immunity 70-74; postmortem 164-165; privacy in health care 170-172; protected health information 109
- Conscious Sedation, see Drugs
- Consent, see Informed Consent
- The Consortium, see Physician Consortium for Performance Improvement
- Constitution and Bylaws - AMA: AMA elections 253-260
- Constitution and Bylaws - Amendments: editorial correction, Resident and Fellows Section business meeting representatives 157; medical student regions, delegate apportionment 157-159
- Constitution and Bylaws, Council on: election process 253, 259-260; reports 157-159
- Consultation and Referral: Veterans Administration system, physician communications 399
- Consumers: continuity of care 398; price disadvantages for self-paying patients 285-294; transition to individually selected, owned insurance 285-294
- Continuing Medical Education, see Education - Medical - Continuing
- Contraceptives: oral, post-fertilization effects 389
- Contracts: abusive practices, managed care 75; Aetna "all products" provisions 75; capitation guide 77; continuity of care 398; discounts to self-paying patients 286-287; model, managed care 312; special, with patients for non-medical services 375; suppressing publication of valid research 374; TRICARE 276-285
- Convention Committee on Rules and Credentials, see Rules and Credentials, Convention Committee on
- Convention on the Elimination of All Forms of Discrimination Against Women: 111-113
- Corlin, Richard F.: address 4-7
- Corneal Transplants: 354
- Corporate Relationships: 143-151, 228-231
- Cost Control: cost, impact of JCAHO standards 400; discounts to self-paying patients 286-287; Medicare conversion factor 376; Medicare outpatient prospective payment reduction 378; mid-year, retroactive tuition increases 387; pharmaceutical cost-benefit statements, outcomes 374
- Coumadin: 379
- Councils and Committees - AMA, see also Reference Committees; names of specific councils and committees, e.g., Long-Range Planning, Council on: AMA governance, policy consolidation 217-219; members listed 405-406
- County Medical Societies, see Societies - Medical - State and County
- CPT, see Current Procedural Terminology
- Credentialing: economic, and hospital-imposed exclusivity 402; physician Social Security numbers 87, 89; prompt, by managed care 397; universal credentials application 399
- Credentials, Convention Committee on, see Rules and Credentials, Convention Committee on
- Credit and Collections, see Fees and Reimbursement; Insurance - Health and subheadings; Managed Care Programs
- Crime: Declaration of Professional Responsibility 180-182
- Critical Care: reimbursement 377
- Cultural Discrimination, see Discrimination
- Current Procedural Terminology: adequate, specific codes in claims rejections 398; bundling, correct coding 398; conscious sedation reimbursement 401; E&M documentation, clinical examples 153-156; E&M service aggregation 60-64; editorial panel representation 400; EMTALA tracking code and uncompensated care 403; inappropriate bundling of services 308-314; Medicare coding and valuation, emergency and inpatient services 59-64; modifiers and third-party Medicare RBRVS use 401; preserving five levels of E&M services 400; RUC recommendations 137; simplified examples of E&M documentation 402
- Cystic Fibrosis: 351-352

- Data Collection: access to data 104-109; AMA Masterfile physician information 85-89; DNA databanks in genomic research 176-180; prescribing information 83-85; protected health information 109
- Data Confidentiality, see Confidentiality
- Davies, A. Robert: memorial resolution 370-371
- DC General Hospital: 296-299
- Deafness: sign language interpreter reimbursement 380
- Death, see also Terminal Care: cadaveric organ donation financial incentives 166-170; postmortem confidentiality of information 164-165; procedures on newly deceased, training purposes 163-164
- Decision Making: cadaveric organ donation financial incentives 166-170; domestic partner benefits, rights 375; surrogate 162-163
