Confirmation information

A confirmation letter and receipt will be e-mailed to each attendee. If you have not received a confirmation confirming attendance within one month of registering, please send an e-mail to: desiree.evans@ama-assn.org to request another copy. To get the latest updates on the tentative Symposium agenda, please visit the Symposium website.

Special needs

The AMA will ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently from other individuals because of the absence of auxiliary aids or services. If you need any of the auxiliary aids or services identified in the Americans with Disabilities Act, please send your request by e-mail to: desiree.evans@ama-assn.org. The deadline to receive your request is: Friday, Nov. 4, 2011.

Extras

Included in the symposium registration fee are the following complimentary products valued at more than \$300:

- *CPT® 2012 Professional Edition*
- *CPT® Changes 2012: An Insider's View*
- *CMS Federal Register* featuring revisions to payment policy and RVUs for 2012 and the Medicare payment schedule in an easy-to-use Microsoft® Excel file
- Conference syllabus and lecture notes

Continuing Education Units (CEUs)

Symposium attendees are eligible to receive Continuing Education Units (CEUs) from the following organizations: American Academy of Professional Coders (AAPC) – *14 credits*, American College of Medical Coding Specialists (ACMCS) – *15 credits*, American Health Information Management Association (AHIMA) – *15 credits*, Association of Health Care Auditors and Educators (AHCAE) – *16 credits* and the Professional Association of Health Care Office Management (PAHCOM) – *14 credits*, at this three-day event. Topics, speakers, times and presentation handouts are subject to change without prior notification.

CPT® and RBRVS 2012 Annual Symposium Online Survey

Procedure for Claiming CEU credits this year:

CEU credit certificates will be electronically issued again this year for the Symposium. If you intend to claim continuing education credits at the conclusion of the symposium, please provide your e-mail address in the registration form. Provision of this information will assist us in sending you an e-mail request on the last day of the Symposium to complete an online survey regarding the 2012 Symposium. Once you have completed the online survey, you will be directed to a website where you will print your CEU certificate(s).

AMA Bookstore

Please keep in mind that you receive **discounts and show specials on all AMA products and software during the Symposium**. Stop by the AMA book and product display to learn more about our publications and view our software demonstrations!

New publications and updated editions available at the Symposium include:

- **CPT®, ICD-9-CM and HCPCS 2012 codebooks**—Available in a variety of formats and sizes.
- Check out our new, updated CPT®, ICD-9-CM and HCPCS 2012 Professional Edition products.
- **Introduction to CPT® Coding: Basic principles to learning, understanding and applying the CPT® code set**. Learn the essentials of CPT® coding with this entry-level resource that is straight from the source!
- **Principles of ICD-10-CM Coding** —Designed for both the self-learner and classroom use, this educational ICD-10-CM coding resource teaches the user how to make the correct decision when selecting diagnosis code(s) using the new coding system.
- **Principles of ICD-10-CM Coding Workbook** — Organized by ICD-10-CM codebook section, this educational resource uses real chart notes from medical records to build skill and proficiency.
- **CPT specialty codebooks**—All-in-one coding and reimbursement resources specific to multiple medical specialties.
