## A

AAA Foundation for Traffic Safety,  
Safe Driving for Mature Operators course ..... 208  
AARP Driving Safety Program ..... 208  
Accommodation and adaptation of lens of eye ..... 22  
Acute events of older drivers  
    conditions requiring counseling associated with, ..... 15  
    counseling following ..... 13  
    red flags for further assessment after ..... 11, 14–15  
Adaptive devices, vehicle ..... 36, 37, 42, 155  
Additional resources for driving safety ..... 215–217  
Administration on Aging Resource Directory for Older  
People ..... 214  
Adult protective services (APS) ..... 55  
Affective disorders ..... 163  
Alabama, licensing and reporting procedures in ..... 71  
Alaska, licensing and reporting procedures in ..... 72  
Alcohol ..... 164, 178, 179  
Alzheimer's Association ..... 43  
Policy Statement on Driving and Dementia by ..... 158  
Alzheimer's disease. See also Dementia  
    evaluation by another health professional  
    for patient with ..... 45  
    mandatory reporting of drivers with ..... 62  
    repeat driving tests for patients with ..... 157  
AMA Ethical Opinion E-2.24,  
"Impaired Drivers and Their Physicians" ..... 62  
Am I a Safe Driver? ..... 20, 203  
American Academy of Neurology recommendations ..... 157  
American Association of Motor Vehicle Administrators  
(AAMVA), study by NHTSA and ..... 189–190  
American Occupational Therapy Association (AOTA) ..... 188  
Amputation ..... 169  
Anesthesia and surgery ..... 175–176  
Angular movement vision test ..... 22  
Anterior cruciate ligament (ACL) reconstruction ..... 169  
Anterograde amnesia ..... 178  
Anticholinergics ..... 179  
Anticonvulsants ..... 180  
Antidepressants ..... 178, 180–181  
Antiemetics ..... 178, 181  
Anti-epileptic drug therapy ..... 161, 178  
Antihistamines ..... 178, 182  
Antihypertensives ..... 182  
Antiparkinsonians ..... 182  
Antipsychotics ..... 178, 182–183  
Anxiety disorders ..... 162, 163  
Aortic aneurysm ..... 171  
Area Agency on Aging ..... 211, 214

Arizona, licensing and reporting procedures in ..... 69, 73  
Arkansas, licensing and reporting procedures in ..... 74  
Arthritis ..... 168  
Assessment of driving-related skills (ADReS)  
    case study of scores on ..... 33  
    cognitive skill ..... 23–25, 34–36  
CPT codes for ..... 21, 27, 198  
    discussion of results of ..... 50  
    import of impairment in functions tested by ..... 21  
    motor and sensory function ..... 26, 36–37  
    repeat administration of ..... 38  
    score sheet for ..... 27–30  
    sequence of test administration in ..... 27  
    use of ..... 61  
    vision ..... 21–22, 27, 33–34  
Association for Driver Rehabilitation Specialists (ADED)  
    certification of DRSs by ..... 41  
    online directory of ..... 43  
    referrals to DRS by ..... 210  
Asthma ..... 173  
Atrial flutter/fibrillation ..... 152  
Atrio-ventricular (AV) block, high grade ..... 153  
Attentional functioning ..... 24  
Attention deficit disorder/  
attention deficit hyperactivity disorder ..... 162, 164  
Automatic transmission, encouraging  
use of vehicle having ..... 37, 167

## B

Barbiturates ..... 167, 178  
Benzodiazepines and other sedatives/anxiolytics ..... 178, 183  
Bipolar disorder ..... 163  
Blepharospasm ..... 149  
Blurred vision. See Visual acuity  
Brain tumor ..... 158  
Bupropion ..... 180

## C

California  
    licensing and reporting procedures in ..... 75–76  
    mandatory reporting requirements  
    of medical impairments in ..... 62  
Canadian Consensus Conference on Dementia ..... 158  
Cancer ..... 177  
Cardiac arrest ..... 153  
Cardiac surgery involving median sternotomy ..... 154  
Cardiovascular diseases ..... 151–154

Cardioverter defibrillator, internal .....	154
CarFit program.....	44
Caregiver burnout.....	51
Case study of dementia patient (Allen)	
diagnosis of Alzheimer's disease for.....	59
report of driving issues by daughter of.....	49
state notification requirements for.....	59
Case study of older driver (Clayton Phillips)	
assessment of functional capabilities of.....	19
follow-up counseling in.....	41, 49, 50, 52
observation of driving risk and existing conditions of....	11
performance on ADReS of.....	33
physician letter for driving cessation in.....	56
referral to DRS in.....	41, 44
Cataracts .....	147
Central nervous system (CNS) .....	178
Cerebrovascular disorders .....	155–156
Certified driver rehabilitation specialists (CDRSs) .....	41
Cervical movement limitations.....	168
Chronic conditions, driving safety for patients having	
formal assessment of.....	13
red flags for further assessment in.....	11
Chronic obstructive pulmonary disease (COPD) .....	173
Chronic renal failure.....	172
Civil damages, protection against.....	62
Clock Drawing Test (CDT).....	24, 27
correlation with impaired driving performance of.....	35
score sheet for.....	29
Cognitive domains.....	25
Cognitive skills	
identifying cause of decline in.....	35
tested for driving .....	23–25, 153
tested to diagnose dementia.....	157
Colorado, licensing and reporting procedures in .....	69, 77
Color detection in vision test.....	22
Color vision, defective.....	150
Compliance with driving cessation .....	63
Confidentiality issues. See Patient confidentiality	
Congestive heart failure (CHF).....	154
Connecticut, licensing and reporting procedures in ....	78–79
Contrast sensitivity.....	21
correlation with crash risk of.....	189
definition of.....	150
red flags for further assessment with.....	14
Copiloting.....	36
Counseling for patient not safe to drive .....	49–56
key points addressed in.....	49
by physicians, fulfilling duty in .....	62, 63
to prepare for driving cessation.....	157
situations requiring additional .....	53–55, 146
by social worker.....	54
CPT codes for driver assessment and counseling .....	197–198
in functional abilities testing of ADReS.....	21, 27, 198
new .....	198
for preventive medicine services.....	197
Crash risk	
cardiac disease and .....	151

contrast sensitivity correlated with.....	189
detection of impairment correlated with .....	24
increases in, physical frailty and.....	26
medications associated with.....	167, 178
musculoskeletal disorders correlated with.....	167
visual testing and.....	33, 69

## D

Deep vein thrombosis (DVT).....	171
Delaware	
licensing and reporting procedures in .....	80
mandatory reporting requirements of	
medical impairments in.....	62
Dementia. See also Alzheimer's disease	
cessation of driving by patient having .....	36, 159
cognition affected by .....	26
correlation with impaired driving performance	
of degenerative .....	35
detection of.....	35
incidence of .....	36
family involvement in deciding risk level from .....	158
lack of decision-making capacity in.....	54, 157
test results of patients with.....	35, 157
Department of Motor Vehicles (DMV)	
driving assessment by .....	45
form for reporting medical condition(s) to.....	63
physician reporting requirements for .....	52, 59, 189
self-reporting of impairment to .....	52
state laws for driving safety of .....	20
Depression.....	163
discussing symptoms of.....	54
questions to assess.....	54
signs of.....	52
Depth perception vision test .....	22
