

Is your health system on the list?

130 health systems. 380,000+ physicians. 35 states. One goal: Increase joy in medicine. The Joy in Medicine® Health System Recognition Program is part of the AMA's ongoing work to reduce physician burnout by removing burdens that interfere with patient care.

Download our *2024 AMA Joy in Medicine®* magazine to see if your organization is part of this prestigious group currently recognized for their dedication to physician well-being.
