Healthcare Common Procedure Coding System (HCPCS)

In addition to being the source for CPT® and related medical coding products and services, the AMA provides current, authoritative information based on the Healthcare Common Procedure Coding System (HCPCS).

**HCPCS—special announcements and reports**

Information included in the HCPCS Quarterly Update is based on the HCPCS. It is designed to be a current, authoritative source regarding HCPCS codes and every reasonable effort has been made to ensure the accuracy and completeness of the codes, symbols and illustrations. However, the American Medical Association makes no guarantee, warranty or representation that this compilation is accurate, complete or without errors.

It is understood that the American Medical Association is not rendering any legal or other professional services or advice in providing these codes and that the AMA bears no liability for any results or consequences which may arise from the use of this information.
