IMGS leadership opportunities

IMGS Governing Council vacancies

The governing council is responsible for directing the programs and activities of the section. Members involvement includes attending the Annual Meeting of the House of Delegates in June and Interim Meeting of the House of Delegates in November. Governing council members are also required to participate on periodic teleconferences.

There will be two regular vacancies for the 2021 election year plus the resident position. The governing council member position carries a three-year term. The resident position is for a two-year term.

You must be an AMA member to run in the IMGS Governing Council election.
