

## Molecular Pathology Tier 2 Codes

---

The CPT® Editorial Panel has approved the early release of the most recently approved Molecular Pathology Tier 2 codes (PDF, **updated Sept. 30, 2022**).

All published changes provided as an early release of these codes are not intended to take effect until the dates listed on this page.

### Molecular Pathology Tier 2 codes

#### Panel Meeting Approval: February

- Publication date: April 1
- Effective date: July 1

#### Panel Meeting Approval: May

- Publication date: July 1
- Effective date: Oct. 1

#### Panel Meeting Approval: September/October

- Publication date: Oct. 1\*
- Effective date: Jan. 1

As for all other CPT codes, inclusion of a descriptor and its associated code number does not represent endorsement by the AMA of any particular diagnostic or therapeutic procedure or service. Inclusion or exclusion of a procedure or service does not imply any health insurance coverage or reimbursement policy.

\*Note that the release date may be delayed by several days due to the timing of the CPT Panel fall meeting.
