

APS June 2021 Meeting agenda & resources

June 6 | 10:30 a.m.–2 p.m.

The APS June 2021 Meeting was held on a virtual platform. All times are Central.

All sections plenary session: Transforming health care for a post-pandemic world

June 5: 9–10:15 a.m.

As more people are vaccinated and our communities reopen, we can all start to wonder how health care will change after the pandemic ends. Join us on June 5 for a discussion with Shantanu Nundy, MD, author of “Care After COVID: What the Pandemic Revealed Is Broken in Healthcare and How to Reinvent It,” and a panel of AMA experts as we explore what health care advocacy, equity, innovation and outcomes will look like in our post-pandemic world.

Section meeting registrants will automatically receive an email with a Zoom link to join the plenary session. If you did not receive an email with your Zoom link, please register now.

AMA code of conduct and anti-harassment policy

Review the AMA Code of Conduct for ensuring professional and ethical behavior at AMA events and functions, and the association's zero tolerance for any type of harassing conduct.

Resolution submission

Contribute to APS policymaking efforts by submitting a resolution for consideration at the 2021 APS June meeting. The resolution submission deadline was April 26. Direct any questions to fred.lenhoff@ama-assn.org.

New to the policy-making process? Access our education module, "How AMA Policy is Made," and learn how APS members influence the AMA's policymaking efforts.

Become an APS member

While any AMA member may attend APS meetings, only APS members are permitted to make motions, vote and so forth. Additionally, with APS membership you can:

- | Play a role in AMA policy development related to undergraduate, graduate and continuing

medical education

| Take part in relevant educational sessions

| Network with academic physician colleagues nationwide

| Join your fellow AMA-member deans and faculty from a wide range of medical schools, graduate medical education programs and academic health systems nationwide and take advantage of professional development and leadership opportunities both within the AMA and in medical education accreditation and certification bodies.

Email fred.lenhoff@ama-assn.org to learn more and request the membership application form.

Education sessions

Sunday, June 6

11:30 a.m.–12:45 p.m. Central

African, Black and Caribbean voices: Patient narratives as a means to counter racism and unconscious bias in medicine

Join the AMA Academic Physicians Section (APS) and the Minority Affairs Section (MAS) for a live session to explore narratives from underserved populations, in particular African, Black and Caribbean patients, demonstrating their experiences of systemic racism, bias, prejudice and stereotyping in their interactions with the health care system.

Academic physicians and all others interested in progress towards health equity will gain insights into improving trust within the patient-physician relationship and expanding individual stories to actions combating health disparities at the systemic level.
