Health and safety protocols

We continue to plan an in-person event at the Hyatt Regency Chicago, subject to CDC and local restrictions related to the ever-changing pandemic. Rest assured that we intend to implement protocols to ensure the health and safety of all participants. Although we hope that it does not become necessary, we are also making contingency plans for a potential pivot to a virtual meeting. More information will be provided as it becomes available.

Travel, hotel and child care

Visit the travel, hotel and child care page to reserve a room, book a flight, find out about child care and more.
