

## 10 most-viewed neurology residency programs

---

### 2021 FREIDA™ data

In 2021, FREIDA™ users have tallied more than 200,000 views of neurology residency programs. In this list, we pare the list of 169 neurology residencies down to the 10 neurology residency programs ranked at the top for user interest.

Rankings are based on identified medical student activity on FREIDA™, the AMA Residency & Fellowship Database®, from Jan. 1-Dec. 31, 2021. FREIDA allows medical students to search for a residency or fellowship from more than 12,000 programs—all accredited by the Accreditation Council for Graduate Medical Education.

### Specialty description

A neurologist is a medical doctor with specialized training in diagnosing, treating and managing disorders of the brain and nervous system including Alzheimer's disease, headache/migraine, stroke, epilepsy, Parkinson's disease, concussion/brain injury, autism, and hundreds more.
