Most popular medical residency programs in Puerto Rico

2021 FREIDA™ data

This past year, FREIDA™ users tallied more than 8.5 million views of medical residency programs, sorting the options with numerous filters. The most-used filter narrows residency programs by state.

Drawn from more than 28,000 pageviews of the 43 Puerto Rico residency programs, we share the 15 programs that were most viewed by FREIDA™ users looking for details about Puerto Rico residencies.

For another unique view of which programs are capturing the attention of your peers, check out our list of the 20 most-viewed residency specialties.

Rankings are based on user activity on FREIDA™ from Jan. 1–Dec. 31, 2021. To qualify for this analysis, users must have searched by specialty and applied a state or region filter. FREIDA™, the AMA Residency & Fellowship Database®, allows medical students to search for a residency or fellowship from more than 12,000 programs—all accredited by the Accreditation Council for Graduate Medical Education.
