

## Most popular medical residency programs in Georgia

---

### 2021 FREIDA™ data

This past year, FREIDA™ users have tallied more than 8.5 million views of medical residency programs, sorting the options with numerous filters. The most-used filter narrows residency programs by state.

Drawn from more than 200,000 pageviews of the 122 Georgia residency programs, we share the 15 programs that were most viewed by FREIDA™ users looking for details about Georgia residencies.

For another unique view of which programs are capturing the attention of your peers, check out our list of the [20 most-viewed residency specialties](#).

Rankings are based on user activity on FREIDA™ from Jan. 1–Dec. 31, 2021. To qualify for this analysis, users must have searched by specialty and applied a state or region filter. FREIDA™, the AMA Residency & Fellowship Database®, allows medical students to search for a residency or fellowship from more than 12,000 programs—all accredited by the Accreditation Council for Graduate Medical Education.
