Most popular medical residency programs in Mississippi

In 2019 so far, FREIDA™ users have tallied more than 3.5 million views of medical residency programs, sorting the options with numerous filters. The most-used filter narrows residency programs by state.

Drawn from more than 12,000 pageviews of the 34 Mississippi residency programs, we share the 15 programs that were most viewed by FREIDA™ users looking for details about Mississippi residencies.

For another unique view of which programs are capturing the attention of your peers, check out our list of the 20 most-viewed residency specialties.

Rankings are based on user activity on FREIDA™ from Jan. 1–Sept. 30, 2019. To qualify for this analysis, users must have searched by specialty and applied a state or region filter. FREIDA™, the AMA Residency & Fellowship Database®, allows medical students to search for a residency or fellowship from more than 11,000 programs—all accredited by the Accreditation Council for Graduate Medical Education.
