HEROES Act: What physicians and medical students need to know

The AMA provides a summary of the "Health and Economic Recovery Omnibus Emergency Solutions Act" (HEROES Act). The HEROES Act is the next proposed coronavirus relief fund package offering assistance to state and local governments, hazard pay for front-line health care workers, forgiveness of student debt and increased funding to providers who lost revenue and provide Medicaid and Medicare services during the COVID-19 public health emergency.

H.R. 6800, the “Health and Economic Recovery Omnibus Emergency Solutions Act” (HEROES Act) health care highlights

For complete descriptions of each provision in the HEROES Act, download the AMA highlights of the H.R. 6800, the “Health and Economic Recovery Omnibus Emergency Solutions Act” (HEROES Act) (PDF).

- Use of relief funds

988 Suicide & Crisis Lifeline

With an increased number of people reporting worsening mental health in recent years, it is imperative that people are aware of the 988 Suicide & Crisis Lifeline (formerly known as the National Suicide Prevention Lifeline) telephone program.

People experiencing a suicidal, substance use, and/or mental health crisis, or any other kind of emotional distress can call, chat or text 988, and speak to trained crisis counselors. The national hotline is available 24 hours a day, 7 days a week.

The previous National Suicide Prevention Lifeline phone number (1-800-273-8255) will continue to be operational and route calls to 988 indefinitely.
