

AMA Ambassadors events

AMA Ambassador events are a mixture of social and educational events. These events are part of the AMA Ambassador Virtual Boot Camp series which strives to produce the most knowledgeable ambassadors possible. Boot camp content is delivered live by AMA subject matter experts and some sessions will be recorded for asynchronous viewing.

Registration

All events are at Central time unless otherwise indicated. To register for a session, follow the instructions related to the specific session that you wish to attend. If you have questions or future topic suggestions, email the Ambassador Program staff at ambassadors@ama-assn.org.

Health Care & Climate Change: Prioritizing Health Equity

8 p.m.

Join us as our panel and moderators discuss health equity and what attendees can do at the practice, local and health system levels to improve health outcomes that result from the climate crisis. The program will examine the issue through the lens of medical practice/medical services and how the climate crisis has an impact on health outcomes. Attendees will leave the program equipped and educated on being trusted messengers that link climate crisis with health outcomes and health inequities.

Advance registration is required.
