Boot camp content is delivered live by AMA subject matter experts and some sessions will be recorded for asynchronous viewing.

Ambassador Recovery Room

7:30 p.m.

Have questions about our community platforms? Want to connect with other Ambassadors? If you answered “yes,” you are invited to attend our next Ambassador Recovery Room. We created a safe space for ambassadors to ask questions in a smaller group setting, provide feedback to staff and learn more about the perks of being an AMA Ambassador and get to know other ambassadors, leaders and staff.

RSVP at ambassadors@ama-assn.org. You will receive a calendar appointment with the Zoom link.

National Health Equity Grand Rounds: Breaking Down the Ivory Tower
1-2:30 p.m.

Speakers will challenge the audience to address academic elitism in health education, reimagining an educational system that supports all students and trainees as they learn to care for a diverse patient population. Within the context of the historical and contemporary forces that have shaped the current medical workforce landscape in the U.S., our speakers will elevate strategies for addressing the long-standing underrepresentation of historically excluded populations in clinical programs. CME available.

Visit the "Breaking Down the Ivory Tower" page for registration and additional information on the event.
