

Proceedings of the November 2020 Special Meeting of the House of Delegates

The Proceedings of the American Medical Association's November 2020 Special Meeting of the House of Delegates are posted in sections as they become available. The Proceedings are not official until approved by the House of Delegates at the 2021 Annual Meeting and are subject to correction until that time. Corrections may be sent to hod@ama-assn.org.

For ease of use, the Proceedings have been split into separate files rather than compiled into a single large file. If you know the report or resolution that you are looking for, simply open the appropriate file using your PDF reader software. If you need to search, you can use the search function in your software or the Table of Contents and Index (when they become available).
