Telehealth Immersion Program: Events

Measuring the value of virtual care panel discussion

Description: The explosion of telehealth throughout the COVID-19 pandemic has exacerbated the need to assess the impact of telehealth to ensure continued access for patients and physicians. Join this virtual discussion to learn more about the AMA Return on Health (ROH) research, discuss the framework and how to use it and talk with experts from across the industry about how they are measuring the value of virtual care in their own environments.

Join the discussion on the Physician Innovation Network.

Telehealth Immersion Program Mini-boot camp: What's next for telehealth?

Dec. 7, 2021, 5-7 p.m. Eastern

Description: This interactive session will provide participants with a recap of the 2021 Telehealth Immersion Program, highlight physician and practice wins, and provide an overview of the telehealth landscape for the future, including key policy changes for 2022.
