Dale Okorodudu, MD, on the need for more Black men in medicine

AMA’s Moving Medicine video series amplifies physician voices and highlights developments and achievements throughout medicine.

Featured topic and speakers

In today’s episode of Moving Medicine, in recognition of Juneteenth, the AMA talks with physician and social entrepreneur, Dale Okorodudu, MD, about “Black Men in White Coats,” a collaborative effort that seeks to increase the number of Black men in the field of medicine through exposure, inspiration and mentoring.
