

## Women in Medicine Month social media kit

---

The annual AMA Women in Medicine Month:

- Serves as a platform to showcase the accomplishments of the #WomenofAMA and all women physicians, residents and medical students
- Highlights advocacy needs related to professional concerns of women physicians and health issues impacting women patients
- Brings visibility to the AMA and the work of the Women Physicians Section

This year's theme, "Women in Medicine: Advancing Equity, Building on Change" celebrates women physicians, residents and students throughout the month of September.
