Women in Medicine Month social media kit

Celebrate and support Women in Medicine through your social media channels:

- Showcase the accomplishments of the #WomenofAMA and all women physicians and medical students
- Highlight advocacy needs related to the professional concerns of women physicians and health issues impacting women patients
- Share the important work of the AMA and the Women Physicians Section

Sample social media posts

Use these sample messages and images, along with the hashtags #WIMMonth and #WomenofAMA, on your own social media channels to honor women in medicine this September.

This September we recognize all the women physicians, residents, and #medstudents working to make health care more equitable. Join me in honoring these trailblazers during #WIMMonth. Get involved: https://www.ama-assn.org/women-medicine-month #WomenofAMA

From clinics to classrooms, women physicians, residents, and #medstudents lead with purpose and inspire those around them every day. Join me in honoring women in medicine this September during #WIMMonth. https://www.ama-assn.org/women-medicine-month #WomenofAMA

Happy Women in Medicine Month. Join me in showcasing the dedication of women in the medical field. https://www.ama-assn.org/women-medicine-month #WIMMonth #WomenofAMA
