COVID-19 (2019 novel coronavirus) resource center for physicians

The AMA and Centers for Disease Control and Prevention (CDC) continue to closely monitor COVID-19 (2019 novel coronavirus) developments. Stay informed and updated with the AMA.

Upcoming event

- Dec. 13, noon CT: Project Firstline Infection Control Virtual Town Hall. Get your questions answered on respiratory syncytial virus (RSV), flu, rhinovirus, SARS CoV-2 and more.

COVID-19 news

- Dec. 7: Andrea Garcia, JD, MPH, AMA vice president of science, medicine and public health, covers the latest news on coronavirus.
- Nov. 29: Garcia looks at RSV, flu trends plus COVID predictions.
- Nov. 21: Jonas Schluter, PhD, assistant professor at the Institute for Systems Genetics and Department for Microbiology, and Ken Cadwell, PhD, the Recanati Family Professor of Microbiology at NYU Langone Health in New York, share findings from their study on the impacts of COVID infection on gut health.
