Succeeding in medical school

The AMA is your powerful ally from the classroom to Match, through residency and beyond. Through tireless advocacy, meaningful connections and valuable resources, we are helping reshape our health care system to better take care of medical students like you.

Navigate test prep and changes to USMLE and COMLEX with confidence, build a standout CV with over 1,000 student leadership positions and maintain your well-being throughout medical school with the AMA.

Preparing for exams

Don’t stress. Learn more about prepping for exams—what to expect, how to study and more.
Advocating on priority issues

AMA provides opportunities to develop your skills and advocate for patients and the profession. The AMA Medical Student Advocacy Conference (MAC) is a yearly event for medical students to:

- Learn how to be a successful public health advocate.
- Advocate for change on health policy issues that impact medicine.
- Participate in meetings with legislators on Capitol Hill.

The 2023 conference will take place March 2-3, 2023. Learn more on how to participate.

Building a strong CV

You are unique. Follow your passions, tell your story and distinguish yourself from the crowd.

Maintaining health and well-being

Healthy, happy medical students are essential to the future of medicine. We offer guidance and resources to support wellness throughout your medical school journey.
