

## AMA Medline Buying Program

---

## Save on supplies for your practice

Building a practice that can survive and flourish is no easy task. As a preferred provider of the AMA, Medline is here to support you by offering significant cost savings on 300,000+ medical, surgical and pharmaceutical supplies.<sup>1</sup>

## Program benefits

Enroll in the AMA Medline Buying Program and enjoy exclusive access to these benefits:

- Up to 20% savings on all purchases.
- Next-day delivery and low order minimums.
- Zero cost to join for AMA members.
- Medline's extensive apparel program.
- CME courses, staff training programs and patient education through Medline University.

## How to enroll

1. Verify your AMA membership status.
2. Complete an enrollment form to be connected with a Medline sales representative.<sup>2</sup>
3. If you are an existing Medline customer, please indicate your account number in the form.

---

## Disclaimers

<sup>1</sup> Certain restrictions apply. Any proposed guaranteed savings is for new Medline customers only and is based off Medline's completion of a medical supply cost and spend analysis for the member. This program cannot be combined with any other program offered by Medline and excludes Medline customers already enrolled in another current Medline program and current Medline customers part of an IDN or a GPO program. Any proposed guaranteed savings amount does not include custom items and CPT'S. Medline reserves the right to exclude certain products from this program and cost and spend analysis.

<sup>2</sup> By submitting the AMA Medline Buying Program contact form, you are voluntarily submitting your contact details to Medline Industries L.P. to be connected to a Medline sales representative.
