

2022 Annual Meeting of the HOD: May 24 Speakers' Update

Reminder: Preregistration required for all attendees

As outlined in the Speakers' Letter (PDF), health and safety considerations require everyone to preregister for the upcoming House of Delegates meeting. As of today, nearly 200 delegates and over 150 alternate delegates have not completed the registration process.

While sponsoring societies have credentialed their delegations, each individual must complete the online registration process. Seating in the House will be based on registrations, meaning that if you do not register you may not have a reserved seat or your seat may be located away from your desired location.

If you have previously registered, thank you; you do not need to register again. If you have not done so, please visit ama-assn.org/annual-meeting and follow the link for advance registration.
