

Physicians of the Future Summit—Region 6

PHYSICIANS OF THE FUTURE SUMMIT
REGION 6

Each year, the Medical Student Section regions host Physicians of the Future Summits which allow for educational programs and further discussion on leadership development relevant to each region and its membership.

Medical students will have the opportunity at the summit to learn how to grow their leadership skills and use these skills to advocate for the medical profession.

Physicians of the Future Summit-Region 6 is being held virtually Jan. 28, 2023.

Summits plenary session

All regions will convene for a joint session on Jan. 28 from noon-1:50 p.m. Central, which will be followed by separate region summits.

Summit access

Information on how to access the meeting will be posted once available.
