The Annual Meeting of the AMA House of Delegates will take place June 10-15, 2022 in Chicago.

**Advance registration**

**Advance registration online is required for all attendees of all section and House of Delegates meetings including guests and children.** This includes HOD delegates and alternate delegates. Organizations represented in the House must still submit names of delegates and alternates for credentialing.

This advanced registration includes acceptance of the health & safety protocol and the AMA Code of Conduct. Participants must register their guests and children who plan to attend any function.

- Register now for the HOD meeting
- Register now for the section meetings
