

## **Set your med student up for success with the gift of membership**

---

## GIFT MEMBERSHIP

**Put your med student at the top of the class with an AMA membership?—only \$68 for 4 years.**

The American Medical Association is here to support your medical student today and protect their future. Medical students face a lot of challenges: preparing for exams, balancing well-being and distinguishing themselves for residency, just to name a few.

If you're looking for a gift that will support your student throughout med school and provide peace of mind, give an AMA membership. The AMA's benefits promote health and wellness, provide cutting-edge research, help maximize a student's tight budget and so much more. Your student's med school experience will be a lot more fulfilling, no matter what challenges lie ahead.

Your student can enjoy:

- Leadership and training opportunities to help distinguish their residency application
- Exclusive Match resources such as FREIDA™ to search, compare and rank from more than 12,000 residency programs
- Free access to the JAMA Network™ plus discounts on everything from test prep to exercise to travel
- A critical network of others who care about advocacy and health equity—and an opportunity to turn passion into health policy

And your student **can save even more** with exclusive offers from AMA preferred providers.

Not ready to join online? Call AMA Member Service (800) 262-3211, Mon-Fri. 8 a.m. to 5 p.m. Central.

\*Includes a 4-year student membership, first year of residency membership and gift. While supplies last, offer ends Dec. 31. UWorld promotion is activated by email, and must be redeemed within 30 days of membership purchase. Additional membership options available.
