

Private Practice Simple Solutions: Support Staff Recruitment & Retention, Session Two

Webinar details

Part two of the Support Staff Recruitment & Retention session will include a panel discussion with subject matter experts on common obstacles identified from the asynchronous discussion.

Topics addressed will include how employee empowerment, importance of good culture, trusting your team to “own the process,” work/life balance, and fair compensation can all successfully play a role in the recruitment process.

Speakers

- Carol Knopke, MD, FOMA, FAAFP
- Justin Holtzman, MD, MHSA
- Roxanne Marie Tyorch, MD, FACP
- Sea Chen, MD, PhD
