Thinking more about health care reform...

I am going to read you some of the proposed changes being considered by Congress to the current health care law, also known as ObamaCare. For each one, please tell me whether you support or oppose making this change to ObamaCare or if you do not have an opinion about it one way or another.

(IF SUPPORT/OPPOSE, ASK:) And do you strongly (support/oppose) this change to ObamaCare or just somewhat (support/oppose) this change to ObamaCare?

The (first/next) proposed change to ObamaCare would...**(RANDOMIZE)**

9. Eliminate the individual mandate that requires individuals by law to have health insurance but allow health insurance companies to charge people thirty percent higher premiums for a year if they have not had continuous coverage.	19%	14%	14%	46%	6%	1%
	33%		60%			
10. Eliminate the money that the federal government pays to health insurance companies to provide lower deductibles and lower out-of-pocket health care costs for low-income people.	18%	17%	16%	36%	12%	1%
	35%		52%			
11. Eliminate the money that the federal government provides to low-income people which helps pay their monthly insurance premiums and instead offer annual tax credits ranging from two thousand to four thousand dollars a year to help people purchase health insurance.	15%	26%	13%	37%	8%	1%
	41%		50%			
12. Eliminate most of the new taxes that are part of ObamaCare such as removing the additional tax on people making more than two hundred thousand dollars a year and the additional taxes on health insurance companies and medical device manufacturers.	28%	12%	12%	38%	8%	2%
	40%		50%

13. Provide federal funding for states to cover people with pre-existing conditions through separate high-risk insurance pools.	21%	23%	12%	27%	14%	3%
	44%		39%			
14. Keep in place the protections for people with pre-existing conditions as long as they continuously maintain their health insurance coverage. If they do not have coverage for more than sixty-three days, health insurance companies would be allowed to charge people with pre-existing conditions more for their insurance.	12%	23%	11%	45%	7%	2%
	35%		56%			
15. Eliminate the one billion dollars in extra federal funding Alaska receives annually to cover more people on Medicaid, which could impact the more than one hundred and fifty thousand low-income people, working adults, and children currently covered by Medicaid.	15%	14%	15%	48%	8%	*
	29%		63%			
16. Allow health insurance to be bought across state lines so there is more competition between health insurance companies to provide more options at a cheaper cost.	64%	23%	3%	4%	6%	*
	87%		7%			
17. Change Medicaid, the program that provides health insurance coverage for low-income adults and children, from an entitlement program to a federal grant program so federal spending would be cut, but states could decide how to best use federal dollars to cover their low-income population.	22%	25%	11%	30%	10%	2%
	47%		41%			
18. Cut the federal funding ObamaCare provides to states to expand their Medicaid programs so states can provide health insurance coverage to more low-income adults who were uninsured.	15%	18%	16%	40%	10%	1%
	33%		56%

19. Provide low-income people who are dropped from the Medicaid program with money from the federal government to help pay their monthly premium so they can purchase a private health insurance plan.	17%	23%	15%	29%	14%	2%
	40%		44%			
20. Eliminate the ObamaCare requirement that all health plans sold must provide a standard set of government-established benefits, including mental health services, addiction treatment, maternity care, and that provides preventive health services with no out-of-pocket costs.	24%	14%	13%	42%	6%	1%
	38%		55%			
21. Provide low-income people with money from the federal government to purchase inexpensive health insurance plans that protect them if they have a very expensive illness or injury, but all preventive health services, routine doctor visits, tests, and minor operations would have to be paid out-of-pocket.	9%	21%	20%	37%	12%	1%
