<b>Report/Resolution</b>	<b>Title</b>	<b>House Action</b>	<b>Status</b>
RES 002-I-17	Intimate Partner Violence Policy and Immigration	Adopted.	The subject of Resolution 002-I-17 was addressed in AMA Wire on April 20, 2018 ( <a href="https://wire.ama-assn.org/ama-news/mandated-reporting-laws-may-deter-immigrants-seeking-care">https://wire.ama-assn.org/ama-news/mandated-reporting-laws-may-deter-immigrants-seeking-care</a> ).
RES 003-I-17	Revision of AMA Policy Regarding Individuals Who Exchange Sex for Money or Goods	Adopted as Amended, with Change in Title.	The AMA Policy Database has been updated.
RES 004-I-17	Tissue Handling	Adopted.	Our AMA notified all state and national medical specialty societies of its willingness to work in coordination with any interested parties to strongly oppose any proposed laws or regulations that would require the handling of fetal tissue obtained during the termination of a pregnancy differently than other tissues obtained during a medical procedure.
RES 005-I-17	Protection of Physician Freedom of Speech	Referred.	A Board of Trustees Report on this subject will be prepared for consideration by the House of Delegates at the 2018 Interim Meeting.
RES 006-I-17	Physicians' Freedom of Speech	Referred.	A Council on Ethical and Judicial Affairs report on this subject will be prepared for consideration by the House of Delegates at the 2018 Interim Meeting.
RES 007-I-17	Political Interference in the Patient-Physician Relationship	Substitute Resolution 007 Adopted in Lieu of Resolution 007, with Change in Title.	The AMA Policy Database has been updated.
RES 201-I-17	Improving FDA Expedited Approval Pathways	Referred.	A Board of Trustees Report on this subject will be prepared for consideration by the House of Delegates at the 2018 Interim Meeting.
RES 202-I-17	Sexual Assault Survivors' Rights	Adopted as Amended.	Our AMA notified all state and national medical specialty societies of its willingness to work in coordination with any interested parties and advocate for the legal protection of sexual assault survivors' rights and work with state medical societies to ensure that each state implements these rights, which include but are not limited to, the right to: (1) receive a medical forensic examination free of charge, which includes but is not limited to HIV/STD testing and treatment, pregnancy testing, treatment of injuries, and collection of forensic evidence; (2) preservation of a sexual assault evidence collection kit for at least the maximum applicable statute of limitation; (3) notification of any intended disposal of a sexual assault evidence kit with the opportunity to be granted further preservation; (4) be informed of these rights and the policies governing the sexual assault evidence kit; and (5) access to emergency contraception information and treatment for pregnancy prevention. Department of Justice is hosting listening sessions prior to establishing the Working Group referred to in the Resolution.
RES 203-I-17	Bidirectional Communication for EHR Software and Pharmacies	Resolution 203 and 205 Referred with Report Back at the 2018 Annual Meeting.	Board of Trustees Report 14 on this subject appears in the Delegates Handbook for the 2018 Annual Meeting (Reference Committee B).

<b>Report/Resolution</b>	<b>Title</b>	<b>House Action</b>	<b>Status</b>
RES 204-I-17	EHR Vendors Responsible for Health Information Technolog	Adopted as Amended.	Our AMA was successful in delaying CMS requirements that would have required physicians to adopt or upgrade their EHRs to the new 2015 Edition version. For the 2017 QPP and Meaningful Use reporting year, our AMA identified there was not a sufficient choice of EHR products that would have met the 2015 Edition certification standard. Furthermore, our AMA continues to advocate that CMS should allow physicians to continue to use the 2014 Edition, or a combination of technology, until it confirms that the 2015 Edition is readily available and equipped to facilitate physician reporting on all MIPS measures.
RES 205-I-17	Health Plan, Pharmacy, Electronic Health Records Integration	Resolution 203 and 205 Referred with Report Back at the 2018 Annual Meeting.	Board of Trustees Report 14 on this subject appears in the Delegates Handbook for the 2018 Annual Meeting (Reference Committee B).
RES 206-I-17	Defending Federal Child Nutrition Programs	Adopted as Amended.	The AMA Policy Database has been updated.
RES 207-I-17	Redistribution of Unused Prescription Drugs to Pharmaceutical Donation and Reuse Programs	Referred with Report back at the 2018 Annual Meeting.	Report 3 of the Council on Science and Public Health appears in the Delegates Handbook for the 2018 Annual Meeting (Reference Committee E).
RES 208-I-17	Increased Use of Body-Worn Cameras by Law Enforcement Officers	Referred.	A Board of Trustees Report on this subject will be prepared for consideration by the House of Delegates at the 2018 Interim Meeting.
RES 209-I-17	Government Mandated Sequester	Adopted as Amended.	Despite the opposition of our AMA, numerous physician organizations and other Medicare providers, the Medicare sequester was extended for an additional two years (2026 and 2027) as part of the Bipartisan Budget Act of 2018.
RES 210-I-17	Merit-Based Incentive Payment System and Small Practices	Current Policy Reaffirmed.	The AMA Policy Database has been updated.
RES 211-I-17	Exclusive State Control of Methadone Clinics	Referred.	A Board of Trustees Report on this subject will be prepared for consideration by the House of Delegates at the 2018 Interim Meeting.
RES 213-I-17	Barriers to Price Transparency	Policy D-155.987 Reaffirmed In Lieu of the First Resolve. Policies H-155.958 and H-380.994 Reaffirmed In Lieu of the Second Resolve. Third Resolve Referred.	Board of Trustees Report 14 on this subject appears in the Delegates Handbook for the 2018 Annual Meeting (Reference Committee B).
RES 214-I-17	APRN Compact	Adopted as Amended.	Board of Trustees Report 15 on this subject appears in the Delegates Handbook for the 2018 Annual Meeting (Reference Committee B).
RES 215-I-17	Relieve Burden for Living Organ Donors	Adopted.	The AMA Policy Database has been updated.

<b>Report/Resolution</b>	<b>Title</b>	<b>House Action</b>	<b>Status</b>
RES 216-I-17	Relationship with US Department of Health and Human Services	Adopted.	Our AMA continues to aggressively pursue a thoughtful strategy to engage key officials throughout the Department of Health and Human Services to advance policies on behalf of physicians and their patients. Our AMA has a proven track record of securing positive changes with the Executive Branch.
RES 217-I-17	Regulations Regarding Medical Tool and Instrument Repair	Adopted.	The AMA Policy Database has been updated.
RES 218-I-17	Health Information Technology Principles	Referred.	Board of Trustees Report 19 on this subject appears in the Delegates Handbook for the 2018 Annual Meeting (Reference Committee B).
RES 219-I-17	Certified EMR Companies' Practice of Charging Fees for Regulatory Compliance	Current Policy Reaffirmed.	The AMA Policy Database has been updated.
RES 220-I-17	Preserving Protections of the Americans with Disabilities Act of 1990	Adopted with Addition of Third Resolve. Policy H-90.971 Reaffirmed in Lieu of Second Resolve.	Our AMA created an educational guide that provides information about regulations that set standards for health care practices in ensuring accessibility for individuals with disabilities. The guide also outlines tactics for physicians to put in place to ensure their practices are in compliance with standards set by the ADA and other related laws. In addition, the guide provides links to external resources that offer additional valuable content for physicians and practice managers. The guide is planned for online publication in Q2 2018.
RES 221-I-17	House of Representative Bill HR 2077, Restoring the Patient's Voice Act of 2017	Current Policy Reaffirmed.	The AMA Policy Database has been updated.
RES 222-I-17	The Clinical Use of a Home Sleep Apnea Test	Adopted.	The AMA Policy Database has been updated.
RES 223-I-17	Treating Opioid Use Disorder in Correctional Facilities	Adopted as Amended.	The AMA Policy Database has been updated.
RES 224-I-17	Modernizing Privacy Regulations for Addiction Treatment Records	Adopted as Amended.	At this writing, several proposals are pending before Congress that would increase access by health care professionals to substance use disorder treatment records for the purpose of informing treatment decisions and improving coordination of care.
RES 225-I-17	Oppose Inclusion of Medicare Part B Drugs in QPP/MIPS Payment Adjustment	Adopted.	Following consultation with the Administration and a number of impacted specialties, our AMA advocated to Congress that Medicare Part B drugs should be excluded from QPP/MIPS payment adjustments. This was accomplished as part of the Bipartisan Budget Act of 2018.
RES 226-I-17	Prescription Drug Importation for Personal Use	Referred.	A Council on Medical Service Report on this subject will be prepared for consideration by the House of Delegates at the 2018 Interim Meeting.

<b>Report/Resolution</b>	<b>Title</b>	<b>House Action</b>	<b>Status</b>
RES 227-I-17	Communication and Resolution Program	Adopted as Amended.	Our AMA notified all state and national medical specialty societies of its willingness to work in coordination with any interested parties to support early Communication and Resolution Programs as a viable option to settle disputes, prior to litigation.
RES 228-I-17	Drug Discount Cards	Current Policy Reaffirmed.	The AMA Policy Database has been updated.
RES 229-I-17	Opposition to Licensing for Individuals Holding the Degree of Doctor of Medical Science	Adopted as Amended.	Our AMA notified all state and national medical specialty societies of its willingness to work in coordination with any interested parties to oppose the holders of the degree of Doctor of Medical Science from being recognized as a new category of health care practitioners licensed for the independent practice of medicine, and specifically, to oppose legislation to create a Doctor of Medical Science license.
RES 230-I-17	Oppose Physician Assistant Independent Practice	Adopted.	The AMA Policy Database has been updated.
RES 231-I-17	Electronic Prescription Cancellation	Adopted.	The AMA Policy Database has been updated.
RES 232-I-17	Presence and Enforcement Actions of Immigration and Customs Enforcement (ICE) in Healthcare	Adopted.	<p>The “Protecting Sensitive Locations Act” (S. 845/H.R. 1815) has been introduced in the current Congress. The bill would amend the Immigration and Nationality Act to provide that an immigration enforcement action by the DHS or an individual designated to perform immigration enforcement functions generally may not take place at a sensitive location. The legislation does contain an exemption for exigent circumstances, however. During consideration of this resolution, the HOD specifically rejected support for an exception for exigent circumstances. Therefore our AMA has not expressed support for the legislation.</p> <p>The subject of Resolution 232-I-17 was addressed in AMA Wire on April 25, 2018 (<a href="https://wire.ama-assn.org/ama-news/immigration-enforcement-shouldn-t-happen-health-facilities">https://wire.ama-assn.org/ama-news/immigration-enforcement-shouldn-t-happen-health-facilities</a>)</p>
RES 233-I-17	Evaluating Actions by Pharmacy Benefit Manager and Payer Policies on Patient Care	Adopted as Amended, with Change in Title.	Board of Trustees Report 17 on this subject appears in the Delegates Handbook for the 2018 Annual Meeting (Reference Committee B).

RES 234-I-17	Health Insurance Company Purchase by Pharmacy Chains	Referred for Decision.	Resolution 234-I-17, submitted by New York, called for our AMA to object to any purchase of a health insurance plan by any drug store or pharmacy, was referred to our AMA Board of Trustees for decision. The Board considered a report from management at its 2018 April Board Meeting and VOTED that in lieu of, Resolution 234-I-17, our AMA: (1) continue to analyze and identify the ramifications of the proposed CVS/Aetna or other similar merger in health insurance, pharmacy benefit manager (PBM), and retail pharmacy markets and what effects that these ramifications may have on physician practices and on patient care; (2) continue to convene and activate its AMA-state medical association and national medical specialty society coalition to coordinate CVS/Aetna-related advocacy activity; (3) communicate our AMA's concerns via written statements and testimony (if applicable) to the U.S. Department of Justice (DOJ), state attorneys general and departments of insurance; (4) work to secure state level hearings on the merger; and (5) identify and work with national antitrust and other legal and industry experts and allies.
RES 235-I-17	AMA Advocay Efforts for Emergency Medicaid Funding and Assistance - Puerto Rico	Adopted as Amended, with Change in Title.	Our AMA advocated for increased Medicaid funding for Puerto Rico and the U.S. Virgin Islands as part of supplemental funding legislation to provide relief to hurricane victims. The Bipartisan Budget Act of 2018 provided an additional \$4.8 billion in federal Medicaid spending for Puerto Rico and an additional \$143 million for the U.S. Virgin Islands through September 30, 2019. Additionally, the legislation established a temporary 100-percent federal matching rate. Our AMA was successful in urging CMS to grant hardship exceptions to MIPS-eligible physicians in areas impacted by hurricanes and wildfires.
RES 236-I-17	Preserving Tax Deductibility of Student Loan Interest Payments and High Medical Expenses	Adopted as Amended.	During consideration of the Tax Cuts and Jobs Act, our AMA advocated against provisions included in the House bill that would have eliminated deductions for student loan interest payments and high medical expenses. The final bill signed into law retained the deductibility of student loan interest payments and high medical expenses as well as reducing the threshold for the deductibility of high medical expenses to the pre-ACA level of 7.5 percent for two years.

<b>Report/Resolution</b>	<b>Title</b>	<b>House Action</b>	<b>Status</b>
RES 237-I-17	Implementation of Score Assessment for Cost Under MACRA MIPS	Referred for Decision.	Resolution 237-I-17, submitted by the American Academy of Neurology, American College of Cardiology, American College of Rheumatology, American Society of Echocardiology, American Society of Clinical Oncology, The Heart Rhythm Society, Society of Cardiovascular Angiography and Intervention called for our AMA to: (1) work with CMS to ensure sound methodologies for risk adjustment for physicians with patient populations at risk for high resource use; and (2) lobby the Congress and the federal government to expedite development of an equitable, validated patient-specific risk adjustment mechanism and not include a cost score in the Merit Based Incentive Payment System (MIPS) until such time as it can be developed, was referred to our AMA Board of Trustees for decision. The Board of Trustees considered a report from management at its February 2018 meeting and VOTED in lieu of Resolution 237-I-17 to: reaffirm existing policies H-390.837—MACRA and the Independent Practice of Medicine, H-140.872—Physician Pay-for-Performance Programs, and H-390.849—Physician Payment Reform.
RES 601-I-17	Physician Burnout and Wellness Challenges	Resolutions 601, 604 and 605 Referred with Report Back at the 2018 Annual Meeting.	Board of Trustees Report 31 on this subject appears in the Delegates Handbook for the 2018 Annual Meeting (Reference Committee G).
RES 604-I-17	Physician and Physician Assistant Safety Net	Resolutions 601, 604 and 605 Referred with Report Back at the 2018 Annual Meeting.	Board of Trustees Report 31 on this subject appears in the Delegates Handbook for the 2018 Annual Meeting (Reference Committee G).
RES 605-I-17	Identification and Reduction of Physician Demoralization	Resolutions 601, 604 and 605 Referred with Report Back at the 2018 Annual Meeting.	Board of Trustees Report 31 on this subject appears in the Delegates Handbook for the 2018 Annual Meeting (Reference Committee G).
RES 801-I-17	Chronic Care Management Payment for Patients Also on Home Health	Adopted as Amended.	The AMA Policy Database has been updated.
RES 802-I-17	Opposition to Medicaid Work Requirements	Adopted.	The AMA Policy Database has been updated.
RES 803-I-17	Air Ambulance Regulations and Reimbursements	Adopted.	A Council on Medical Service Report on this subject will be prepared for consideration by the House of Delegates at the 2018 Interim Meeting.
RES 804-I-17	Prior Authorization	Current Policy Reaffirmed.	The AMA Policy Database has been updated.
RES 805-I-17	A Dual System for Universal Health Care in the United States	Policies H-165.838 and H-165.920 Reaffirmed in lieu of Resolution 805.	The AMA Policy Database has been updated.

<b>Report/Resolution</b>	<b>Title</b>	<b>House Action</b>	<b>Status</b>
RES 806-I-17	Mandate Transparency by Pharmacy Benefit Managers	Substitute Resolution 806 Adopted in Lieu of Resolutions 806, 810, and 823.	A Board of Trustees Report on this subject will be prepared for consideration by the House of Delegates at the 2018 Interim Meeting. Further, our AMA continues its efforts with the National Association of Insurance Commissioners in addressing the development and management of pharmacy benefits. Further, our AMA Council on Legislation developed and our AMA Board of Trustees approved model state legislation on the development and management of pharmacy benefits specifically prohibiting “clawbacks” and standard gag clauses in pharmacy-PBM contracts that bar pharmacists from telling consumers about less-expensive options (e.g. not using insurance).
RES 807-I-17	Structural Barriers to Achieving Better Health Care Efficiency and Outcomes: ACOs and Physician Employment by Hospitals	Current Policy Reaffirmed.	The AMA Policy Database has been updated.
RES 808-I-17	Opposition to Reduced Payment for the 25 Modifier	Substitute Resolution 808 Adopted as Amended in Lieu of Resolution 808.	Following two in-person meetings with our AMA, Anthem announced in February 2018 that it would not implement its planned Modifier 25 payment reduction policy. We continue to offer resources, advice, and support to state medical associations and national medical specialty societies advocating against similar Modifier 25 payment reduction policies implemented by local/regional health plans.
RES 809-I-17	Expansion of Network Adequacy Policy	Adopted as Amended.	The AMA Policy Database has been updated.
RES 810-I-17	Pharmacy Benefit Managers and Prescription Drug Affordability	Substitute Resolution 806 Adopted in Lieu of Resolutions 806, 810, and 823.	A Board of Trustees Report on this subject will be prepared for consideration by the House of Delegates at the 2018 Interim Meeting. Further, our AMA continues its efforts with the National Association of Insurance Commissioners in addressing the development and management of pharmacy benefits. Further, our AMA Council on Legislation developed and our AMA Board of Trustees approved model state legislation on the development and management of pharmacy benefits specifically prohibiting “clawbacks” and standard gag clauses in pharmacy-PBM contracts that bar pharmacists from telling consumers about less-expensive options (e.g. not using insurance).
RES 811-I-17	Update OBRA Nursing Facility Preadmission Screening Requirements	Adopted.	There are no bills introduced in the current Congress that would revise the Preadmission Screening and Resident Review (PASRR) Programs requirement for nursing facility placement. Our AMA continues to seek opportunities to revise these requirements to provide more consistent enactment among states and to allow more reasonable and cost-effective approaches to the mandatory screening process.

<b>Report/Resolution</b>	<b>Title</b>	<b>House Action</b>	<b>Status</b>
RES 812-I-17	Medicare Coverage of Services Provided by Proctored Medical Students	Referred with Report Back at the 2018 Annual Meeting.	Board of Trustees Report 40 on this subject appears in the Delegates Handbook for the 2018 Annual Meeting (Reference Committee A).
RES 813-I-17	Sustain Patient-Centered Medical Home Practices	Referred.	A Council on Medical Service Report on this subject will be prepared for consideration by the House of Delegates at the 2018 Interim Meeting.
RES 814-I-17	Appropriate Reimbursement for Evaluation and Management Services for Patients with Severe Mobility-Related Impairments	Adopted as Amended.	The AMA Policy Database has been updated.
RES 815-I-17	Pediatric Representation for E/M Documentation Guideline Revision	Current Policy Reaffirmed.	The AMA Policy Database has been updated.
RES 816-I-17	Social Determinants of Health in Payment Models	Referred.	A Board of Trustees Report on this subject will be prepared for consideration by the House of Delegates at the 2018 Interim Meeting.
RES 817-I-17	Addressing the Site of Service Differential	Referred with Report Back at the 2018 Annual Meeting.	Council on Medical Service Report 8 on this subject appears in the Delegates Handbook for the 2018 Annual Meeting (Informational).
RES 818-I-17	On-Call and Emergency Services Pay	Adopted.	Our AMA is revisiting its existing guidance on call coverage and EMTALA with an eye toward how medical staffs can, if they so choose, advocate for and implement models that compensate physicians for these services. Revised guidance is expected by the end
RES 819-I-17	Consultation Codes and Private Payers	Adopted.	As a result of AMA and Federation advocacy efforts, United Healthcare indefinitely delayed its planned implementation of a policy to discontinue payment for consultation codes and instead pay for these services using an evaluation and management procedure code.
RES 820-I-17	Elimination of the Laboratory 14-Day Rule Under Medicare	Adopted.	Due to AMA advocacy, Medicare finalized a proposal in December 2017 that changes the date of service policy and unbundles molecular testing from the from the OPPOS packaging policy. Our AMA supported this proposal in our comments to the Outpatient Prospective Payment System Proposed Rule.
RES 821-I-17	Hormonal Contraception as a Preventive Service	Current Policy Reaffirmed.	The AMA Policy Database has been updated.
RES 822-I-17	Elimination of All Cost-Sharing for Screening Colonoscopies	Referred with Report Back at the 2018 Annual Meeting.	A joint Council on Medical Service and Council on Science and Public Health Report on this subject appears in the Delegates Handbook for the 2018 Annual Meeting (Reference Committee A).

RES 823-I-17	Unconscionable Generic Drug Pricing	Substitute Resolution 806 Adopted in Lieu of Resolutions 806, 810, and 823.	A Board of Trustees Report on this subject will be prepared for consideration by the House of Delegates at the 2018 Interim Meeting. Further, our AMA continues its efforts with the National Association of Insurance Commissioners in addressing the development and management of pharmacy benefits. Further, our AMA Council on Legislation developed and our AMA Board of Trustees approved model state legislation on the development and management of pharmacy benefits specifically prohibiting “clawbacks” and standard gag clauses in pharmacy-PBM contracts that bar pharmacists from telling consumers about less-expensive options (e.g. not using insurance).
RES 824-I-17	Payment for Dementia Treatment in Hospitals and Other Psychiatric Facilities	Adopted as Amended.	The AMA Policy Database has been updated.
RES 825-I-17	Support for VA Health Services for Women Veterans	Adopted.	The AMA Policy Database has been updated.
RES 826-I-17	Improving Affordability of Insulin	Referred with Report Back at the 2018 Annual Meeting.	Council on Medical Service Report 7 on this subject appears in the Delegates Handbook for the 2018 Annual Meeting (Reference Committee A).
RES 827-I-17	Hospital Accreditation Programs and Medical Staffs	Adopted.	Our AMA continues its close engagement with The Joint Commission, of which the AMA is a Corporate Member. Additionally, as a starting point, our AMA is examining the current medical staff-related hospital accreditation standards of lesser-known organizations, such as DNV GL Healthcare, to determine whether these standards reflect our AMA’s vision of the role of the medical staff in improving patient care and outcomes.
RES 901-I-17	Harmful Effects of Screen Time in Children	Substitute Resolution Adopted in Lieu of Resolution 901.	The AMA Policy Database has been updated.
RES 902-I-17	Expanding Expedited Partner Therapy to Treat Trichomoniasis	Adopted as Amended.	The AMA Policy Database has been updated.
RES 903-I-17	Improving Screening and Treatment Guidelines for Domestic Violence Against Lesbian, Gay, Bisexual, Transgender, Queer/Questioning, and Other Individuals	Adopted as Amended.	A Council on Science and Public Health report on this topic will be prepared for consideration by the House of Delegates at the 2018 Interim Meeting.
RES 904-I-17	Educating Physicians About the Importance of Cervical Cancer Screening for Female-to-Male Transgender Patients	Adopted as Amended.	The AMA Policy Database has been updated.

<b>Report/Resolution</b>	<b>Title</b>	<b>House Action</b>	<b>Status</b>
RES 905-I-17	Addressing Social Media Usage and its Negative Impacts on Mental Health	Adopted as Amended.	The AMA Policy Database has been updated.
RES 906-I-17	Opioid Abuse in Breastfeeding Mothers	Adopted as Amended with Change in Title.	The AMA Policy Database has been updated.
RES 907-I-17	Addressing Healthcare Needs of Foster Children	Adopted as Amended with Change in Title.	The AMA Policy Database has been updated.
RES 908-I-17	Updating Energy Policy and Extraction Regulations to Promote Public Health and Sustainability	Adopted as Amended.	The AMA Policy Database has been updated.
RES 909-I-17	Expanding Naloxone Programs	Adopted as Amended.	The United States Surgeon General issued an advisory on April 5th encouraging expanded use of naloxone -- a move promptly backed by FDA Commissioner Scott Gottlieb, who also announced efforts to move drug makers along the path of seeking approval of over-the-counter versions of the product.
RES 910-I-17	Improving Treatment and Diagnosis of Maternal Depression Through Screening and State-Based Care Coordination	Adopted.	The AMA Policy Database has been updated.
RES 911-I-17	State Maternal Mortality Review Committees	Adopted.	The AMA Policy Database has been updated.
RES 912-I-17	Corrective Statements Ordered to be Published by Tobacco Companies for the Violation of the Racketeer Influenced and Corrupt Organizations Act	Adopted as Amended.	Our AMA notified all state and national medical specialty societies of its willingness to work in coordination with any interested parties to collaborate to help educate the public and policymakers about the tobacco companies' organized conspiracy to commit fraud leading to the federal court verdict finding them in violation of the Racketeer Influenced and Corrupt Organization Act (RICO) and resulting in the corrective statements as ordered by the US Court of Appeals in United States v. Philip Morris. Our AMA also encouraged state and national medical specialty societies to work with appropriate public health organizations in their states to help identify public policies that may have been directly or indirectly – influenced by tobacco companies or their lobbyists and encourage lawmakers to remediate all such influences, to reject any potential tobacco industry influences in the future, and to formally censure the tobacco companies for their fraudulent and harmful behavior.
