

The “CrowdCompassAttendeeHub” Mobile App - FAQ

I have the 2017 Annual Meeting mobile app “AMA Events” still on my device. Can I use it?

Our previous 2017 Annual Meeting app (“AMA Events”) is no longer supported and does not contain information for the 2018 Annual Meeting. You will need to delete this app from your device (to avoid confusion) and download our current mobile app: CrowdCompass AttendeeHub

Important Note: If you attended the 2017 Interim Meeting in Hawaii and have the CrowdCompass AttendeeHub app you will NOT need to delete it. The CrowdCompass AttendeeHub app is the current and correct app. You will just need to open the app and search for the current event: 2018 AMA Annual Meeting

Where can I download the mobile app?

Go to the correct store for your device type. Access the App Store on iOS devices and the Play Store on Android.

Install the app. Search for CrowdCompass AttendeeHub. Once you have found the app, tap either Download or Install. After installing, a new icon will appear on your home screen.

AttendeeHub

If you're using a Blackberry or Windows phone, skip these steps. You'll need to use the web version of the app found here: <https://event.crowdcompass.com/ama2018>
