## Assuring Safe and Effective Care for Patients by Senior/Late Career Physicians D-275.956

**Topic:** Licensure and Discipline **Policy Subtopic:** NA

**Meeting Type:** Annual **Year Last Modified:** 2015

**Action:** NA **Type:** Annual

**Council & Committees:** Council on Medical Education

Our American Medical Association: (1) will identify organizations that should participate in the development of guidelines and methods of screening and assessment to assure that senior/late career physicians remain able to provide safe and effective care for patients; and

(2) will convene organizations identified by the AMA to work together to develop preliminary guidelines for assessment of the senior/late career physician and develop a research agenda that could guide those interested in this field and serve as the basis for guidelines more grounded in research findings.
