Young physicians from across the country discussed priority issues and worked on shaping AMA policy during this year's AMA-YPS Annual Assembly meeting.

AMA-YPS Assembly Meeting

After reviewing the House of Delegates handbook, the AMA-YPS Assembly identified items of particular relevance to the section and developed testimony for reference committee hearings and on the House floor. Details of all YPS positions can be found on the [AMA-YPS Meeting Documents](#) page. Three AMA-YPS resolutions were considered by the AMA House of Delegates: Resolution 020, "Taking Steps to Advance Gender Equity in Medicine;" Resolution 021, "Advancing the Goal of Equal Pay for Women in Medicine;" and Resolution 320, "Young Physician Involvement in Maintenance of Certification."
