REPORT OF THE BOARD OF TRUSTEES

B of T Report 2-A-18

Subject: New Specialty Organizations Representation in the House of Delegates

Presented by: Gerald E. Harmon, MD, Chair

Referred to: Reference Committee on Amendments to Constitution and Bylaws
(Peter H. Rheinstein, MD, JD, MS, Chair)

The Board of Trustees (BOT) and the Specialty and Service Society (SSS) considered the applications of the American Rhinologic Society, American Society for Reconstructive Microsurgery, American Society of Neuroimaging, North American Neuromodulation Society, and the North American Neuro-Ophthalmology Society for national medical specialty organization representation in the American Medical Association (AMA) House of Delegates (HOD). The applications were first reviewed by the AMA SSS Rules Committee and presented to the SSS Assembly for consideration.

The applications were considered using criteria developed by the Council on Long Range Planning and Development and adopted by the HOD (Policy G-600.020). (Exhibit A)

Organizations seeking admission were asked to provide appropriate membership information to the AMA. That information was analyzed to determine AMA membership, as required under criterion 3. A summary of this information is attached to this report as Exhibit B.

In addition, organizations must submit a letter of application in a designated format. This format lists the above-mentioned guidelines followed by each organization’s explanation of how it meets each of the criteria.

Before a society is eligible for admission to the HOD, it must participate in the SSS for three years. All five organizations have actively participated in the SSS for more than three years.

RECOMMENDATION

Therefore, the Board of Trustees recommends that the American Rhinologic Society, American Society for Reconstructive Microsurgery, American Society of Neuroimaging, North American Neuromodulation Society, and the North American Neuro-Ophthalmology Society be granted representation in the AMA House of Delegates and that the remainder of the report be filed.
