No ballot shall be counted if there is more than one vote for a position. All Governing Council positions will be determined by majority vote, that is, the candidate who has received the largest number of votes shall be elected if that nominee has received a majority of the legal votes cast.

6.7.3.1. Election of Alternate Delegate. After the election of the AMA Delegate, all unsuccessful candidates who were nominated for the office of AMA Delegate may be added to the existing Alternate Delegate ballot by nomination from the floor of the Assembly. Each MSS Delegate to the Assembly Meeting who is present at the meeting may cast a written ballot for the election of the Vice Speaker from the previously declared candidates and among those so nominated. Election to the office of Vice Speaker requires a majority of the legal votes cast.

6.7.4. Runoff Election. If no candidate receives a majority of the legal votes cast or there is a tie, a runoff election will be held between the two (or more if necessary because of a tie) candidates receiving the highest number of legal votes cast.

6.7.5. Processing. No ballots will be cast after the expiration of the voting period. The ballot boxes will be collected by members of the Rules Committee. The Rules Committee and the ballot boxes will be sequestered in a private location. At this time, the Chair of the Rules Committee will open the ballot boxes and the Rules Committee will then count the ballots and tabulate the results. The candidate who has received the largest number of votes shall be elected if that nominee has received a majority of the legal votes cast. Upon completion of the tabulation, the Chair of the Rules Committee will validate the election results by determining that each ballot is official, that the number of ballots cast is equal to or less than the number distributed and will then certify the results in writing. He or she will then immediately forward these results to the Assembly's Presiding Officer. Upon receipt of the Rules Committee's election results and verification, the Presiding Officer will announce the results to the Assembly.

6.7.5.1. First Ballot. The credentialed MSS Delegate will receive one initialed ballot from a designated member of the Credentials Committee at the credentials table during the set voting period.

6.7.5.2. Runoff Election. If no candidate receives a majority of the legal votes cast or there is a tie, additional ballot(s) will be distributed by the Credentials Committee at the request of the Assembly's Presiding Officer. The candidate who receives a majority of the legal votes cast in the runoff election will be declared the winner.

6.7.6. Appeals. Appeals of the election process and results must be made in writing to the Assembly's Presiding Officer no later than one hour after the official announcement of the final results.
6.7.6.1. Any appeal of the process of ballot(s) distribution, will be considered by the Rules Committee. The results of the committee's recommendations must be forwarded in writing by the Committee Chair to the Assembly's Presiding Officer.

Any appeal of the process of ballot processing, tabulation, and announcement of results, shall be considered by the Credentials Committee. Consideration of such appeals and merits of said appeals will be determined in whatever manner the committee deems necessary. The results of the committee’s recommendations must be forwarded in writing by the Committee Chair to the Assembly’s Presiding Officer.

6.7.6.2. No person who is a candidate in the election being appealed may participate in any part of the appeals process.

6.7.6.3. The Assembly's Presiding Officer and the Governing Council will consider the appeals report(s) from the Committee(s) dealing with the matter. Final decision on the election results will be the jurisdiction of the Governing Council.
