Call for Candidates for AMA Nomination for the ACGME Review Committee for Nuclear Medicine

The AMA is soliciting AMA member candidates for nomination by the AMA Board of Trustees to serve as a member of the Accreditation Council for Graduate Medical Education Review Committee for Nuclear Medicine (ACGME RC-NUCMED).

TERM
The term of this position is 6 years, from July 1, 2019, through June 30, 2025. Review Committee members who have resigned before completion of the 6-year term cannot be appointed to another Review Committee for at least 2 years.

TIME REQUIREMENTS
Nominees must be able to devote sufficient time to the Review Committee’s work. The Review Committee for Nuclear Medicine meets two times per year for program review, usually in February and April. The duration of the meetings is 1 to 1.5 days. At times, the Committee may meet via conference call according to each meeting agenda. Review Committee members must attend all Review Committee meetings. Anticipated meeting dates for a new Review Committee member are:

- Review Committee Meeting to observe – February 8, 2019
- Two Review Committee Meetings per year – Usually during February and April

Nominees must have sufficient time to: a) review program information (an estimated 10 hours for program review assignments for each meeting); b) participate in subcommittee work (as assigned); c) review agenda items and related documents prior to the meeting, and d) travel to/attend each Review Committee meeting.
