RFS Welcome Reception
The Resident and Fellow Section (RFS), Medical Student Section (MSS) and Young Physician Section (YPS) hosted a welcome reception on Thursday June 7 where 59 first time attendees were welcomed. Members were introduced to AMA’s initiatives related to Innovation, including the Physician Innovation Network, the Integrated Health Model Initiative and Health2047. The meeting provided the opportunity to network with peers and speakers and get information about how to get involved in these initiatives. Those interested should contact RFS at rfs@ama-assn.org.

Elections
RFS elected six new members to the 2018-2019 governing council. These are:

- Gunjan Malhotra, MD, vice chair
- Eli Freiman, MD, speaker
- Laura Halpin, MD, vice speaker
- Mark Kashtan, MD, MPH, delegate
- Amar Kelkar, MD, alternate delegate
- Hunter Pattison, MD, member-at-large

Resolutions
The RFS Assembly adopted 12 resolutions across a wide variety of issues including:

1. Insurance Coverage for Additional Screening Recommended in States with Laws Requiring Notification of “Dense Breasts” on Mammogram
2. Comprehensive Breast Cancer Treatment
3. Mandating Critical Congenital Heart Defect Screening in Newborns
4. Fertility Preservation in Pediatric and Reproductive Aged Cancer Patients
5. Removal of the Food and Drug Administration Risk Evaluation and Mitigation Strategy for Mifepristone Use in Early Pregnancy Failure
6. Access to Care
7. Ownership and Sale of Medical Data
8. Coordinating Correctional and Community Healthcare
9. A Study to Evaluate Barriers to Medical School Matriculation for Students with Disabilities Awareness
10. Investigation into Residents, Fellows, and Physician Unions
11. Internal Operating Procedures Revision
12. Naming Conventions for RFS Policy

The RFS also considered three items of business that were referred:

1. Medical Technology and Artificial Intelligence: Regulation and Oversight Requirements by the Food and Drug Administration
2. Support for Deferred Action Childhood Arrivals (DACA) Medical Students and Physicians
3. Scholarly Activity by Resident and Fellow Physicians

The RFS forwarded one resolution to be considered by the House of Delegates:

- Separation of Children from their Parents at Border
