CREDENTIALING
AMA-RFS Credentialing Information

To vote in AMA-RFS elections and resolutions, you must be credentialed by the AMA-RFS Credentials Committee each day of the Assembly meeting.

SurveyMonkey will be utilized for all elections at the Annual Meeting. In order to vote, you must have a valid email address on file. Please Note: SurveyMonkey will not accept .edu email addresses.

Please follow these steps:

1. Pick up your name badge from the AMA-RFS Registration Desk located in the Hawaii Convention Center on:
   • Friday, November 10 from 7:00 - 7:30 a.m.; or
   • Saturday, November 11 from 7:00 - 7:45 a.m.

   It is imperative to arrive on time in order to obtain a quorum. The line at the desk may be long, so be sure to get there as early as possible.

2. Proceed to the AMA-RFS credentialing desk located in Center Room 311 Foyer with your registration badge and verify email address with credentials committee. The credentials committee will hand you a sticker that you must place on your badge each day. The color of the sticker will change each day that you credential.

   Credentialing will close on:
   • Friday, November 10 at 7:30 a.m.
   • Saturday, November 11 at 7:45 a.m.

   If you are not credentialed by the specified closing time, you will not be eligible to vote.

YOU MUST CREDENTIAL EACH DAY THAT YOU WISH TO OBTAIN VOTING PRIVILEGES.
ELECTIONS
ELECTION CANDIDATES SUMMARY

Candidates for Governing Council Chair:
- Moustafa O. Elsheshtawy, MD
- Colin Murphy, MD

Candidates for Council on Constitution and Bylaws:
- Abdelim M. Mostafa, MD

Candidates for Sectional Delegate:
- Ankit Agarwal, MD MBA
- Naiim Ali, MD
- Grayson Armstrong, MD MPH
- Hans Arora, MD PhD
- Eudy Bosley, MD
- Kathleen Doo, MD
- Sean Figy, MD
- Stephanie Guarino, MD
- Jason Hall, MD JD
- Laura Halpin, MD MPH
- Daisy Hassani, MD
- Mark Kashtan, MD
- Amar Kelkar, MD
- Aaron Kithcart, MD PhD
- Michael Lubrano, MD MPH
- Benjamin Meyer, MD
- Natosha Monfore, MD
- Kunj Patel, MD MSc
- Raghuvueer Puttagunta, MD
- Luke Selby, MD
- Megan Srinivas, MD MPH
- Carl Streed, MD
- Daniel Terveen, MD
- Christopher Wee, MD
- Monica Wood, MD

Candidates for Alternate Sectional Delegate:
- Laurel Bessey, MD
- Alberto Bursian, MD
- Michelle Falcone, MD
- Andrew Klobuka, MD
- Gunjan Malhotra, MD
- Tani Malhotra, MD
- Rebecca Obeng, MD PhD MPH
Governing Council Nomination Form

AMA's Conflict of Interest Policy: Please review carefully the information provided at the end of this form.

Nominee Information

Name: Moustafa O. Elsheshtawy

Address: 2935 Ocean Pkwy, Apt 5A
City/State: Brooklyn NY 11235

Telephone: (347) 675-5544
Fax: 

Date of Birth: 09/18/1986
Place of Birth: Egypt

Medical School: Tanta University
Graduated: 2011
Medical Specialty: Cardiology

Board Certification(s): ABIM Internal Medicine board Certified

Nominee is an AMA Member: x Yes ☐ No
Nominee is an AMA Delegate: x Yes ☐ No
Nominee has agreed to serve: x Yes ☐ No

Submitted By: Moustafa Elsheshtawy

Email Address: melsheshtawymd@gmail.com

Name of person/organization submitting the nomination
Email address of person submitting the nomination

I nominate the above for the following Council/Committee: Chair-elect
Supporting Information

1. Current Professional Position and Responsibilities
   (i.e. practice, administrative, research, academic)
   I’m currently a cardiovascular fellow (PGY-5) at Maimonides Medical Center in Brooklyn, NY. According to New York State Department of Health 2016 report, Maimonides was ranked #1 in New York State for angioplasty and PCI outcome.

2. Principal State and Specialty Medical Society Memberships and Faculty Appointments
   (List most current positions held and dates of service)
   * Medical State Society of New York (MSSNY)
     RFS Alternate Delegate on the MSSNY AMA Delegation. 2018-2019
     Alternate Delegate to MSSNY House of Delegates. 2017-2018
   * American College of Cardiology (ACC)
     Chair of ACC Jeopardy Competition – NY Chapter. 2017
     Geriatric Cardiology Working Group. 2017 – 2018
   * American Heart Association (AHA). 2017 – Present
   * American College of Cardiology (ACC). 2015 – Present
   * American College of Physicians (ACP). 2013 – Present

3. Current/Prior Membership on AMA Councils/Committees:
   (List Councils or Committees and dates of service)
   AMA RFS Scientific Research Committee, Chair. 2017 – 2018
   AMA House of Delegates, Sectional Alternate delegate (region 7). 2017 – 2018
   AMA RFS, Delegate. 2017 – 2018
   AMA RFS Scientific Research Committee, Member. 2016 – 2017

4. Sponsor’s Narrative Statement
   (Describe nominee’s accomplishments and contributions using not less than 50, nor more than 250 words.)
   Self-nominating

5. Candidate’s Statement of Interest
   (Not less than 50, nor more than 250 words)
   During my years of participation with AMA-RFS, I have observed much invested thought in addressing the overwhelming epidemic of student loans and opioid regulations, both of which are of great importance to our physicians and patients as well. We still, however, need more focus on other critical facets for the betterment of our healthcare system including residents’ wellbeing, GME funding, and medical education reform. Those pressing matters have enticed me to suggest new solutions that utilize the powerful tool of our RFS active voice in representing a broader sector of residents and fellows practicing in US.
As a current cardiology fellow, I have published and presented many manuscripts nationally and internationally along with serving as a reviewer in many prestigious journals. I have been fortunate to hold many managerial and advocacy positions throughout my career. Since I have joined the AMA-RFS, initially as a delegate then becoming the chair of the research committee, I came to realize how imperative the RFS pivotal role in such an altruistic organization like our AMA. My experiences have been humbling, stimulating and ultimately have guided me to learn what matters to the many of you and what we can do together to help our RFS mount higher peaks.

I believe that my previous roles have prepared me to assume the principal responsibilities of the chair-elect position. I’m committed to serve my colleagues and I’m looking forward to bring my enthusiasm and sincere devotion to the RFS AMA.

6. Endorsements
(Are welcome but not required)
Medical Society of the State of New York
Moustafa O. Elsheshtawy, M.D.

To Whom It May Concern:

The New York Delegation of the Medical Society of the State of New York supports the candidacy of Moustafa Elsheshtawy, MD, for the position of AMA RFS Chair-Elect.

Dr. Elsheshtawy has been an active member of the Resident and Fellow Section of the MSSNY. He has also served as a member of the New York Delegation as a Section VII Alternate Delegate for the 2017 calendar year. Beginning in January 2018, Dr. Elsheshtawy will assume the seat for the Resident and Fellow member of the New York Delegation and will serve as a full delegate for New York.

We applaud Dr. Elsheshtawy’s enthusiasm for an active role in the Resident and Fellow Section. He will undoubtedly bring his energy to the position of Chair Elect.

Sincerely,

John J. Kennedy, MD
Chair

Charles Rothberg, MD
Vice Chair

2011  **Murphy CH**, Trippel SB. Insulin-like Growth Factor I Transfection Strategies in Bovine and Human Articular Chondrocytes. Poster presentation at the American Medical Association Interim Meeting and Research Symposium.

**Publications and Papers In Press**

Whenever I talk about our AMA-RFS – at meetings, recruiting residents, to people outside of the profession - I am overwhelmingly proud of what we have accomplished together. We have consistently been at the forefront of both advocating for the needs and fighting for the ideals of trainees across the spectrum of experience. Our recent successes include leading efforts to improve policy on harm reduction, increasing focus on resident wellness and burnout, and protecting the rights and health of vulnerable immigrant populations.

My time as a member on committees and as a delegate for the RFS has been inspiring for all those reasons and even more so for the friendships and stories gleaned working on these important issues together. The benefits of being here are obvious to those involved in our sense of community and shared drive to improve medicine for all stakeholders. Let’s incorporate new members into our more tightly knit groups by simplifying and encouraging deeper involvement.

For newcomers, the complexity of interactions between committees and the governing council can be daunting. I will work to better communicate these relationships and help our members understand pathways into leadership, increasing participation in committees, councils, and elections. As a chief resident, I am an experienced administrator and eager to apply these skills to coordinating our efforts to further improve recruitment and retention. I am prepared and excited to continue to serve our RFS in a leadership position and accomplish great things together.
AMA Council on Constitution and Bylaws Nomination Form  
(Self-nomination is permissible)

The AMA is committed to promoting diversity in every facet of organized medicine, and encourages you to consider nominating more diverse candidates such as qualified women physicians, minority physicians, international medical graduates, etc. for AMA positions on councils/committees.

**AMA's Conflict of Interest Policy:** Please review carefully the information provided at the end of this form.

AMA-RFS Sectional Delegate/Alternate Delegate Application

Application Requirements:
- You must be a current AMA member
- Curriculum Vitae
- Statement of Interest
- Endorsement from State or Specialty Society
- Signed Attendance Agreement

The AMA Delegates to the House of Delegates (HOD) from the Resident and Fellow Section (RFS) will be elected by the RFS Assembly for a one year term. The elected AMA Delegate from the RFS will be a representative of and be seated with their state or specialty delegation. Alternate Delegates will be also seated with the Delegates’ state or specialty delegation. The endorsement of your state or specialty society verifies that the state delegation is aware of your candidacy, and is willing to accept and include you as a part of the delegation.

Specialty: Radiation Oncology
Program: UNC Hospitals, Chapel Hill, NC

Expected Completion Date of Training (Month/Year):
June 2021

Candidate for Position of:
Delegate

(Delegate or Alternate Delegate)
EDUCATION

BOSTON UNIVERSITY SCHOOL OF MEDICINE; Boston, MA
Doctor of Medicine (MD), *Cum Laude Honors*  May 2016

BOSTON UNIVERSITY QUESTROM SCHOOL OF BUSINESS; Boston, MA
Master of Business Administration (MBA), Concentration in Health Sector Management, *High Honors*  May 2016

BOSTON UNIVERSITY; Boston, MA
Bachelor of Arts in Medical Sciences; Minor in Political Science; *Magna Cum Laude Honors*, Cumulative GPA: 3.73  May 2012

MEDICAL RESIDENCY TRAINING

UNC HOSPITALS; Chapel Hill, NC  2017-Present
Radiation Oncology Resident Physician

BOSTON MEDICAL CENTER; Boston, MA  2016-2017
Preliminary Year Internal Medicine Resident Physician

EXPERIENCES

Member of the Board of Directors
- Coordinated fundraising efforts, set strategic goals for the foundation, and chose recipients for funding of projects relating to care for the medically uninsured, international medical missions, and community action programs.

AMERICAN SOCIETY FOR RADIATION ONCOLOGY (ASTRO)  2012
Government Relations Intern
- Worked with the government relations team of the American Society for Radiation Oncology (ASTRO) to research national legislative issues affecting cancer care and draft legislative and political strategy
- Conducted meetings with national leaders ranging from medical industry, physicians, and members of congress, including direct meetings with congressional leadership

AMERICAN MEDICAL ASSOCIATION (AMA)  2012 – 2014
Regional Delegate and MMS Alternate Delegate to the AMA House of Delegates
- Wrote, implemented, and advocated policy positions focusing on medical student concerns and public health issues that have since been adopted as national AMA policy
*Vice President and Chair of Community Service at Boston University AMA*  2011-2012
- Organized statewide charity events, including food drives, health fairs, and bike rides for health

MASSACHUSETTS MEDICAL SOCIETY (MMS)  2012-2013
Health Care Access Committee, Alternate Member
- Created funding mechanisms to alleviate debt for young physicians practicing primary care in underserved communities
*Committee of Legislation, Alternate Member*  2013-2014
- Led initiatives on several state and national issues such as the regulation of E-cigarettes, tracking of controlled substances, and physician payment reforms
*Committee on Finance, Member*  2014-2015
- Made recommendations and voted on investment decisions for the MMS and the New England Journal of Medicine (NEJM) to create sustainable value for physicians and medical students

THE PERFECT MED: COLLEGE AND MEDICAL SCHOOL ADMISSIONS CONSULTING  2010 – Present
Co-Founder and President
- Coordinate, supervise, and provide advisory services including essay editing, interview prep, and counseling for successful admission into college and medical programs (www.theperfectmed.com)

American Society of Clinical Oncology (ASCO)
Radiological Society of North America (RSNA)
American Roentgen Ray Society (ARRS)
Statement of Interest

Having served as a delegate and an alternate delegate to the HOD during my time as a medical student, I have seen firsthand the impact that the HOD can have on the AMA’s national priorities. As a medical student, I collaborated with AMA members across the nation to successfully pass several resolutions at the HOD, including issues relating to funding for political advocacy opportunities for medical students, loan forgiveness for young physicians, and firearm safety legislation. I have also represented the AMA and the radiation oncology specialty society’s interests in Washington DC as an AMA Government Relations Intern. As a resident, I am committed to forging relationships across the AMA to advocate for issues that matter to residents, fellows, and our patients.
Endorsement and Attendance Agreement

All applicants who receive and submit proof of endorsement prior to the election will have their names bolded on the voting ballot to signify that their endorsement has been confirmed.

Endorsed By:
North Carolina Medical Society
Name of Endorser:
Robert W. Seligson Title: Executive Vice President, CEO

Signature of Endorser: ____________________________
Date: 9/1/2017

Note: State or Specialty Society endorsement does not imply funding responsibility. However, per House of Delegates action on BOT Report 20 (A-06), endorsing societies are strongly encouraged to assume responsibility for funding the resident and fellow delegate to attend AMA and other relevant delegation meetings.

This portion must be completed and signed by applicant:

Please provide a brief written statement detailing how you plan to ensure your attendance at the required meetings (dates listed below):

My residency program (UNC radiation oncology) guarantees vacation time and funding for all AMA meetings if I serve as a delegate or in any elected position.

By applying for this position, I commit to attending the Annual Meeting in Chicago, IL, on June 9-13, 2018 and the Interim Meeting on November 10-13, 2018 in National Harbor, MD.

Applicant Signature: ____________________________
Date: 9/20/17

Email applications to RFS staff at rfs@ama-assn.org by September 19, 2017.

Candidates who submit their applications and provide proof of society endorsement by the deadline will have their names highlighted on the voting ballot to signify their existing endorsement. Please also send a CV with a photo of you if you have one.

STATEMENT OF INTEREST

We are in an incredibly tumultuous time in medicine— the Affordable Care Act is constantly being debated and changed, changes to Medicare under MACRA are slowly being implemented, and medical education is rapidly evolving. As the future of our profession, now more than ever it is paramount that the voice of the Resident and Fellow section remains strong. We must continue to be proactive in shaping AMA policy to reflect the needs of the physicians of our generation.

Through my experience as an RFS delegate to the HOD for the last four years, I have seen firsthand the impact our Section can have. We will continue to rely on the connections we have made throughout the House including the 40 state and specialty societies we represent to advocate for our policy. I believe the skills and connections I have gained can help the RFS continue to be a force to be reckoned with in the HOD.

In June 2018, I will be finishing residency and moving to another state for fellowship, so I am also transitioning from being endorsed my state society to being endorsed by a specialty society. Through my time on the Council on Constitution and Bylaws I have learned about the complexity and nuance within the Specialty Society Section. I have been involved in the Radiology Section Council throughout my time in the RFS so I can hit the ground running as I advocate for the RFS.
Endorsement and Attendance Agreement

Statement of Interest

Grayson W. Armstrong, MD, MPH

My interest in serving another term as an AMA-RFS Sectional Delegate to the AMA House of Delegates stems from my years-long interest and involvement in both health care advocacy and policy creation. I can’t say that involvement in advocacy, health policy or politics were aspirations of mine prior to medical school. However, as chance would have it, I wandered into a lecture on the fundamentals of health insurance and the Affordable Care Act as a medical student in 2010 and, by the end of the lecture, was the only medical student still awake and asking questions. Seven years later, after completing a Masters of Public Health in Health Policy at Harvard, publishing extensively on the politics and policy of health care, and engaging as a medical student and resident in health policy creation and advocacy as a Delegate to the American Medical Association’s House of Delegates, I can say that I have dedicated my career to helping shape the future of medicine.

These experiences have taught me the importance of and distinction between policy and politics. While policy is shaped by research, distilled at stakeholder conferences, and communicated through advocacy to decision makers, legislative changes do not occur unless politicians make it so. To date, I have invested time and energy into building the professional tools needed to excel in advocacy, stakeholder relations, and shaping the political process.

Through the AMA House of Delegates, I hope to apply these skills to advance the voice of residents and fellows nationwide, ophthalmology as a specialty, and medicine as a whole. If elected to serve as a Delegate to the AMA House of Delegates, I will work to represent trainees with a strong, confident, and educated voice. I will also work to inspire my fellow residency peers to action at both the state and national level.
Endorsement and Attendance Agreement

All applicants who receive and submit proof of endorsement prior to the election will have their names **bolded** on the voting ballot to signify that their endorsement has been confirmed.

**Signature of Endorser:**

Date: 9.5.17

**Note:** State or Specialty Society endorsement does not imply funding responsibility. However, per House of Delegates action on BOT Report 20 (A-06), **endorsing societies are strongly encouraged to assume responsibility for funding the resident and fellow delegate to attend AMA and other relevant delegation meetings.**

**This portion must be completed and signed by applicant:**

Please provide a brief written statement detailing how you plan to ensure your attendance at the required meetings (dates listed below):

I have already secured time off from my clinical activities to attend the entirety of the American Medical Association Annual and Interim meetings each year.

---

By applying for this position, I commit to attending the Annual Meeting in Chicago, IL, on June 9-13, 2018 and the Interim Meeting on November 10-13, 2018 in National Harbor, MD.

**Applicant Signature:**

Date: 8/27/2017

Email applications to RFS staff at rfs@ama-assn.org by September 19, 2017.

Candidates who submit their applications and provide proof of society endorsement by the deadline will have their names highlighted on the voting ballot to signify their existing endorsement. Please also send a CV with a photo of you if you have one.
AMA-RFS Sectional Delegate/Alternate Delegate Application

Application Requirements:
- You must be a current AMA member
- Curriculum vitae
- Statement of interest
- Endorsement from state or specialty society
- Signed attendance agreement

The AMA Delegates to the House of Delegates (HOD) from the Resident and Fellow Section (RFS) will be elected by the RFS Assembly for a 1-year term. The elected AMA Delegate from the RFS will be a representative of and be seated with their state or specialty delegation. Alternate delegates will be also seated with the delegates’ state or specialty delegation. The endorsement of your state or specialty society verifies that the state delegation is aware of your candidacy, and is willing to accept and include you as a part of the delegation.

Institutional Representative, Northwestern University, Feinberg School of Medicine 2007-2008
Member, Membership Committee 2007-2008
MEMORANDUM

TO: AMA-RFS Assembly
FROM: Hans Arora, MD PhD
RE: Candidate for Re-Election as Sectional Delegate

As I reflect upon my first AMA House of Delegates meeting in June 2006, my mind is filled with fond memories: testifying during reference committee hearings, writing testimony as part of the MSS HOD Coordination Convention Committee before the opening of the HOD, picking up hard-copy RefCom reports at 6:00 AM. While many of the procedures we employ to conduct business have changed, the passion and enthusiasm we bring to the HOD biannually remain as strong as ever.

Our AMA has been the subject of intense criticism from both sides of the aisle for decades, but it still represents the most diverse population of physician voices in the country. The intense debate that typifies every HOD meeting is indicative of the variety of opinions represented. Whether young or old, male or female, surgeon or internist, all viewpoints are represented amongst its delegates. It is because of this diversity of opinions that the HOD continues to be one of the most influential policy-making bodies in medicine.

As a current Sectional Delegate and immediate past RFS Chair I have been honored to represent my colleagues both within and outside the AMA RFS. If re-elected as a Sectional Delegate, I will strive to continue using the skills and experience that I have been so fortunate to develop here within our AMA to continue serving our colleagues in the House of Medicine as shape the future of healthcare.
Endorsement and Attendance Agreement

All applicants who receive and submit proof of endorsement prior to the election will have their names **bolded** on the voting ballot to signify that their endorsement has been confirmed.

Endorsed By: **American Urological Association**

Expected Completion Date of Training (Month/Year): 06/2019

Candidate for Position of: Delegate

(Delegate or Alternate Delegate)
Objective

I am focused on acquiring the best training and on-the-job experience possible to excel in patient care. I am also involved in patient advocacy and policy-making to have a larger impact in health care delivery in our Oklahoman communities.

Volunteering

Baptist Mission Free Clinic
Medical assistant
September 2009- July 2011

Good Shepherd Community Clinic
Primary patient care
August 2011- June 2015

King’s Klinic
Primary patient care
August 2014-June 2015

Leadership

Family Readiness Program
3-378 95th division US Army Reserves
FRG Battalion Coordinator
September 2012- May 2015

Academic Misconduct Board
OUHSC – College of Medicine
July 2014- June 2015

Oklahoma State Medical Association
AMA-state delegate
November 2015- present

American Medical Association
Region 3 Chair from 2016-2017
Region 3 Vice-chair 2017- present
Current alternate delegate to the House of Delegates

Experience

Pharmacy tech
January 1999- December 2000 Farmacia Saenz, Heredia, Costa Rica
Pharmacy technician

Tulsa Center for Behavioral Health
Emergency psychiatry and on-call physician
September 2016-Present

Internship

Oak Tree Counseling Services
Rehabilitation specialist
January 2010- December 2012
Extemship
Anesthesia Extemship
OU Medical Center
Anesthesia tech overnight duties
February 2014- May 2015

Education
University of Oklahoma Health Sciences Center
College of Medicine, Class 2015
August 2011- May 2015

University of Oklahoma, Norman, OK
Multidisciplinary Studies/ Medical Theme
Bachelor of Science
June 2008- December 2010

Universidad de Costa Rica, San Jose, Costa Rica
College of pharmacy
January 2000- December 2000

Training
University of Oklahoma-Tulsa
Department of Psychiatry Residency Program
PGY-3 in good standing
July 2015- Present
Expected program completion: June 2019

Certifications
ACLS and Healthcare provider certified
April 2017- April 2019

Honors & Awards
During my undergraduate program at the University of Oklahoma, I was part of the Dean's Honor Roll every semester in attendance. I was on the President's Honor Roll during 2008-2009 and 2009-2010 school years. I received 2 merit scholarships from the College of Education and 1 merit scholarship from the National Hispanic Scholarship Fund. I also received a scholarship from the OU College of Medicine during all 4 years there and I was awarded a scholarship from the Norman Regional Health Foundation for 4 years in a row. Finally, I was honored by the Health Alliance for the Uninsured to be the recipient for the annual R. Murali Krishna, M.D. Community Service Award in 2015 for volunteering work in Oklahoma City.

Skills and Interests
I can speak both Spanish and English fluently. I enjoy spending time with my 4 children and husband. I am a fervent soccer mom, frequent flyer at the mall/skating rink/park and love to read, hike and watch movies. I enjoy volunteering and I hope to teach my kids about social responsibility and the importance of helping others. As a Costa Rican I am interested in promoting empowerment of our Hispanic population. I also belong to multiple national and local medical organizations including AMA, OSMA and APA and I hope stay involved in policy making and advocacy.

References are available on request.
Statement of Interest

Eudy Bosley, MD

I am passionate about providing the best possible care. I was passionate about public service and volunteering during my years in medical school and this has grown during my years in residency to include involvement in public health and policy. I am also passionate about my field and my patients and practicing evidence-based medicine. I enjoy teamwork and collaboration between medical providers and participation in my state medical association. Furthermore, for the past couple of years I have also relished in the learning and comradery that comes with actively participating in the AMA and the impact that we can make, even as residents, in the health system. I would be honored to represent the RFS and be a voice of our positions and views in the AMA House of Delegates and to dedicate all the time needed to do the required work.

I humbly request your consideration for my application.

Best regards,

Eudy Bosley, M.D.

Mentoring of Graduate Students, Residents, Post-Doctoral Fellows in Education
Past
Adam Flack, Medical student junior partner, 2010-2012, Practice in Missouri

Major Research Interests

1. Competency-based medical education
   To study how to best implement competency-based training and assessment, with
   focus on the strengths and weakness of this type of education from both the
   procedural and cognitive aspects.

2. Mechanisms underlying asthma development and airway remodeling
   Using a multiethnic asthma registry, we replicated previous analyses of clinical
   associations with persistent airflow limitation (PAL) and \( IL13 \) variants with asthma
   susceptibility. We suggest a dose response of \( IL13 \) variants, particularly rs20541 (and
   SNPs in LD with rs20541) with asthma severity subgroups. The findings have
   implications for understanding airway remodeling in asthma-ACOS and COPD-
   ACOS and may provide clues for targeting the use of anti-IL13 therapy.

Statement of Interest

When I started medical school, I learned how much of an impact organized medicine was making on healthcare nationwide and joined the American Medical Association. To this day, I continue my involvement in organized medicine as a fellow in the AMA-RFS. After attending my first AMA House of Delegates Meeting in 2010, I found my passion for policy-making and medical education. Since then, I have continued this passion by serving as a member of the AMA Council on Medical Education and other various leadership positions in the AMA-MSS and AMA-RFS. I have served as a Delegate or Alternate Delegate to the AMA-HOD intermittently since 2010. From my experience, I have been able to learn more about the challenges facing medicine and what we can do to make a change.

I hope to continue to increase awareness of the important issues facing residents in the AMA-HOD, especially GME funding and physician satisfaction. I hope to learn and inform trainees about all the changes happening to medicine. We should help mold the changes that are currently being made to medical school, including how we define success in the new competency-based curriculum. And we should be informed about what new changes are happening to continuing medical education, so our future requirements of licensure and certification are evidenced-based. For over nine years, I have been a dedicated member of organized medicine and hope to continue my involvement this year by serving the AMA-RFS as a Sectional Delegate to the AMA House of Delegates.
Endorsement and Attendance Agreement

All applicants who receive and submit proof of endorsement prior to the election will have their names **bolded** on the voting ballot to signify that their endorsement has been confirmed.

Endorsed By: Society of Critical Care Medicine

Name of Endorser: Russell C. Raphaely, MD, MCCM  Title: Co-Director, Nemours Cardiac Ctr

Signature of Endorser: ___________________________ Date: ____________

**Note:** State or Specialty Society endorsement does not imply funding responsibility. However, per House of Delegates action on BOT Report 20 (A-06), **endorsing societies are strongly encouraged to assume responsibility for funding the resident and fellow delegate to attend AMA and other relevant delegation meetings.**

This portion must be completed and signed by applicant:

Please provide a brief written statement detailing how you plan to ensure your attendance at the required meetings (**dates listed below**):

scheduled vacation during meeting dates.

By applying for this position, I commit to attending the Annual Meeting in Chicago, IL, on June 9-13, 2018 and the Interim Meeting on November 10-13, 2018 in National Harbor, MD.

Applicant Signature: ___________________________ Date: ____________

March 2011
Elected by classmates as a member of the class that exemplified Integrity, Compassion, Altruism, Respect, and excellence in the practice of medicine.

Undergraduate
Fr. Cyprian Mensing Award
May 2008
The highest award at Siena College presented to a graduating senior male and female who have demonstrated prominent leadership, outstanding scholarship, and have exemplified the highest ideals of Christianity and the spirit of St. Francis of Assisi.

PUBLICATIONS

PRESENTATIONS

Sean Figy MD. Wound Biology and Management. Pulmonary Critical Care Grand Rounds. University of
RESEARCH

The University of Massachusetts Medical School

Socioeconomic Barriers to Wound Care September 2015-present
Developed surveys to determine which barriers are most prominent in our patient population. Once these barriers are identified, we are planning to develop interventions targeted at this population to improve access and delivery of care.

Ventral Hernia Repair August 2014-present
Retrospective and Prospective review for all ventral hernia repair at the University of Massachusetts repaired by the Division of Plastic Surgery after 2006.

Art Education for Plastic Surgery Residents January 2013-present
Worked with professional artists to develop an art course to help further develop the artistic side of plastic surgery. Developing curriculum and evaluation mechanisms to evaluate growth and value.

The University of Toledo, College of Medicine

Medical Needs and Access to Care in Two Rural Honduran Communities March 2010-June 2012
Analyzed questionnaires and patient care notes to determine the major health concerns of the residents of two towns in rural Honduras.

Siena College, Department of Physics

Bactericidal Effects of Ultraviolet Radiation on Five Strains of Bacteria December 2006-May 2008
Start and maintain five strains of bacteria, design experimental procedures, data collection and analysis, inventory and order all materials for research.

National Aeronautics and Space Administration, Division of Flight Experiments

Antimicrobial Effectiveness for Spaceflight Applications June 2005-July 2005
Maintain seven pure-culture bacterial strains, sample preparation, data collection and analysis. Development of evaluation mechanism for antimicrobials for use in aerospace applications.

INTERNISHIPS/PRECEPTORSHIPS
Massachusetts General Hospital, Hand and Upper Extremity Preceptorship  June 2009  
Precepted with Dr. Jesse B Jupiter and Dr. David Ring. Observed clinical evaluation of hand injuries and deformities and the surgical techniques used to correct these maladies.

National Aeronautics and Space Administration (NASA)  June 2005-July 2005  
Flight Experiments Trainee – Spaceflight and Life Sciences Training Program  
Bacterial Survival. Maintained bacterial test cultures, designed experiments to determine antimicrobial efficacy for space travel purposes, attend lectures regarding long term space travel and exploration.

VOLUNTEER EXPERIENCE  
Plastic and Reconstructive Surgery Interest Group  August 2016-present  
Resident Advisor to the PRSIG. I help mentor the medical students at UMass who are interested in Plastic Surgery. As a team, we coordinate education and skills sessions to foster an interest and understanding of the specialty of plastic surgery.

Hands Across the World  February 2015, October 2016  
Surgical Mission to Latacunga and Salinas, Ecuador delivering high quality plastic and reconstructive surgical services with coordinated local follow up, planned returns and staged reconstructions.

Medical Mission to Honduras  March 2010, March 2012  
Traveled to La Esperanza, Honduras with Dr. Richard Paat to serve the impoverished Hondurans in the surrounding towns.

Community Care Clinic  August 2008-June 2012  
Pre-clinical/clinical student clinic at the Mildred Bayer Clinic for the Homeless.

Emergency Medical Services, Town of Colonie, NY  January 2005-May 2008  
Volunteer EMT-B. Provided emergency medical assistance for the town of Colonie, NY.

Statement of Interest-Sean Figy

I became involved in the AMA my first year of medical school through policy development and analysis. I enjoyed the critical thought process involved in developing policy, which word to use in each situation and how to best advocate for that policy. My work on the House Coordination Committee and as the Medical Student Section Alternate Delegate allowed me to explore and develop policy development and advocacy skills that I can now bring to the RFS. I view the role of the Sectional Delegate as a builder of bridges between societies and sections so that the goals and directives of the RFS can have maximal impact in the House of Medicine and the AMA as a whole. By harnessing the reach of our section, we can certainly make a large impact on the AMA and American medicine.

I am well suited to fill this role within the AMA RFS and to the delegation. Through the relationships that I have built throughout the AMA over the last eight years and with my background in health policy, I can act as a conduit through which gaps can be bridged and challenging policy problems can be traversed.

PROFESSIONAL SOCIETIES
American College of Physicians, American Academy of Pediatrics, American Society of Pediatric Hematology/Oncology, American Society of Clinical Oncology, American Society of Hematology, American Medical Society, Medical Society of Delaware

INTERESTS
Rowing (Member of Wilmington Rowing Club, racing team and Racing Committee member), Traveling, Reading, Cooking
If you’re in medicine, you’re in politics. While some may disagree, I find it rather difficult to separate the two arenas these days. Most of us go to medical school to help people, to make a difference in the world, and to spend our careers challenged and engaged by the latest science. In residency and fellowship, it becomes all you can do just to get to work every day and learn your area of specialty; there’s not much time for anything else. I believe, however, that it is imperative that residents and fellows get involved in shaping the future of medicine. This is not a new feeling for me; advocacy has always been one of my passions. I first got involved with the Texas Medical Association and the AMA during my first year of medical school and haven’t looked back since. I was in a delegate in the House of Delegates when President Obama spoke and we voted to support the Affordable Care Act. Although it was a controversial decision, I felt empowered. I had a voice in the way I was going to practice medicine in the future and this was better than being powerless in shaping this future. The field is changing every day due to new legislation and regulations. It is of the utmost importance to stay involved and to stay engaged. I have been fortunate enough to have the opportunity to be involved in many aspects of the AMA and state societies throughout my medical school and residency. I bring a wealth of experience as well as the passion for learning and enthusiasm to create new relationships. Through my participation as a Resident-Fellows Sectional Delegate to the House of Delegates, I will continue to lend my voice to shaping medicine and medical education for residents and fellows as well as for physicians. I would ask for your support in my application to the position.

Over the last two years, I have served as Alternate Delegate and now Delegate from the RFS. Now, I ask for your vote to continue to represent the RFS in the AMA HOD. I have dedicated myself to organized medicine and to represent the interests of patients and physicians. I believe that new ideas for advocacy and change most frequently originate from those new to the process such as the RFS and MSS. In the AMA HOD, I hope to be a voice to echo and magnify the energy and enthusiasm for our profession that is generated in our Section. Thank you very much for your consideration and support.

Robert William Seligson

**Title:**

EVP/CEO

**Signature of Endorser:**

[Signature]

**Date:**

10/18/2017

**Note:** State or Specialty Society endorsement does not imply funding responsibility. However, per House of Delegates action on BOT Report 20 (A-06), endorsing societies are strongly encouraged to assume responsibility for funding the resident and fellow delegate to attend AMA and other relevant delegation meetings.

**This portion must be completed and signed by applicant:**

Please provide a brief written statement detailing how you plan to ensure your attendance at the required meetings (dates listed below):

My Program Director has assured my availability to attend the Interim and Annual Meetings.

By applying for this position, I commit to attending the Annual Meeting in Chicago, IL, on June 9-13, 2018 and the Interim Meeting on November 10-13, 2018 in National Harbor, MD.

**Applicant Signature:**

/S/ Jason D. Hall, MD. JD  

**Date:**

9/17/17

Email applications to RFS staff at rfs@ama-assn.org by September 19, 2017.

Candidates who submit their applications and provide proof of society endorsement by the deadline will have their names highlighted on the voting ballot to signify their existing endorsement. Please also send a CV with a photo of you if you have one.
AMA-RFS Sectional Delegate/Alternate Delegate Application

Application Requirements:

• You must be a current AMA member
• Curriculum Vitae
• Statement of Interest
• Endorsement from State or Specialty Society
• Signed Attendance Agreement

The AMA Delegates to the House of Delegates (HOD) from the Resident and Fellow Section (RFS) will be elected by the RFS Assembly for a one year term. The elected AMA Delegate from the RFS will be a representative of and be seated with their state or specialty delegation. Alternate Delegates will be also seated with the Delegates’ state or specialty delegation. The endorsement of your state or specialty society verifies that the state delegation is aware of your candidacy, and is willing to accept and include you as a part of the delegation.

2006 In-Home Caregiver, Comfort Keepers, Toledo, OH
2003-2006 Radiology File Room Tech and Support Assistant, Lake Hospital Systems, Painesville, OH

Hobbies: Traveling, jogging, reading, spending time with friends and family.
I would like to run for the position of AMA-RFS Sectional Delegate from the American Psychiatric Association. As psychiatry resident with an interest in policy that relates to mental health and addiction, I believe I have the passion, skills and experience to be effective in this position.

I have had numerous experiences that qualify me for this position. For the past year I have served in this position. I have also served as a member of the AMA RFS Committee on Scientific Research for the past 2 years and also served as a delegate-at-large to the RFS assembly at A-16. I am also the current chair of the California Medical Association’s Resident and Fellow Section and a member of the CMA’s Council on Science and Public Health. As a medical student, I also had the opportunity to serve as the medical student member of the AMA Council on Science and Public Health for 2 years. This experience will allow me to contribute to policy-focused discussions within the RFS and APA.

As a member of the AMA, I have also had the experience authoring and advocating for numerous policy initiatives. I have authored policy addressing the stigma of mental illness within the medical profession as well as resident training in the treatment of opioid addiction. When I was a member of the Council on Science and Public Health I had the opportunity to contribute to the AMA’s policy on substance abuse and national drug control policy.
Endorsement and Attendance Agreement

All applicants who receive and submit proof of endorsement prior to the election will have their names **bolded** on the voting ballot to signify that their endorsement has been confirmed.

**Endorsed By:**

American Psychiatric Association (and AMA Section Council on Psychiatry)

(Society)

**Name of Endorser:**
Carolyn Robinowitz, MD

**Title:**
APA Sr Delegate and Chair, AMA Section Council on Psychiatry

2017  
ACOG Annual Clinical and Scientific Meeting – Resident Reporter  
San Diego, CA  
Received sponsorship from the Ohio Section of ACOG to attend
2016 AAGL Surgical Boot Camp
Orlando, FL
Surgical skills boot camp for fellows and residents.

PRESENTATIONS
2017 Antegrade versus Retrograde Stents for Ureteral Obstruction in Locally Advanced Cervical Cancer
Poster presentation and abstract at ACOG Annual Clinical and Scientific Meeting
San Diego, CA
Authors: Talati A, Hassani D, Sheyn D, Zakem S, Zanotti K

2017 Cost of Bilateral Salpingectomy at Time of Hysterectomy for Benign Indications
Poster presentation and abstract at ACOG Annual Clinical and Scientific Meeting
San Diego, CA
Authors: Hassani D, Hayashi E, Sheyn D, Billow M, Mahajan S, El-Nashar S

2017 Early Pregnancy Loss
UHCMC Gynecology Pre-Operative Conference
Educational presentation for OB/GYN residents and medical students.

2016 Comparison of Hemoglobin Change and Post-Operative Day 1 Hemoglobin in Patients Undergoing Laparoscopic Hysterectomy with and without Ketorolac for Postoperative Pain Control
Authors: Hassani D, Soriano A, Kowalczyk J, Billow M. University Hospitals Case Medical Center, Cleveland, OH
Accepted for oral presentation at 45th AAGL Global Congress of Minimally Invasive Gynecology

2012 The Casualty Ward
Authors: Farner K, Hassani D, Kang M, Trinquero P
Global Health Poster Session
Feinberg School of Medicine, Chicago, IL
Presented a poster for Northwestern University students and faculty on systems of emergency health care provision in South Africa.

GLOBAL HEALTH EXPERIENCE
2012 Global Health Elective
Stellenbosch Hospital
Stellenbosch, South Africa
Summer elective rotation through the Northwestern Center for Global Health. Worked primarily in the Casualty Department (Emergency Department) at a public hospital approximately an hour outside Cape Town.
2015  
**Global Health Elective**  
University of Strasbourg (Strasbourg, France)  
MS4 elective rotation in pulmonary medicine through the Northwestern Center for Global Health.

**COMMITTEES**

2015 – present  
**Education Committee**  
UHCMC, Cleveland, OH  
Serving on the Department of OB/GYN education committee, which reviews and edits the residency curriculum in order to advance the quality of resident education.

2015-present  
**Student Liaison Committee**  
UHCMC, Cleveland, OH  
Student liaisons are designated residents whom medical students can approach with questions or concerns regarding their third and fourth year rotations. We also hold educational workshops and classes for the students, such as fetal heart tracing interpretation and surgical knot tying.

2014-2015  
**Feinberg Applicant Interview Committee**  
Feinberg School of Medicine, Chicago, IL  
Serving as a member of the panel interview committee for applicants to Feinberg’s incoming M1 class. Assess applicants’ personal characteristics and suitability for the Feinberg student community.

2011-2012  
**Camp Wildcat Board – Fundraising Chair**  
Feinberg School of Medicine, Chicago, IL  
Organized fundraising events throughout the year, and helped to plan and run a weekend camp for underserved children from the Chicago area who participate in the Chicago Youth Programs.

2011-2012  
**American Medical Women’s Association**  
**Mentorship Vice President, Feinberg Chapter**  
Feinberg School of Medicine, Chicago, IL  
Paired first year medical students with female faculty mentors to encourage female advancement in the medical profession. Organized and ran an annual workshop for local high school girls to learn about careers in science.

**AWARDS**

2012  
**Global Health Initiative Travel Award**  
Funding for students to participate in international primary care electives via the Chicago Lake Shore Medical Associates
I am writing to submit my application for AMA-RFS Delegate with the sponsorship of the Ohio Section of ACOG. I am currently in my third year of OB/GYN residency at University Hospitals Cleveland Medical Center. As a second-year resident, I was privileged enough to be able to attend the ACOG Annual Clinical and Scientific Meeting as a resident reporter. This opportunity truly sparked my interest in becoming involved with advocacy and with ACOG on a leadership level. While at the conference, I met several physicians who began their career in advocacy as resident reporters to the very same meeting decades ago. Since that time, I have been pursuing opportunities for leadership among residents and fellows. I would be thrilled to represent OB/GYN residents in Ohio at the AMA-RFS meetings. On a larger scale, in the current political climate, I think it is invaluable to have young physicians who step up and speak out for what we feel to be the key issues affecting the medical field. Although advocacy from medical providers is always important, this is perhaps one of the most critical time periods in my lifetime. As residents and fellows, we will shape the future of healthcare in this country. I hope to be a voice for the OB/GYN community in this time of flux for women’s health care.
Endorsement and Attendance Agreement

All applicants who receive and submit proof of endorsement prior to the election will have their names **bolded** on the voting ballot to signify that their endorsement has been confirmed.

**Endorsed By:**

American Congress of Obstetricians and Gynecologists (ACOG) (Society)

**Name of Endorser:** Wayne Trout (Ohio Section Chair)

**Signature of Endorser:** Wayne Trout

**Date:** 8/28/17

---

**Note:** State or Specialty Society endorsement does not imply funding responsibility. However, per House of Delegates action on BOT Report 20 (A-06), **endorsing societies are strongly encouraged to assume responsibility for funding the resident and fellow delegate to attend AMA and other relevant delegation meetings.**

---

**This portion must be completed and signed by applicant:**

Please provide a brief written statement detailing how you plan to ensure your attendance at the required meetings (**dates listed below**):

For the June 9-13 meeting in Chicago, I will be on a clinical rotation that permits vacation time. I currently have vacation days which have been unassigned for the 2017-2018 academic year, so I plan to use this time to be able to attend the Annual Meeting.

Since the Interim Meeting on November 10-13 will be during the 2018-2019 academic year, I plan to choose a rotation schedule that permits vacation time during the month of November 2018 to accommodate my attendance at the meeting.

---

By applying for this position, I commit to attending the Annual Meeting in Chicago, IL, on June 9-13, 2018 and the Interim Meeting on November 10-13, 2018 in National Harbor, MD.

To Whom it May Concern,

I have worked in health care advocacy now for over 7 years, in three state medical societies and two national organizations. I have served in a variety of capacities in these groups, most notably on the Governing Council of the Medical Student Section of the AMA. These experiences have taught me many things. One is that everyone who comes to organized medicine comes for different reasons. For me, it is the love of health policy, of working together with people from disparate backgrounds to try to make the world a better place for our patients. The excitement of harnessing ideas into a resolution, and then seeing that resolution go to work in legislative offices with our lobbyists and excited volunteers. This is why I am running for a seat as an RFS Sectional Delegate.

Another thing my experiences have taught me is how to do that job well. I believe in mentorship, in engaging and cultivating talent to make the organization stronger than any one person. I believe in building partnerships with other sections and individuals that share our values. And I believe in the role of students, residents and young physicians as stewards of innovation and progress within the AMA, providing a consistent vision of and push towards the future. As your RFS Sectional Delegate these are the three pillars that will guide everything I do and hope to achieve.

Thank you, and Sincerely,

Mark Kashtan
Endorsement and Attendance Agreement

All applicants who receive and submit proof of endorsement prior to the election will have their names bolded on the voting ballot to signify that their endorsement has been confirmed.

Endorsed By: Massachusetts Medical Society

Name of Endorser: Alain A. Chaoui, MD, FAAFP
Title: Chair, Massachusetts Physician Delegation to the AMA

Signature of Endorser: [Signature]
Date: 9/18/17

Note: State or Specialty Society endorsement does not imply funding responsibility. However, per House of Delegates action on BOT Report 20 (A-06), endorsing societies are strongly encouraged to assume responsibility for funding the resident and fellow delegate to attend AMA and other relevant delegation meetings.

This portion must be completed and signed by applicant:

Please provide a brief written statement detailing how you plan to ensure your attendance at the required meetings (dates listed below):

As a research fellow during this time period I will have control over my work schedule and so can ensure attendance at both meetings.

By applying for this position, I commit to attending the Annual Meeting in Chicago, IL, on June 9-13, 2018 and the Interim Meeting on November 10-13, 2018 in National Harbor, MD.

Applicant Signature: [Signature]
Date: 7/16/17

Email applications to RFS staff at rfs@ama-assn.org by September 19, 2017.

Candidates who submit their applications and provide proof of society endorsement by the deadline will have their names highlighted on the voting ballot to signify their existing endorsement. Please also send a CV with a photo of you if you have one.
AMA-RFS Sectional Delegate/Alternate Delegate Application

Application Requirements:
- You must be a current AMA member
- Curriculum vitae
- Statement of interest
- Endorsement from state or specialty society
- Signed attendance agreement

The AMA Delegates to the House of Delegates (HOD) from the Resident and Fellow Section (RFS) will be elected by the RFS Assembly for a 1-year term. The elected AMA Delegate from the RFS will be a representative of and be seated with their state or specialty delegation. Alternate delegates will be also seated with the delegates' state or specialty delegation. The endorsement of your state or specialty society verifies that the state delegation is aware of your candidacy, and is willing to accept and include you as a part of the delegation.

To whom it may concern:

I am writing this letter as a Statement of Interest for my consideration as a Delegate to the AMA House of Delegates for the term beginning in November 2017 and ending in November 2018 after the completion of the AMA Interim Conference. I would be representing the Residents and Fellows Section with support from the American Society of Hematology. Prior to running, I requested and received approval for time off to attend the Annual AMA conference in 2018 and plan to request time off for the Interim AMA conference after matching into a fellowship program in December 2017.

I would like to thank the committee for their consideration.

Sincerely,

Amar Kelkar, MD

Signature of Endorser: Matthew Gertzog

Title: Deputy Exec. Dir

Date: 10-11-17

Note: State or Specialty Society endorsement does not imply funding responsibility. However, per House of Delegates action on BOT Report 20 (A-06), **endorsing societies are strongly encouraged to assume responsibility for funding the resident and fellow delegate to attend AMA and other relevant delegation meetings.**

This portion must be completed and signed by applicant:

Please provide a brief written statement detailing how you plan to ensure your attendance at the required meetings (*dates listed below*):

Similar to this past year as an Alternate Delegate, I've discussed the time commitment for meeting attendance with my program's GME office and my program director for June 2018. As I will likely be starting a new fellowship program in November 2017, I will discuss it with my new program upon acceptance. I intend to use my educational leave to attend these AMA meetings, but I am prepared to use my vacation time to attend the meetings if that were to be required.

By applying for this position, I commit to attending the Annual Meeting in Chicago, Illinois, on June 9–13, 2018 and the Interim Meeting on November 10–13, 2018, in National Harbor, MD.

RESEARCH EXPERIENCE

The University of Iowa 2000-2001

- Student Research Assistant, John Weiler, M.D.
  The Weiler Lab investigated role of C2 inhibitor in the pathogenesis of angioedema; our group sequenced DNA from patients and identified novel mutations in the C2 inhibitor gene.

The University of Iowa 2002-2003

- Undergraduate Honors Research Assistant, Gail Bishop, Ph.D.
  The Bishop Lab explored mechanisms of cell signaling by B lymphocytes; investigated role of IL-6 production from B cells followed CD40-mediated signaling.

The Ohio State University 2005-2009

- Graduate Research Assistant, Caroline Whitacre, Ph.D.
  The Whitacre Lab investigated therapeutic strategies for the treatment of multiple sclerosis; we utilized an inhibitor of macrophage migration inhibitory factor to modify inflammation.

Harvard Medicine School 2015-present

- Post-doctoral Fellow, Peter Libby, M.D., Calum MacRae, M.D. Ph.D
  The Libby and MacRae Labs utilize novel approaches in zebrafish to study the mechanism of vascular disease, including atherosclerosis.

  Selected to represent the Residents and Fellows of California to the CMA House of Delegates
- **Chair Elect, CMA Resident and Fellow Section** 2014 - 2016
  Chair of the CMA RFS Executive Committee; Chair of the RFS Delegation to the CMA House of Delegates

CALIFORNIA SOCIETY OF ANESTHESIOLOGISTS (CSA)

- **Alternate Delegate, CSA House of Delegates** 2016 – present
  Elected by the UCSF Anesthesiology Residents to represent the program in the CSA HOD

SAN FRANCISCO COUNTY MEDICAL SOCIETY (SFMS)

- **Board Member, SFMS Political Action Committee (PAC) Board** 2017 – present
  Direct fundraising activities for SFMS; Determine which politicians receive SFMS financial support
- **Member, SFMS Membership Committee** 2015 – present
  Meet quarterly to review SFMS membership data; Develop strategies for improving county membership
Dear AMA RFS assembly,

My name is Mike Lubrano and I am a PGY-4 Anesthesiology Resident at UCSF. I am seeking election to my third term as an AMA RFS Sectional Delegate to the AMA HOD. I would greatly appreciate your support for several reasons: the most important being experience and RFS dedication.

I have been rigorously involved in activity in the AMA since first year of medical school. It was then that I got involved in order to advocate for my patients then quickly learned that as physicians we are in grave need of advocacy as well. Over the course of nearly 8 years of AMA meetings I have witnessed and participated in incredible efforts to shape national healthcare policy to benefit both patients and physicians alike. I have also had the opportunity during this time to serve in a myriad of leadership positions: from section committees (including Vice Chair of the MSS HOD Coordinating Committee and then Chair of our RFS Public Health Committee) to two terms on the AMA MSS Governing Council as Vice Chair and Alternate Delegate. I just completed a year on the AMA RFS Governing Council as Delegation of the Section and have begun to represent all of you on the AMA Council on Science and Public Health. The work that I find most rewarding is representing our colleagues in the AMA House of Delegates, which I have been lucky to do for the past several years in various capacities. I understand RFS policy well and would be able to continue to utilize this knowledge as well as my knowledge of how to accomplish goals in the AMA HOD in order to continue furthering our RFS agenda.

What I hope to contribute most to the RFS if elected to another term as delegate is my continued commitment and dedication to AMA RFS Policy- especially as one of your councilors. I have been working hard to push for RFS policy positions to be represented in AMA CSAPH Reports this year. Unfortunately, I can only speak on the AMA HOD floor on our behalf if I am a credentialed delegate. It is my hope that I may continue to represent all of you behind closed doors on CSAPH but also have the opportunity to voice opinions at the microphone in the AMA House of Delegates. I am proudest of our section and feel the most satisfaction when our resident/fellow caucus works together to accomplish huge goals for our patients or colleagues- be it improving access to care or resident wellness. The work we do is incredibly important to our profession and I am proud to have a history of participating in our efforts. Please allow me to continue this work as one of your RFS Sectional Delegates this year.

I deeply appreciate your consideration in my candidacy for Delegate. Please feel free to call, email or text me if you have any questions or concerns regarding my experiences or commitment to the AMA RFS.

Sincerely

Michael C Lubrano, M.D., M.P.H.

Endorsement and Attendance Agreement

All applicants who receive and submit proof of endorsement prior to the election will have their names bolded on the voting ballot to signify that their endorsement has been confirmed.

Endorsed By:

American Society of Interventional Pain Physicians

(Society)

Name of Endorser: Title:

Lee Snook MD ASIPP Delegation Chair

Signature of Endorser: Date:

9/19/17

Note: State or Specialty Society endorsement does not imply funding responsibility. However, per House of Delegates action on BOT Report 20 (A-06), endorsing societies are strongly encouraged to assume responsibility for funding the resident and fellow delegate to attend AMA and other relevant delegation meetings.

This portion must be completed and signed by applicant:

Please provide a brief written statement detailing how you plan to ensure your attendance at the required meetings (dates listed below):

All dates have been pre-approved by my program for attendance. I utilize my vacation time in order to assure I can be present. As an AMA CSAPH Councilor it has become a priority for my program to allow me to attend AMA meetings.

By applying for this position, I commit to attending the Annual Meeting in Chicago, IL, on June 9-13, 2018 and the Interim Meeting on November 10-13, 2018 in National Harbor, MD.

Applicant Signature: 

9/19/17

Email applications to RFS staff at rfs@ama-assn.org by September 19, 2017.

Candidates who submit their applications and provide proof of society endorsement by the deadline will have their names highlighted on the voting ballot to signify their existing endorsement. Please also send a CV with a photo of you if you have one.
AMA-RFS Sectional Delegate/Alternate Delegate Application

Application Requirements:
- You must be a current AMA member
- Curriculum Vitae
- Statement of Interest
- Endorsement from State or Specialty Society
- Signed Attendance Agreement

The AMA Delegates to the House of Delegates (HOD) from the Resident and Fellow Section (RFS) will be elected by the RFS Assembly for a one year term. The elected AMA Delegate from the RFS will be a representative of and be seated with their state or specialty delegation. Alternate Delegates will be also seated with the Delegates' state or specialty delegation. The endorsement of your state or specialty society verifies that the state delegation is aware of your candidacy, and is willing to accept and include you as a part of the delegation.

American Medical Association-Resident and Fellow Section (AMA-RFS) Chapter
AMA-RFS Committee on Long Range Planning (CLRP)
Chair, July 2017-Present
Member, July 2016-Present
Served on and chaired committee tasked to work on issues regarding the structure and future of the AMA Resident and Fellow Section, such as medical student retention, member recruitment, section endorsement of candidates, and policy sunset

AMA-RFS Resolution Primary Author
2017 AMA-RFS Annual Meeting, June 2017: "Resolution 5: RFS Sunset Mechanism"

AMA-RFS Report Co-Author
2017 AMA-RFS Annual Meeting, June 2017: "Report E: Election Reform"

AMA-RFS Interim Meeting Reference Committee
Member, November 10-12, 2016
Formulated recommendations on resolutions and reports comprising the business of the RFS Assembly

AMA-RFS Interim Meeting
South Dakota Society Alternate Delegate, November 10-12, 2016
Represented South Dakota residents and fellows in the RFS Assembly

USD-SSOM South Dakota State Medical Association (SDSMA) Resident Chapter
SDSMA Council of Physicians
Resident Councilor, June 2016-June 2017
Voting member of SDSMA’s official policymaking body

USD-SSOM South Dakota State Medical Association (SDSMA)/American Medical Association-Medical Student Section (AMA-MSS) Chapter
AMA-MSS Committee on Legislation and Advocacy (COLA)
Vice Chair, July 2015-June 2016
Member, January 2015-June 2016
Chaired and served on committee responsible for creating and maintaining a network of MSS chapters to accomplish grassroots political action

MSS Resolution Primary Author
2015 AMA-MSS Interim Meeting, November 12-14, 2015: "Prior Authorization Reform"

MSS Resolution Co-Author

AMA Medical Student Advocacy Day, Washington, D.C., March 5-6, 2015; March 10-12, 2016
Attended interactive educational sessions about effective advocacy and lobbying techniques and met with legislators and their staffs on Capitol Hill

AMA House of Delegates (HOD) Reference Committee E (Science and Technology), 2015 AMA Annual Meeting, Chicago, IL, June 6-10, 2015
Nominated by AMA-MSS and selected by AMA; heard testimony, evaluated resolutions, and collaborated with other delegates and AMA policy analysts to formulate recommendations to assembly at-large

Region 1 Delegate, AMA HOD, September 2015-November 2015
Region 1 Alternate Delegate, AMA HOD, November 2014-September 2015
Represented Region 1 of the MSS at the 2015 AMA Annual and Interim Meetings; testified on resolutions originating in the MSS being considered in the HOD; evaluated resolutions submitted for consideration during the MSS Assembly

Chapter Co-President, August 2014-July 2015
Organized chapter functions related to policy and national meetings

SDSMA Council of Physicians, Student Councillor, August 2014-May 2015
Voting member of SDSMA’s official policymaking body

MSS Parliamentary Procedure Committee, 2014 AMA Interim Meeting, Dallas, TX, November 6-8, 2014
Oriented delegates and provided guidance during proceedings of the assembly

Lunch and Learn Events, August 2013-May 2016
Sponsored physician speakers to educate classmates about health care economics, immunizations, the Public Health Service, alternative and complementary medicine, and physician contracts, recruitment, and insurance

SaveGME campaign, Fall 2013
Coordinated letter writing campaign to lobby SD congressional representatives for an increase to and preservation of graduate medical education (GME) funding; subsequently met with congressional leaders to discuss GME funding

Professional Advocacy Training Workshop and Advocacy Champions Membership, Nov. 2013-June 2016
Attended this AMA-MSS workshop in National Harbor, MD designed to refine advocacy skills, including speaking and messaging techniques to strategic communications development, and accepted into the MSS’s second-ever class of advocacy champions

USD-SSOM Chapter Delegate, June 13-15 and November 14-16, 2013
USD-SSOM delegate to the AMA-Medical Student Section (AMA-MSS) of the 2013 AMA Annual Meeting, Chicago, IL and 2013 AMA Interim Meeting, National Harbor, MD

Spring Fundraiser, Spring 2013, Spring 2014, Spring 2015
Organized the USD-SSOM AMA-MSS chapter’s “Run for Your Life” 5k run (2013, 2014) to benefit the local food pantry as well as a golf tournament (2015) to benefit a local charity for disabled children

“Day at the Capitol” and Pierre Indian Center Service Project, Pierre, SD, February 2013
Received AMA Chapter Involvement grant to organize class trip to state capitol, where students learned about the influence of public policy on healthcare delivery and served as advocates for the medical profession; organized class experience educating middle and high school aged students in several topics, including the importance of seatbelt safety, drug/alcohol abuse, and sexually transmitted infections

Policy and Pint, Fall 2012-May 2016
Organized several informal discussions for classmates about health care reform, physician assisted suicide, and medical policy issues important to South Dakota physicians and citizens

Member, August 2012-June 2016
Benjamin Meyer Statement of Interest

I seek the position of RFS Delegate or Alternate Delegate because I wish to serve together with all you as stewards of the future of medicine and as the voices of this future in the House of Delegates.

Being involved with the AMA and with my state medical society have provided me with some of the most enriching, rewarding experiences during my time in medical school and in residency training. My time at AMA National Meetings, including as a Medical Student Section Region Delegate and Alternate Delegate, especially stands out, as I always return home feeling a renewed sense of purpose having collaborated with other medical students, residents, and physicians in working to achieve a better health care system. Other experiences I have had within organized medicine, including serving on the SDSMA Policy Council, as Vice Chair of the MSS Committee on Legislation and Advocacy, on multiple reference committees, and as current Chair of the RFS Committee on Long Range Planning, all have re-enforced the importance of physician advocacy in improving public health.

I seek to use the policy knowledge I have acquired in these endeavors, along with my familiarity with the AMA, to make a positive impact as an RFS Delegate or Alternate Delegate. I would be honored to have an opportunity to continue serve the section, the AMA, American physicians, and our patients.

Thank you for your consideration,

Benjamin Meyer

Nominated by fellow classmates for Student D.O. of the Year 2010
Silver T.O.U.C.H Award 2009-2010, 2010-2011

• I submitted over 55 volunteer hours to the community service program at WVSOM called T.O.U.C.H. (Translating Osteopathic Understanding into Community Health) and received the Silver T.O.U.C.H award

Honorary/Professional Societies:
Sigma Sigma Phi
• Inducted into the national honorary osteopathic service fraternity in April, 2010.
• Bingo Night at the Adult Care Facility
• Adopt a Highway
Psi Sigma Alpha, Eta Chapter at West Virginia School of Osteopathic Medicine
• Invited to become a member in the Fall, 2011.
Sigma Xi, Greenbrier Valley Chapter
• Inducted into the scientific research society in January, 2011.
Society of Interventional Radiology
• Member since July 2014
Attended SIR in Atlanta 2015 and Vancouver 2016

Active member of the Women in Interventional Radiology Section of SIR
  ○ Member of the communications committee and mentoring program

Resident Fellow Section of the Society of Interventional Radiology

  • Member since April, 2015
  • Chair of the Women in Interventional Radiology Sub-Committee (April 2015 – present)
  • Vice Chair of the RFS Class of 2015 (June 2015 – July 2016)
  • 2016 Grassroots Leadership Program (May 11-12, 2016)

Leadership and Volunteer Experiences:

  Participant in the 2016 Grassroots Leadership Program: SOCIETY OF INTERVENTIONAL RADIOLOGY, Washington DC (May 11-12, 2016)
    • I was selected to be a part of the Grassroots Leadership Program in Washington, D.C.
    • After an intensive course on advocacy, I went to Capitol Hill to advocate for IR related issues including the SIR GME funding bill sponsored by Senator Mia Love of Utah, the MACRA implementation as it relates to IR and IR focused treatments for chronic pain management.
    • Participated in 3 SIRPAC events hosting Rep. Gus Bilirakis, R-Fla., John Shimkus, R-Ill., and Chris Collins, R-N.Y.
      ○ All of whom serve on the House Energy and Commerce Committee.
      ○ During these dinners, we discussed current issues faced by interventional radiology, how to circumvent these issues and what interventionalist can do for the future of medicine.

Guest Lecturer and Co-Founder of the Interventional Radiology Interest Group: UNIVERSITY OF OKLAHOMA SCHOOL OF MEDICINE, Oklahoma City, OK

  • Worked in conjunction with Scott Burner, MS4 to start a medical student interest group through the Resident Fellow Student Section of the Society of Interventional Radiology in 2015.
  • Working with the current 2016-2017 IRIG President Richard Spangler to grow the IRIG and help interested medical students shadow in IR.
  • Presented: Introduction to Interventional Radiology
    ○ October 7, 2015
    ○ September 1, 2016
    ○ August 28, 2017
  • Mentoring 1st and 2nd year medical students who are interested in IR.
  • Shadowed by Richard Spangler, MS2 in IR on multiple occasions throughout the fall of 2016.
  • Currently working with Austin McCullough, MS3 on a research project evaluating head and neck biopsies.
  • Central Line Placement Workshop
    ○ Presented a workshop for 1st and 2nd year medical students on how to place central lines.
    ○ May 2 and May 4, 2017

Chair of Women in Interventional Radiology Committee: RESIDENT FELLOW STUDENT SECTION OF THE SOCIETY OF INTERVENTIONAL RADIOLOGY, (April 1, 2015 - present)

  • Member of the RFS Governing Council
  • Hosted a Webinar on the Practical Approach to Radiation Safety - Presented by Keri Campbell-Conner, July 22, 2015
  • Hosted a Webinar on Unique Risks for Women Working in IR - Presented by Dr. M. Victoria Marx, April 28, 2016
    ○ Hosted a Webinar on Public Education about IR and the Interventional Initiative: Hindsight is 20:200, bringing IRs misunderstood journey into focus - Presented by Dr. Isabel Gala Newton, M.D., Ph. D, October 17, 2016
  • Written several articles for the RFS Quarterly e-newsletter
    ○ Articles highlighting Women in IR
    ○ Assisted in writing and editing, Pregnancy in the Life of an Interventional Radiologist Featuring Dr. Sarah White.
  • Edited the Pelvic Congestion Syndrome Survival Guide which will be published on the RFS GI/GU/Reproductive Service Line website.
  • Radiation safety in IR: An overview for trainees
    ○ Published in the IR Quarterly in Summer 2016 Vol. 4 No. 3.
  • Assisted in writing and editing an article entitled, “Negotiation Skills for the Early Career Radiologists” in conjunction with Dr. Barbara Hamilton.
    ○ Submitted to JACR for publication Dec. 2016.
Volunteer Physician: GOOD SAMARITAN HEALTH CLINIC, Edmond, OK (Sept, 2013 – December 2016)
- One or two Saturdays a month, I volunteer as a medicine physician in a free clinic that provides medical care to patients who have limited access to health care.
- Each Saturday, we have a physician, nurse, clinic coordinator and translator who work in tandem to see approximately 10-20 children and adults with acute and chronic medical illnesses.
- Also, we provide spiritual guidance and education on chronic illnesses such as diabetes and hypertension, the give vaccinations.

Publications/Presentations/Research:
The role of core needle biopsy in the evaluation of head and neck lesions, UNIVERSITY OF OKLAHOMA HEALTH SCIENCES CENTER, Oklahoma City, OK (Accepted for publication Nov, 2016, Publication date pending)
- Drs. Natosha Monfore, Maha Jarmakani and Jason Wagner
- Performed a comprehensive literature review regarding the role of core needle biopsy in head and neck lesions
- Evaluated the current institutional biopsy practices at the University of Oklahoma
- Developed a best practices guide which was submitted to the JAOCR for publication in December 2016.

Ultrasound guided needle biopsy of cervical lymph nodes and masses: fine needle aspiration followed by selective use of core biopsy based on preliminary cytopathology, UNIVERSITY OF OKLAHOMA HEALTH SCIENCES CENTER, Oklahoma City, OK (To be presented at RSNA in Chicago, IL, Nov. 26, 2017)
- PI – Dr. Jason Wagner
- Ultrasound (US) guided biopsy of cervical nodes and masses is commonly performed and plays a significant role in deciding patient management. Needle biopsy techniques include fine needle aspiration (FNA) and core needle biopsy (CNB), both of which have advantages and disadvantages.
- At OU, we begin with FNA and proceed to CNB if indicated by preliminary cytopathology.
- The purpose of this study is to retrospectively review our experience with US guided needle biopsy of cervical nodes and masses to determine the diagnostic performance of FNA followed by selective use of CNB.
- Subsequent analysis of two subgroups will be performed to evaluate
  - The diagnostic performance of biopsy of persistent masses after nonsurgical therapy in patients with nodal metastasis of head and neck cancer
  - The diagnostic performance of biopsy of cervical/supraclavicular nodes and masses in high BMI patients.

Image guided needle biopsy of potential metastatic lesions in colorectal and pancreatic cancer: How often do biopsy results appropriately change management?, UNIVERSITY OF OKLAHOMA HEALTH SCIENCES CENTER, Oklahoma City, OK (IRB Approved May 2014, Accepted for publication in JVIR and poster presentation at SIR 2017 in Washington, D.C.)
- PI – Dr. S. Pant, Dr. Keri Campbell-Conner, Dr. Jason Wagner
- Determine the rate of detecting metastatic disease or alternative diagnoses on imaged guided biopsy of lesions suspicious for metastatic disease in patients with known colorectal or pancreatic cancer.
- Retrospective review of all imaged guided biopsies performed by radiology between 1/2009 and 7/2015.
- Biopsies of lesions suspicious for metastatic disease in patients with an established pathologic diagnosis of colorectal or pancreatic cancer were included in the study, and all relevant clinical, pathologic and imaging data were reviewed.
- The study concluded that in patients with colorectal or pancreatic cancer and one or more lesions suspicious for metastatic disease, image guided biopsy potentially appropriately changed management in 9% of cases by revealing either nonmalignant disease or another type of malignancy.
  - Inappropriate management would be possible in 6% of cases due to false negative biopsy results, indicating the need for follow-up of negative biopsy results.

Professional Experience:
Central Line Physician, SAINT ANTHONY’S HOSPITAL, Central Line Team, Oklahoma City, OK. (July, 2014 – present)
- I am part of a team of three physicians who are on call for urgent and emergent central line placement.
- Using ultrasound guidance, I place internal jugular and femoral vein triple lumen and Quinton catheters.

Hospitalist, SELECT SPECIALTY HOSPITAL, Weekend Rounding Team, Oklahoma City, OK. (July, 2014 – present)
- On weekends, I work as a hospitalist at a long-term care facility where I provide medical care to critically ill and chronically ill patients in both the ICU and on medical wards.
- I have privileges to perform: intubations, lumbar punctures, paracentesis, thoracentesis, central line placement and other lifesaving procedures including ACLS protocols.
- On average, I am responsible for 30-40 patients per day.
September 19, 2017

To whom it may concern:

I am writing to express my interest to become the SIR-RFS Sectional Delegate for the AMA for the 2018 term. While attending the Society of Interventional Radiology’s Grassroots Leadership program in 2016, I was exposed first hand to the importance of being an active member in SIR’s political action committee. Prior to Grassroots, I had minimal understanding of how important it is to have a voice in policy. It was intriguing to see how uninformed or misinformed many congressional representatives are when it comes to how physicians practice medicine, yet they are playing an active role in shaping healthcare. This experience, my passion for medicine and taking care of patients are what motivate me to become a more active member in the AMA and to apply for the delegate position.

Thank you for your time,

Natasha Monfore, DO

Radiology Resident at the University of Oklahoma class of 2018

Incoming Vascular and Interventional Radiology Fellow at the University of Michigan
Endorsement and Attendance Agreement

Dear AMA-RFS:

My interest in the AMA-RFS sectional delegate position stems from a deep belief in medicine and in leadership—particularly, that one can achieve far more by leading a group of motivated individuals than one ever can by oneself. The AMA-RFS is an inspired group of individuals, whose drive for organized medicine and policy making has captured my heart and imagination. To carry this message to as many other residents, medical students, and society at large is absolutely a calling.

So far in the AMA-RFS, I’ve served on the Committee on Scientific Research, the Rules Committee (Annual Assembly, 2014), and am Vice Chair for Region 6. Additionally I’ve served for two years in national leadership positions for the 2nd largest medical organization in the US: American Association of Physicians of Indian Origin. Finally, I am very active at the state level—Maryland Medical Society, so I would be able to utilize my position with the AMA to gather support and conduct information back to my peers, which is an important part of leadership.

My leadership style emphasizes camaraderie, openness and listening, followed by hard work. To bring this with me as an AMA-RFS sectional delegate is my greatest hope. My campaign will only be successful with the support of my AMA-RFS peers. And my goals as a delegate would be to increase activities throughout the year, on resolution writing and policymaking at both the national and state/regional levels; to increase AMA-RFS involvement in the Junior Doctors Network of the World Medical Association; and to increase resident membership in the AMA-RFS.

It is like the African proverb says, “If you want to go quickly, go alone. If you want to go far, go together.”

Kunj G. Patel, MD
Endorsement and Attendance Agreement

All applicants who receive and submit proof of endorsement prior to the election will have their names **bolded** on the voting ballot to signify that their endorsement has been confirmed.

**Endorsed By:** Medical Association of Georgia (MAG)

**Name of Endorser:** Donald Palmisano  
**Title:** CEO, MAG

**Signature of Endorser:**

**Note:** State or Specialty Society endorsement does not imply funding responsibility. However, per House of Delegates action on BOT Report 20 (A-06), **endorsing societies are strongly encouraged to assume responsibility for funding the resident and fellow delegate to attend AMA and other relevant delegation meetings.**

**This portion must be completed and signed by applicant:**

Please provide a brief written statement detailing how you plan to ensure your attendance at the required meetings (dates listed below):

Currently, my program allows for 5 conference days, of which I have not used any. Also, I am allowed 15 vacation days of which I have only used 1. My schedule allows for plenty of flexibility to allow for attendance to the meetings.

---

By applying for this position, I commit to attending the Annual Meeting in Chicago, IL, on June 9-13, 2018 and the Interim Meeting on November 10-13, 2018 in National Harbor, MD.

**Applicant Signature:**

**Date:** 9/19/17

Email applications to RFS staff at rfs@ama-assn.org by September 19, 2017.

Candidates who submit their applications and provide proof of society endorsement by the deadline will have their names highlighted on the voting ballot to signify their existing endorsement. Please also send a CV with a photo of you if you have one.
AMA-RFS Sectional Delegate/Alternate Delegate Application

Application Requirements:
• You must be a current AMA member
• Curriculum Vitae
• Statement of Interest
• Endorsement from State or Specialty Society
• Signed Attendance Agreement

The AMA Delegates to the House of Delegates (HOD) from the Resident and Fellow Section (RFS) will be elected by the RFS Assembly for a one year term. The elected AMA Delegate from the RFS will be a representative of and be seated with their state or specialty delegation. Alternate Delegates will be also seated with the Delegates’ state or specialty delegation. The endorsement of your state or specialty society verifies that the state delegation is aware of your candidacy, and is willing to accept and include you as a part of the delegation.

2015-Present
Geisinger Health Systems, Danville, PA
Internal Medicine / Pediatrics Residency Program

2011-2015
Baylor College of Medicine (BCM), Houston, TX
Doctor of Medicine (MD)

2015
Baylor College of Medicine (BCM), National School of Tropical Medicine, Houston, TX
Diploma of Tropical Medicine (DTM)

2007-2011
University of Texas - Pan American (UTPA), Edinburg, TX
Bachelors of Science, Chemistry & Biology

**SELECTED RESEARCH EXPERIENCE:**

2014-Present
*Tech. Developer, Global Tuberculosis (TB) Program at Texas Children’s Hospital, Houston, TX*
Advisors: Katherine Ngo and Anna Mandalakas, MD, Director, Global Tuberculosis Program
Responsible for developing and implementing an interactive near real-time Microsoft Excel based tool to graphically display quarterly data and ongoing trends of TB screening and treatment practice outcomes at international clinical sites.

4/2015-6/2015
*Epidemiology Elective Fellow, Division of Foodborne, Waterborne, and Environmental Diseases, NCEZID, Center for Disease Control and Prevention (CDC), Atlanta, GA*
Advisor: Jennifer Cope, MD MPH
Assisted with an outbreak investigation through surveys and interviews. Compiled clinical and laboratory information on *Balamuthia mandrillaris* infections over the past 50 years in the USA.

1/2013-2015
*Student Researcher, Center for Innovations in Quality, Effectiveness & Safety at Michael E. DeBakey Veterans Affairs Medical Center, Houston, TX*
Mentor: Aanand D. Naik, MD, Investigator, Health Decision-Making & Communication Program
The multidisciplinary team is developing an abstract model to understand the intricacies and development of a patient’s explanatory model of illness and its relationship to the physician-patient encounter, specifically through evaluating senior citizen patients with diabetes.

*Med. Student Training in Aging Research (MSTAR) Fellow, Baylor College of Medicine*
Mentor: George Taffet, MD, Chair of Geriatrics, Dept of Medicine
Advanced the development of a non-invasive procedure to measure pulse wave velocity throughout the cardiac cycle in the peripheral vasculature. Studied changes in vessel elasticity due to aging.

9/2010-7/2011
*Research Technician, Baylor College of Medicine/Texas Children’s Hospital*
Advisor: Terzah Horton, MD, PhD, Dept of Pediatrics, Section of Hematology-Oncology
Evaluated pediatric leukemia samples for changes in the Unfolded Protein Response (UPR) stress pathway utilizing immunoblot and the effect of bortezomib on acute myeloid leukemia (AML) cell lines. Developed procedure for Real Time Reverse Transcription PCR (qRT-PCR) to determine gene transcript levels in shipped lymphocyte blood samples.

2007-2010
*HHMI Undergraduate Research Fellow, University of Texas – Pan American*
Advisor: Joanne Rampersad-Ammons, PhD, Department of Chemistry
Created a rapid high throughput process to identify and characterize *Bacillus thuringiensis*, Bt, protein crystals from environmental samples using microarray printing. Developed standard operating procedure protocol to characterize Methicillin-resistant *Staphylococcus aureus* (MRSA) strains and SCCmec containing bacteria from humans in Hidalgo County & Rio Grande Valley, Texas, through gene typing and sequencing.

AMA-RFS Sectional Delegate

I am writing in support of re-election for the American Medical Association – Resident and Fellow Section (AMA-RFS) Sectional Delegate position. I am a current PGY-3 Internal Medicine / Pediatrics resident in central Pennsylvania.

Over the past 7 years, as a medical student and now as a resident I have had amazing opportunities and experiences representing my constituents at the AMA and other professional medical societies. While serving as an AMA-MSS (Medical Student Section) Regional Delegate over two and half years and five AMA conferences, I have assisted with the passage of section and state written resolutions through testimony preparation and delivery, and the editorial process both during the review process and on the floor of the convention. Since starting my involvement in 2011, I have authored and co-authored dozens of resolutions submitted at the state and national level with many going on to become AMA policy. In addition, I have been privileged in providing feedback and review during the resolution creating process. My previous direct involvement in the AMA House of Delegates (HOD) as an MSS Regional Delegate and MSS House Coordinating Convention Committee member allows me to be an ideal member of our delegation to the House in the coming year.

Outside of the AMA HOD, I have served on multiple committees and task forces within the AMA, American Academy of Pediatrics, and Texas Medical Association providing me an insight to the inner workings of how medical societies function to support the policies we advocate. I have sat on two AMA-MSS and one TexMed (Texas Medical Association-TMA annual conference) reference committees, providing me a different view point to how to improve resolutions writing and testimony delivery. In addition I had been an active member of two section restructuring committees and the TMA Council on Public Health and Committee on Cancer where we actively created both resolutions for the assembly as well as material and advocacy plans for outside the convention halls.

Currently as a third year resident in Pennsylvania, I straddle the two worlds of internal medicine and pediatrics on a daily bases while working in both community and academic based settings. This has exposed me to various types of residents, patients, physicians, and other medical providers in different work environments, allowing me to better appreciate the opinions delivered by our diverse House of Medicine.

In summary my previous experience within organized medicine and my ongoing work will allow me to be an asset to the AMA-RFS Section delegate team. I request the support of the RFS in being selected for this position. Thank you.
Endorsement and Attendance Agreement

All applicants who receive and submit proof of endorsement prior to the election will have their names bolded on the voting ballot to signify that their endorsement has been confirmed.

Endorsed By:

Pennsylvania Medical Society (PAMED)

Name of Endorser: James A. Goodyear Title: PAMED - AMA Delegation Chair

Signature of Endorser: Date:

Note: State or Specialty Society endorsement does not imply funding responsibility. However, per House of Delegates action on BOT Report 20 (A-06), endorsing societies are strongly encouraged to assume responsibility for funding the resident and fellow delegate to attend AMA and other relevant delegation meetings.

This portion must be completed and signed by applicant:

Please provide a brief written statement detailing how you plan to ensure your attendance at the required meetings (dates listed below):

I have received approval from my program director to be excused from clinical duties to be able to attend both the AMA Annual meeting and Interim meeting of the House of Delegates if selected as a Delegate or Alternative Delegate.

By applying for this position, I commit to attending the Annual Meeting in Chicago, IL, on June 9-13, 2018 and the Interim Meeting on November 10-13, 2018 in National Harbor, MD.

Applicant Signature: Date: 9/6/17

Email applications to RFS staff at rfs@ama-assn.org by September 19, 2017.

Candidates who submit their applications and provide proof of society endorsement by the deadline will have their names highlighted on the voting ballot to signify their existing endorsement. Please also send a CV with a photo of you if you have one.

Operative Chemoprophylaxis is Safe in Major Oncology Operations and Effective at Preventing Venous Thromboembolism. Journal of the American College of Surgeons. 2016; 222 (2): 129-37. PMID 26711793 * Selected as a CME article for the February 2016 issue of JACS

Dear Resident and Fellow Section,

Why am I applying? Simply put, I value the work the AMA does, I value the voice of the RFS, and I believe that the voice of the RFS should be a strong voice within the AMA. Our AMA is an effective organization because it represents both physicians and our patients at the intersection of medical policy and medical practice, and it represents everyone from the greenest medical student to the most practiced department chair. It counts in its leadership a large number of motivated, dedicated, and sincere professionals who not only practice medicine on a daily basis but also seek to improve the practice of medicine for the profession, and the House of Delegates is where these combined interests intersect. As the RFS representative on the AMA’s Council on Medical Education I have had the privilege of representing the RFS on the HOD’s body that deals exclusively with issues of medical education, representation that is enhanced when serving in the House of Delegates.

Like any number of our colleagues I am well organized, motivated, and am adept at working on simultaneous projects. Most importantly, I truly enjoy the work the AMA does. The highlight of my years in medical school was my involvement with the AMA, and my time spent at our national meetings. The attitude and energy found in our Annual and Interim meetings is contagious and invigorating. We leave the meetings motivated, recharged, and with new collaborations in the works.

Our AMA is successful because it recruits intelligent and motivated individuals and cultivates them. If re-elected as a Delegate I will continue to do this. I will seek out resolution collaborators, will report back to our section the results of the HOD, and seek to identify places where the RFS as a section can unite its voice and speak clearly to the HOD. And I will enjoy doing it.

Thank you for your time, I look forward to speaking with you in Hawaii.

Sincerely,

Luke V. Selby, MD MS

EDUCATION/TRAINING

HARVARD UNIVERSITY SCHOOL OF PUBLIC HEALTH – Class of 2014 MPH global health. Student government MPH rep. Student rep to Committee on Admissions and Degrees. David Rockefeller Center for Latin American Studies research grant winner.

HARVARD UNIVERSITY – Class of 2009 AB cum laude Human Evolutionary Bio. 3 minors: Global Health Policy, Spanish, Latin American Studies. Thomas T. Hoopes Prize for Excellence in Undergraduate Work (top undergraduate student award at Harvard), David Rockefeller Center for Latin American Studies Grant, David Roux Fund award, Goelet Fund award, Alex G. Booth award, Harvard Intl Innovation Grant, Student Leader in Service scholarship, Justine Magazine Women’s Role Model award.

FORT DODGE SENIOR HIGH – 2005 Valedictorian. USA Today 1st All-Academic Team, Coca-Cola National Scholar, National Toyota Community Scholar, National Merit Scholar, World Food Prize Foundation John Chrystal International Intern Award, Sports Illustrated Magazine’s All-American Teen Award, President Hoover Uncommon Student Award, National Junior Science and Humanities Symposium Winner, Intel International Science and Engineering Fair Prize Winner, 4-year Varsity Letter-Winner and Captain of tennis team, 3-year National Congressional Debate Finalist and Captain of Speech and Debate team.

LEADERSHIP AND PUBLIC SERVICE

2016 WORLD FOOD PRIZE SYMPOSIUM
Featured speaker at the 2016 Laureate Ceremony alongside former President of Malawi Joyce Banda, President Ameen Gurib-Fakim of Mauritius, US Secretary of Agriculture Thomas Vilsack, and Iowa Governor Terry Branstad. Foundation that awards the “Nobel Prize” for food security work annually.

2016 DEMOCRATIC NATIONAL CONVENTION
Elected by the constituents of Iowa’s 4th Congressional District as National Delegate to the 2016 DNC in Philadelphia, PA in July 2016.

2016 IOWA CAUCUS FELLOW FOR SECRETARY HILLARY CLINTON
Secretary Clinton’s 2016 Presidential campaign caucus fellow. Stationed in Iowa working on grassroots campaign efforts. Organized events hosting Sec Clinton, Pres Bill Clinton, Rep Giffords, Cecile Richards, and other celebrity supporters.

AMERICAN MEDICAL ASSOCIATION
National Delegate to AMA House of Delegates; President of the MD Resident/Fellows Section
Elected by national resident and fellow section to the National AMA House of Delegates to craft resolutions/instigate policy change. Elected Chair of MD AMA. Co-founded Iowa State grad student lobby day in 2009. Hosted Sen. Charles Grassley health care forum. Worked with colleagues to establish AMA position on Gun Violence as a Public Health Crisis in June 2016.

AMERICAN COLLEGE OF PHYSICIANS
Resident physician rep on Maryland Health Policy Com, crafting resolutions the group will advocate for at both state and national levels. Winner of the 2015 National Resident Poster Clinical Vignette Competition in Boston, Massachusetts.

HARVARD 5th REUNION, CLASS OF 2009
Co-Chair
Selected by committee of peers to co-organize & host 5th reunion. Highest 5th year reunion attendance & fundraising in Harvard’s history.

HARVARD SCHOOL OF PUBLIC HEALTH STUDENT GOVERNMENT
MPH Co-Representative, Student Representative to the Admissions Committee
Elected by peers. Worked on curriculum & admissions criteria reform, student advocacy issues. Member of admissions deliberations.
CARVER COLLEGE OF MEDICINE STUDENT GOVERNMENT
Executive Council for Grad/Professional Students; Activities Committee Chair; Diversity Committee
Elected by peers. Helped to address diversity and cultural competency issues via hosting events and helping with curriculum changes.

AMERICORPS STUDENT LEADERS IN SERVICE
Student Leader
Underwent special trainings with select group of other Harvard campus leaders in public service. Public service scholarship recipient.

PEER HEALTH EXCHANGE
Co-Coordinator and Co-Founder on the Harvard Campus; Health Educator
Co-founded organization’s branch at Harvard and Boston. Trained 50 college students to teach comprehensive health curriculum in socioeconomically disadvantaged high schools in Boston. Reached >600 students annually between 2006-2009.

HARVARD MODEL CONGRESS
Executive Board Member
Organized and presided over committees at four annual conferences for high school students from around the world. Taught students about domestic and international political and judicial processes via government simulations and direct mentoring in high schools.

PRESENTS OF HOPE FOUNDATION
Founder and President
Non-profit organization created to address the needs of individuals living in the homeless and domestic abuse shelters and drives for orphanages in Africa and Asia. Traveled throughout country giving speeches encouraging empathy for resource disparities.

HARVARD UNDERGRADUATE COUNCIL
Student Representative
Elected by peers to the Harvard student government. Worked jointly with Dean’s office for curricular reform and student advocacy.

IOWA STATE BOARD OF EDUCATION
Student Representative
Selected and appointed by Secretary Tom Vilsack as first student member on the board. Re-appointed for second term. Responsible for reflecting student opinion and making decisions regarding the education laws and policies throughout the state.

WORK AND RESEARCH EXPERIENCE

INDIA HIV/AIDS RESEARCH
Researcher and PI. Funded by Barry Goldman Fellowship. Met with several officials in Bangalore to gather and analyze data on HIV testing and treatment in the state of Karnataka over a 6-year period. January 2014 – June 2014.

BRAZIL HIV/AIDS RESEARCH

HONDURAS PARASITOLOGY RESEARCH

MALARIA THESIS RESEARCH

INDIAN INSTITUTE OF SCIENCE
Student Research Fellow. Mathematical modeling to generate estimate of effective HIV population in an individual. June - Aug 2007

CHUNG DAHM INSTITUTE (CDI)

WEIZMANN INSTITUTE OF SCIENCE

NATIONAL ANIMAL DISEASE CENTER, US DEPT. OF AGRICULTURE
Student Research Fellow. Developed novel diagnostic approach to detect the transmissible spongiform encephalopathic prion (causal agent of Mad Cow Disease and its counterparts in other species) content in paraffin-embedded tissues. June 2004-June 2005.

**PUBLICATIONS/POLICY PAPERS**

1. “Gun Violence as a Public Health Crisis.” (2016) – co-wrote and co-lead the effort to pass the resolution establishing the AMA policy on gun violence in June 2016.

**SELECTED PRESENTATIONS**

Hi All! My name is Megan Srinivas, and I just completed my internal medicine residency at Johns Hopkins Bayview Internal Medicine program and started my infectious diseases fellowship at the University of North Carolina. I spent the last three years as a member of the Maryland RFS, first in the role of alternative delegate and now as the President of the Maryland RFS for the last two years. I was a sectional delegate to the HOD for our RFS until I became the Maryland delegation’s RFS delegate to the HOD for the last two years. I also served on the legislative standing committee for the national RFS this past year. I have a long history of being an advocate for my peers and working within the policy realm. During residency, I was a part of the Maryland chapter of the American College of Physicians and sat on their state health policy committee. In college I was elected to serve on the Harvard Undergraduate Council establishing many events as well as reforming the curriculum into the current Harvard general education plan in place of the previously much-criticized core class curriculum. In medical school, I continued to be the voice of my colleagues. As a first-year representative on the student council and the first-year representative to the Iowa AMA, I co-founded the Iowa State Medical Student State Lobby Day, annually leading students to meet with legislators in regards to education and healthcare. This effort is now in its 7th year. As the medical school’s activities chair, I organized community-wide events from charity trivia nights to the school’s formal. As co-chair of the Student Diversity Committee, I fostered collaboration between student groups to host events addressing health disparity issues. As the elected representative to the University’s Iowa’s Executive Council of Graduate and Professional Students, I met monthly with the University President to address student needs. In the past, I also served for two years on the State of Iowa Board of Education, meeting monthly with former Governor Vilsack (now Secretary Vilsack) to discuss and craft education policy. I’ve also spent a significant amount of time working on a United States Presidential Campaign and was elected as national delegate to the 2016 Democratic National Convention in 2016.

As your peer, I understand the challenge of wanting to make the most of our time in training while still wanting to have an influence on the future landscape of health care in our nation. From advocacy to health policy to event planning, I have the experience to effectively mold RFS and AMA initiatives. More importantly, though, I have a persistence and motivation to address RFS needs and desires. Thank you for your consideration!
Endorsement and Attendance Agreement

All applicants who receive and submit proof of endorsement prior to the election will have their names **bolded** on the voting ballot to signify that their endorsement has been confirmed.

Endorsed By:

Infectious Diseases Society of America (IDSA)

Name of Endorser: [ ] Title:

Signature of Endorser: Date:

Note: State or Specialty Society endorsement does not imply funding responsibility. However, per House of Delegates action on BOT Report 20 (A-06), *endorsing societies are strongly encouraged to assume responsibility for funding the resident and fellow delegate to attend AMA and other relevant delegation meetings.*

This portion must be completed and signed by applicant:

Please provide a brief written statement detailing how you plan to ensure your attendance at the required meetings (*dates listed below*):

I’ve been scheduled for research blocks for those times.

By applying for this position, I commit to attending the Annual Meeting in Chicago, IL, on June 9-13, 2018 and the Interim Meeting on November 10-13, 2018 in National Harbor, MD.

Applicant Signature: Date:
Megan L. Srinivas 9/19/18

Email applications to RFS staff at [rfs@ama-assn.org](mailto:rfs@ama-assn.org) by September 19, 2017.

Candidates who submit their applications and provide proof of society endorsement by the deadline will have their names highlighted on the voting ballot to signify their existing endorsement. Please also send a CV with a photo of you if you have one.
AMA-RFS Sectional Delegate/Alternate Delegate Application

Application Requirements:

• You must be a current AMA member
• Curriculum vitae
• Statement of interest
• Endorsement from state or specialty society
• Signed attendance agreement

The AMA Delegates to the House of Delegates (HOD) from the Resident and Fellow Section (RFS) will be elected by the RFS Assembly for a 1-year term. The elected AMA Delegate from the RFS will be a representative of and be seated with their state or specialty delegation. Alternate delegates will be also seated with the delegates’ state or specialty delegation. The endorsement of your state or specialty society verifies that the state delegation is aware of your candidacy, and is willing to accept and include you as a part of the delegation.

It would be an honor to serve the Resident Fellow Section as a sectional delegate. I have served in various capacities within our AMA and have diligently represented my sponsoring sections and societies throughout the years. Notably, I started as the Medical Student Section representative to the AMA Advisory Committee on LGBT Issues and served as the RFS representative and Chair of this committee. I am intimately familiar with our RFS and AMA policies having served as a member and Chair of the RFS Reference Committee on numerous occasions.

From my experience working on domestic and global public health and policy initiatives in urban settings as well as my time serving in a variety of advisory and leadership roles, I believe I would be able to ensure all stakeholders are well-informed and our section business is conducted efficiently and effectively. Having served on a variety of committees responsible for processing information from diverse sources, generating recommendations, and advising governing bodies, I would be able to leverage this experience as a RFS Sectional Delegate.

If I should not be selected to serve as a RFS Sectional Delegate, I still plan to be actively engaged in RFS matters as I believe our AMA continues to be a formidable voice to affect the health and well-being of physicians and our patients.

Statement of Interest

I have always been amazed by the way advocacy can influence policy, and the way policy influences practice. This was first made clear to me when I interned for a US Senator. Individuals and groups advocating for causes they believed in were able to shape policy decisions. I have carried those lessons into medical school and residency and have used advocacy as a means to protect our profession and ensure quality patient care. I have been actively involved with local medical societies and politics, frequently interacting with state and local politicians. My recent election as president of our county medical society has given me the opportunity to see the way organized medicine can serve as a powerful tool for change. From a resident's vantage point it is easy to see how quickly things are changing in medicine, and for the future of our profession, residents must shape these changes. A resident's mantra is personal sacrifice. While this mindset does serve a role in our training, it sets the stage for physicians that are often deferential and passive. It seems many of the things practicing physicians are discouraged with are a result of allowing outside forces to determine their value. Residents must take an active role in establishing policy that is resident and physician centric. This belief has spurred me to become more involved in national organized medicine. As a resident delegate in the House of Delegates my previous experience working in national politics will position me to be an effective advocate for other residents frustrated with the changes that seem out of our control. I look forward to the challenge and opportunity of serving as a delegate.

December 2015 - present  
♦ Reviewed the orthopedics sports medicine fellowship with Dr. Abby Spencer  
♦ Identified areas of strength and areas for potential improvement, incorporating resident and faculty feedback.
Organized Medicine

Resident and Fellows Section Chair, Ohio State Medical Association April 2016 – present
♦ Represent resident and fellow physicians across the state of Ohio
♦ Lead the RFS caucus at statewide meetings
♦ Organizing a combined advocacy day at the Ohio Statehouse with the Medical Students Section
♦ Sit as the RFS representative on the OSMA Council

Region Five Chair, AMA - Medical Student Section June 2013 – June 2014
♦ Oversaw American Medical Association - Medical Student Section activities at seventeen schools across Indiana, Kentucky, Michigan, Ohio, and West Virginia
♦ Coordinated the regional student caucus for the AMA’s Annual Meeting in June, and the Interim Meeting in November
♦ Maintained communication with statewide student leadership within the organization
♦ Helped the Vice Chair organize a two day region meeting in Indianapolis in 2014 with students from all five states
♦ Appointed regional working committees and oversee their operations

Delegate to the American Medical Association April 2013 – April 2014
♦ Sole student delegate working with twenty Michigan physicians on the state delegation to the American Medical Association House of Delegates
♦ Created, provided testimony regarding, and voted on national health policy

Michigan State Medical Society- Medical Student Section Chair April 2012 – April 2013
♦ Organized and led state-wide student section meetings and caucuses
♦ Collaborated with other students to organize a Student Lobby Day at the state capital to advocate for issues including increasing graduate medical education (GME) funding
♦ Directed an annual workshop dedicated to resolution writing and policymaking

President of the Wayne State University SOM AMA Section April 2011 – April 2012
♦ Led the largest student organization on campus
♦ During my term, our recruitment effort was recognized by the AMA as one of the top ten schools nationally for membership growth
♦ Assisted with the development of an AMA section at the new Oakland University William Beaumont School of Medicine

Medical Student Section Reference Committee November 2012
♦ Analyzed proposed student section policy, listened to testimony, and formed recommendations for the delegation at the 2012 AMA – Medical Student Section Interim Meeting in Honolulu, HI

Michigan State Medical Society Reference Committees April 2011 and April 2012
♦ 2011 – Sole student member on a committee with physician leaders analyzing policy resolutions regarding public health, listening to testimony, and forming recommendations for the delegation at the 2011 MSMS House of Delegates meeting in Kalamazoo, MI
♦ 2012 – Sole student member on a committee with physician leaders analyzing policy resolutions regarding health care legislation, listening to testimony, and forming recommendations for the delegation at the 2012 MSMS House of Delegates meeting in Dearborn, MI
Current Active Professional Memberships
♦ American Medical Association
♦ Ohio State Medical Association
♦ American College of Physicians
♦ American Society of Clinical Oncology

Additional Interests
Playing piano, classical music, traveling, and watching college football and basketball

Unique Skills
I am proficient in piano performance, and have performed the first movement of Sergei Rachmaninoff’s Piano Concerto No. 2 in c minor with live orchestral accompaniment.

Candidates who submit their applications and provide proof of society endorsement by the deadline will have their names highlighted on the voting ballot to signify their existing endorsement. Please also send a CV with a photo of you if you have one.
AMA-RFS Sectional Delegate/Alternate Delegate Application

Application Requirements:

- You must be a current AMA member
- Curriculum Vitae
- Statement of Interest
- Endorsement from State or Specialty Society
- Signed Attendance Agreement

The AMA Delegates to the House of Delegates (HOD) from the Resident and Fellow Section (RFS) will be elected by the RFS Assembly for a one year term. The elected AMA Delegate from the RFS will be a representative of and be seated with their state or specialty delegation. Alternate Delegates will be also seated with the Delegates’ state or specialty delegation. The endorsement of your state or specialty society verifies that the state delegation is aware of your candidacy, and is willing to accept and include you as a part of the delegation.

Dear colleagues,

It has been an honor to serve as one of your AMA-RFS Sectional Alternate Delegates for the past two years. I am hoping for your continued support as I seek to represent our section as one of the AMA-RFS Sectional Delegates, endorsed by the American College of Radiology.

Both our healthcare system and our profession are facing the possibility of substantial change over the next few years. Whether it be reform in healthcare delivery and payment models or the rapid pace of technological innovation, it is crucial that we, as physicians, have a strong voice in the formation of any new policies that may arise.

With 8 years of experience within organized medicine, I am well prepared to ensure our voice is heard. The AMA is an institution that is dear to my heart – I have been a dedicated member since my first year of medical school. Having served as representative to the AMA House of Delegates both as a resident and as a medical student, I have learned firsthand the challenges associated with policy advocacy. This experience is complemented by my time as the Chair of the Massachusetts Medical Society Medical Student Section and my current service as the sole Resident Trustee on the Massachusetts Medical Society Board of Trustees and Advocacy Liaison for the American College of Radiology Resident and Fellow Section.

As a proud member of our AMA-RFS, I have come to understand the key issues that unite us, and I am devoted to improving communication between our AMA leaders and fellow trainees. I hope to leverage this knowledge of the AMA, its inner workings, and the relationships I have formed to ensure our voice is well represented.

Please feel free to reach out to me by email at monicajwood@gmail.com or call/message me at 617-583-0910. I look forward to working with you!

Sincerely,

Monica J. Wood, MD

Dear Colleagues,

I am interested in continuing as sectional alternate delegate to the AMA from the RFS to further my involvement and understanding of the AMA and policy. I have been an active RFS member my first annual meeting in 2015, and I have learned a lot about how the house of delegates functions and how the RFS contributes to the larger AMA. I found serving as sectional alternate delegate from the RFS to be very rewarding this past year and would like to continue advocating for policy on behalf of residents and fellows in the AMA. As young physicians we have important input for the future of medicine and I hope to be able to continue to represent you in this role, and become more active in our delegation as I become more experienced in this role. I also look forward to learning from more experienced RFS sectional delegates. As a current PGY-4 in psychiatry, I have a good sense of what policy the RFS has put into place over the last couple years and what is important for residents and fellows to advocate for in the larger HOD. I also have a good amount of time after completing my main call year to put toward AMA work. I am also allotted days to attend conferences by my program so am able to attend both the annual and interim meetings required. With endorsement from the American Psychiatric Association I hope to be elected to represent the RFS for another year as sectional alternate delegate.

Sincerely,

Laurel

Church Bible Study Group - Focus on personal growth and community outreach

Zen Fitness Personal Trainer – given leadership responsibilities and helped in recruiting clients

---

**Interests and Activities**

Spending time with my wife, 2 year old son, 1 month old daughter, and dog, Church work, reading the Bible and books on personal development, fitness, basketball, volleyball, football, spike ball, trashcan ball, gardening, travelling, piano, fishing, and cooking/eating
It is with excitement and humility that I ask for your support to serve as your sectional alternate delegate. Unlike most, I only relatively recently became involved in organized medicine through the ASA during my intern year. I am currently a PGY-2. I quickly appreciated the important role that the ASA plays in the future of our specialty. This opened a door for me to learn about the AMA and the vital role it plays in modern medicine. Medicine is changing and this change requires adaptation of physicians to not only treat patients but to also communicate and advocate for the practice of medicine to continue to move forward as we navigate the rapidly evolving health care system changes. I believe that commitment to organized medicine is lifelong and is a crucial value to be instilled during residency training.

I am striving to become a leader and advocate for medicine both inside and outside of the hospital. As a Captain in the United States Air Force, I have been asked to lead others in uncomfortable situations and have learned the value of commitment and representativeness. These experiences and skills were further reinforced through completion of a leadership program. If given the opportunity, I will bring a teachable, hardworking, enthusiastic, and adaptable attitude. I am committed and excited and hope that serving in this position is the start of my lifelong involvement in the AMA Resident and Fellow Section (RFS).

American Medical Association (AMA)

Resident and Fellow Section (RFS) Alternate Delegate

2017- Present

Endorsed by the Florida Medical Association (FMA)

Responsible for generating testimony for AMA House of Delegate resolutions, participating in RSF and FMA caucuses, and testifying in reference committees and the AMA House of Delegates

Medical Student Section (MSS) Alternate Delegate

2015

Reviewed resolutions for the MSS meetings, analyzed and generated testimony for AMA House of Delegate resolutions, participated in MSS caucuses, and testified in reference committees

University of Miami Miller School of Medicine Chapter President

2014- Spring

Presided over and conducted all chapter, committee, and E-board meetings; created meeting agendas; served as the official spokesperson and signatory for the AMA MSS and Florida Medical Association (FMA) MSS on behalf of the chapter; appointed committees, subcommittees, and task forces

MSS House Coordination Committee

2014

Prepared testimony for resolutions and reports presented to the AMA House of Delegates for the Interim Meeting in 2013 (Maryland) and 2014 (Texas)

University of Miami Miller School of Medicine Recruitment Chair

2013- Fall

Attended recruitment workshops at the AMA MSS Annual meeting to learn how to effectively recruit students to actively participate in the AMA; hosted chapter recruitment events to increase student membership and involvement

Florida Medical Association (FMA)

Resident and Fellow Section (RFS) Delegate

2014- Present

Serve as a delegate for the FMA RFS to the FMA House of delegates; responsible for testifying and voting on policy brought forth to the House of Delegates on behalf of the RFS
FMA Legislative Visit Day
2017
Participated as both a medical student and resident in the FMA legislative visit day; traveled to Tallahassee to
meet with several state legislators; discussed issues affecting medical students and residents including GME
funding, loan forgiveness programs, and scope of practice

Vice Chair of Recruitment, Medical Student Section
2016
Served as the Vice Chair of Recruitment for the FMA Medical Student Section Governing Council; oversaw all
medical student recruitment efforts in the State of Florida for both the FMA and AMA; piloted a statewide
Organized Medicine Awareness Week and coordinated daily activities for medical students to learn about the
value and benefits of participating in organized medicine and how to become involved

University of Miami Miller School of Medicine FMA Delegate
2014
Attended the 2014 FMA Annual Meeting; voted on policy brought forth to the FMA House of Delegates on behalf
of the Medical Student Section; elected officers for the upcoming year

University of Miami Miller School of Medicine Academic Societies
2015
Taught first year medical students how to take an adequate history and perform a thorough physical exam; help
second year medical students refine and expand upon their physical exam skills

Community Service

Mitchell Wolfson Sr. Department of Community Service (DOCS)
Resident Health Fair Volunteer
2016- Present
Supervise medical students in the Pediatric Vision Screening station where photoscreeners and red reflex testing
are used to screen children for amblyopia and amblyogenic risk factors; assist in coordinating follow-up care;
educate parents about the need for routine vision screening in children and the importance of follow-up if
indicated

Medical Student Health Fair Volunteer
2016
Volunteered at student run health fairs in South Florida to provide free healthcare screenings and counseling to
underserved populations; provided care to an average of 1,500 patients each year; duties included performing
glucose finger sticks, counseling on diet and exercise, assessing vital signs, performing gynecologic exams,
screening for glaucoma, and performing well child exams; organized a Pediatric Vision Screening station where
photoscreeners and red reflex testing were used to screen children for amblyopia and amblyogenic risk factors

South Dade Health Fair Public Relations Coordinator
2013
Served as the PR Coordinator for the South Dade Health Fair, which provided free healthcare screenings to 100
uninsured patients in the community; made weekly visits to South Dade to hand out flyers and contacted local
radio stations and newspapers to advertise for the event; worked with other non-profit organizations to send flyers
to uninsured patients

Amblyopia Awareness Month
2015
Volunteered at events in South Florida to increase awareness regarding the importance of early vision screening
and to screen preschool aged children
Michelle Falcone  
Statement of Interest:

My first involvement with the AMA came during my first year of medical school. I signed up to become an AMA member and was anxious to learn about the organization. At my first Annual meeting, I was in awe that such a large group of medical students, residents, and physicians were united for the betterment of healthcare. I was eager for more and excited about the prospect of playing a role in shaping the future of healthcare, even as a medical student. Over the next few years, I became increasingly involved with both theAMA and my state medical society. During my third and fourth year of medical school, I had the opportunity to serve as an MSS section alternate delegate to advocate for medical students on a national level. After this experience, I was certain that I wanted to continue my involvement with the AMA House of Delegates. I currently have the honor of serving as an RFS section alternate delegate. If re-elected, I will continue to advocate for our patients, our profession, and all residents and fellows. I will also continue to work with the Florida Medical Association and specialty societies to garner support for RFS authored resolutions. It is crucial for residents to have a voice in shaping healthcare policy as it will soon affect our daily practice. I am grateful for the opportunities I’ve had with the AMA and excited to continue my involvement for the rest of my medical career.

To:
AMA-RFS Assembly and Delegates to the AMA House of Delegates
Sectional Delegate/Alternate Delegate Selection Committee

September 19, 2017

Dear AMA RFS Members,

I am pleased to submit my application to the AMA-RFS Assembly as a candidate for Alternate Delegate to the AMA House of Delegates on behalf of the Society of Interventional Radiology.

As a candidate endorsed by the Society of Interventional Radiology (SIR), I hope to serve in the House of Delegates to the best of my ability and represent the interests of the in-training members of Interventional Radiology, the newest primary specialty in medicine as designated by the American Board of Medical Specialties in 2012.

My interest in this position arises as an extension of my experience representing the SIR as part of the SIR-RFS Advocacy and Clinical Education Committees in addition to my exposure to health care policy and legislative activism through the SIR Grassroots Leadership Program. Interventional Radiology is a distinct primary specialty with a domain of skills comprised of competency in diagnostic imaging interpretation, image-guided procedures, and clinical expertise in both periprocedural and longitudinal patient care. I am committed to this model of practice and seek to represent the unique skills and role of interventional radiology for the betterment of patient care in the House of Delegates. As a trainee, I can also be called upon to represent the educational needs of DR/IR residents as our training paradigm continues to evolve.

I thank you for your consideration,

Andrew J. Klobuka, M.D.
Endorsement and Attendance Agreement

All applicants who receive and submit proof of endorsement prior to the election will have their names bolded on the voting ballot to signify that their endorsement has been confirmed.

Region 5 Medical Students Section Acting and Alternate Delegate 2014-2015: Involved in the review process for resolutions submitted to annual and interim meetings and involved in supporting resolutions that pass in the medical student section at the HOD

Awarded Section Involvement Grant: Recognition for work on Lansing Advocacy days

Advocacy Day 2015: Participant, topics such as SGR repeal, Public Service Loan Forgiveness Program/Student Loan Forgiveness Programs, and GME funding were the main focus

Reference Committee Member Residents Section Interim 2016, Annual 2017 Sectional Delegate to HOD from Resident Section 2016-2017

2012-present  Michigan State Medical Society – State Medical Society representing physicians and students.

Advocacy Liaison 2014-2015: Planned and executed advocacy days in Lansing on topics such as GME, increasing childhood vaccinations, and opposing the repealed helmet law (fall '14, spring '15)

State Resolution Workshops: Planned and executed resolution workshops for the state medical schools, taught peers about the resolution writing process.

MSMS HOD 2014: Participant and resolution submission

MSMS HOD 2015: Participant, reference committee member: public health, student delegate and resolution submission

MSMS HOD 2016: Participant, reference committee member: public health, student delegate and resolution submission

MSMS HOD 2017: Participant, reference committee member: scientific and educational affairs, resident and Wayne County delegate and resolution submission

2012-2017 Wayne County Medical Society of Southeastern Michigan – Attended meetings at one of largest and most active county medical societies in the State of Michigan

Resolution submission 2017

2013-present  Physicians for Social Responsibility – Restarted a chapter of this organization at WSUSOM. Early in my medical school career PSR was only a subcommittee of AMSA. Will be Vice President of the organization for 2015-2016 school year. PSR advocates for issues by addressing the dangers that threaten communities and uses medical and public health expertise to: Prevent nuclear war and proliferation; Reverse our trajectory towards climate change; Protect the public and our environment from toxic chemicals; Eliminate the use of non-medical nuclear power.

March 2015 and January 2016: Participated in giving testimony against coal plant permits for the River Rouge and Trenton Channel plants. Current SO2 levels in the area are linked to increased rates of asthma, premature birth, heart disease, stroke, arrhythmias. Advocated for stricter control permits for SO2 emissions and upgrading of facilities.

March 2017: Participated in giving testimony against permits for the Detroit incinerator.

2014-2015  Clinical Campus Representative for Oakwood Hospital/VA Hospital Detroit – Work closely with members of the Hospital and School of Medicine Administration to strengthen student’s clinical experience and also address and bring forward any concerns on behalf of my peers regarding clinical rotations.

2014-2015 LCME Visit Student Representative – Chosen to help represent the study body perspective during the WSUSOM reaccreditation process.

2102-2014 Medical Political Action in the Community – Attended lectures to learn about medical policy and participated in advocacy trips to Lansing (fall ’12, spring ’13, fall ’13) and Washington DC (spring ’13). Topics such as GME, State Tort Reform, and State Medicaid expansion were the main focus.

2012-2014 Food Medicine Member – Participated in events aimed at educating people about healthy food and healthy cooking via presentations and actual demonstrations of how to cook healthy meals in the Detroit area.
2008-2012  **Cass Clinic Volunteer** – Performed histories and physical exams and developed treatment plans with staffing physician for the underserved patients of the Detroit area.

**TEACHING EXPERIENCE**

2012-2014  **Problem Based Learning/Case Based Learning** – During M1 and M2 years I participated and helped teach incoming students using an interdisciplinary, case-based, small group learning model with an integrated curriculum. It involved students working in small, collaborative groups on challenging, open ended problems/cases.

2012-2014  **Ultrasound “Super-user”** – Program in the anatomy course that allows select students interested in becoming more proficient with ultrasound to attend extra sessions outside the classroom to learn the basics to be able to teach fellow classmates how to use ultrasound diagnostics in practice and correlate it with the current anatomy units. Participated as both an M1 and M2.

**MSMS Resolutions HOD 2014:**

**MSMS Resolutions HOD 2015:**

**AMA Resolutions HOD 2015:**

Statement of Interest:

I am interested in running for the position of alternate delegate for the RFS with endorsement by the ACR. As one of the sectional delegates this year I had the opportunity to be involved in representing both the ACR and RFS in the HOD and would like to continue that experience as the alternate delegate this year. I have support from the ACR and my residency program will grant me the time off to attend the meetings.
Endorsement and Attendance Agreement

To whom this may concern:

I am writing to you to indicate my interest in the position of AMA-RFS Sectional Alternate Delegate. I have been interested in advocacy and medicine, and AMA allows me to serve in both those interests. I am being endorsed by the Pennsylvania Medical Society.

My past experience in advocacy has been through professional positions where my primary role was to be an advocate for the women on the campus of my university – ranging from liaising with the administration for improved safety measures on campus to modifying orientation programing to spread awareness about sexual assault on campus. I began my advocacy work in medicine by becoming a member of the York County Medical Society which led me to become a delegate for the Pennsylvania Medical Society. At the House of Delegates meeting in 2015 I rallied the support of the RFS section to get behind, or oppose several resolutions. I enjoyed this work and I am hoping to be able to pursue this at a National level by becoming a delegate to the AMA. In 2016 I was elected to be the RFS Trustee for the Pennsylvania Medical Society Board of Trustees and here I have had a vocal presence on behalf of the residents and fellows of Pennsylvania.

I feel that the current atmosphere of Medicine requires strong advocates – not only for our patients, but also for our physicians. Our field is one where the government and lawmakers have a vested interest in overlooking our policies and procedures. We need Physicians to get involved and build a strong and outspoken lobby. For too long Physicians have focussed on clinical work and their patients while allowing polices made by lawmakers with no background in medicine guide our practices. I feel that by being a Delegate to the AMA I will be a voice for my specialty, my section, and my fellow physicians.

I feel that my passion for the medicine coupled with my history of advocacy and administrative experience makes me a perfect fit for this position.

Should you have any questions or concerns about anything listed in my CV, please feel free to contact me by email at tanimalhotra@gmail.com or by phone at (714) 244 0576.

Sincerely,
Tani Malhotra, MD
**Endorsement and Attendance Agreement**

*All applicants who receive and submit proof of endorsement prior to the election will have their names **bolded** on the voting ballot to signify that their endorsement has been confirmed.*

Signature of Endorser: [Signature]

Date: August 31, 2017

**Note:** State or Specialty Society endorsement does not imply funding responsibility. However, per House of Delegates action on BOT Report 20 (A-06), *endorsing societies are strongly encouraged to assume responsibility for funding the resident and fellow delegate to attend AMA and other relevant delegation meetings.*

**This portion must be completed and signed by applicant:**

Please provide a brief written statement detailing how you plan to ensure your attendance at the required meetings (dates listed below):

By applying for this position, I commit to attending the Annual Meeting in Chicago, IL, on June 9-13, 2018 and the Interim Meeting on November 10-13, 2018 in National Harbor, MD.

Applicant Signature: [Signature]

Date: 8/30/16

Email applications to RFS staff at rfs@ama-assn.org by September 19, 2017.

Candidates who submit their applications and provide proof of society endorsement by the deadline will have their names highlighted on the voting ballot to signify their existing endorsement. Please also send a CV with a photo of you if you have one.
AMA-RFS Sectional Delegate/Alternate Delegate Application

Application Requirements:

- You must be a current AMA member
- Curriculum Vitae
- Statement of Interest
- Endorsement from State or Specialty Society
- Signed Attendance Agreement

The AMA Delegates to the House of Delegates (HOD) from the Resident and Fellow Section (RFS) will be elected by the RFS Assembly for a one year term. The elected AMA Delegate from the RFS will be a representative of and be seated with their state or specialty delegation. Alternate Delegates will be also seated with the Delegates’ state or specialty delegation. The endorsement of your state or specialty society verifies that the state delegation is aware of your candidacy, and is willing to accept and include you as a part of the delegation.

|                                                               |                  | Significant findings: Our results demonstrate that Hexon-modified Ad5 vector (Ad5HVR48) induces a strong and partially exhausted primary Gag-specific CD8 T cell response similar to the Ad5 vector. Recall potential of memory Gag-specific CD8 T
cells is not altered by hexon modification of the Ad5 vector. Overall, the hexon modification does not alter the quality and magnitude of primary and memory Gag-specific CD8 T cell responses induced by the Ad5. Thus, the Ad5HVR48 vector has potential as a DNA vaccine for HIV.

HLA-A*0201-restricted tumor associated phosphopeptides as candidates for cancer immunotherapy (doctoral thesis)

University of Virginia School of Medicine, Charlottesville, VA

Mentor: Victor H. Engelhard, PhD

Conceptualized and designed the research project, created hypotheses to be tested, designed, planned, and executed experimental assays, learnt new experimental techniques, analyzed, interpreted, and formulated the implications of the results, drafted and edited manuscripts and dissertation

Significant findings: This project demonstrates that phosphorylated β-catenin and phosphorylated BCAR3 are broadly expressed in melanoma and breast cancer cells lines and that the phosphorylated peptides derived from those phosphoproteins are weakly immunogenic but that epitope modification significantly enhanced their immunogenicity. Antigen-specific T cells generated using the modified forms of the phosphorylated peptides are highly crossreactive to the natural phosphorylated peptides and the T cells recognize tumor cells that present endogenous levels of the phosphorylated peptides. Furthermore, in vivo xenograft tumor models show that antigen-specific T cells generated from the modified phosphorylated peptides are capable of controlling tumor growth and that for phosphorylated β-catenin, the subcellular localization of the protein predicts the levels of antigen displayed on the cell surface. This body of work collectively suggested that the phosphorylated peptides derived from β-catenin and BCAR3 may be viable immunotherapeutic targets for cancer therapy.

2007 & 2008
Rebecca C. Obeng, MD PhD  
Sectional Alternate Delegate Statement of Interest

I currently serve as the AMA RFS alternate delegate for the College of American Pathologists Residents and Fellows Executive Committee and I will serve as the delegate for the 2017 – 2018 year. While serving in this capacity, I have been exposed to the parliamentary and legislative functioning on the Residents and Fellows Section. I have enjoyed listening to resolution proposals and the discussions surrounding those resolutions and I find the energy, passion, and enthusiasm of the delegates at the RFS meetings inspiring. The RFS assembly is very well organized, efficient, advocates well for its members, and has successfully gotten many resolutions passed at the house of delegates meetings. I would like to become more involved with the AMA RFS, to learn more about the legislative process, and to be a voice for our assembly.
Endorsement and Attendance Agreement

All applicants who receive and submit proof of endorsement prior to the election will have their names **bolded** on the voting ballot to signify that their endorsement has been confirmed.

Endorsed By: College of American Pathologists

Name of Endorser: Michael Phipps  
Title: Manager - Professional and Community Engagement

Signature of Endorser: ___________________________  Date: Sept 18. 2017

**Note:** State or Specialty Society endorsement does not imply funding responsibility. However, per House of Delegates action on BOT Report 20 (A-06), **endorsing societies are strongly encouraged to assume responsibility for funding the resident and fellow delegate to attend AMA and other relevant delegation meetings.**

**This portion must be completed and signed by applicant:**

Please provide a brief written statement detailing how you plan to ensure your attendance at the required meetings (dates listed below): My department and attendings are very supportive of my involvement in the AMA and College of American Pathologists. I attended the interim meeting in 2016 and the annual meeting in Chicago this year without any issues. As such, I do not foresee any difficulties in getting time off service to attend AMA meetings. I have already made arrangements to attend the annual and interim meetings in 2018.

By applying for this position, I commit to attending the Annual Meeting in Chicago, IL, on June 9-13, 2018 and the Interim Meeting on November 10-13, 2018 in National Harbor, MD.
