

Aging

Increased Liaison, Communication and Educational Efforts with the Elderly H-25.994

Topic: Aging

Policy Subtopic: NA

Meeting Type: Annual

Year Last Modified: 2014

Action: Reaffirmed

Type: Annual

Council & Committees: Council on Science and Public Health

The AMA supports (1) increasing communications and understanding between organized medicine and the elderly;

(2) continuing contact with organizations such as the AARP, offering speakers for their meetings, and pursuing other steps to improve their understanding of physicians' problems and concerns; and

(3) encouraging state and county medical societies to undertake similar efforts to increase liaison with the elderly.
